Love And Other Excuses:

Lessons in Love and Other Crimes Elizabeth Chakrabarty, 2021-04-15 One of the most gripping and powerful books I've ever read I feel so represented as a queer brown woman Nikita Gill An innovative hybrid of auto fiction crime fiction and critical race memoir this multi layered yet compulsively readable novel is inspired by the author's real and extended experience of serious racial harassment as well as exploring her search for justice and for love P Shortlisted for the Polari Prize 2022 Longlisted for the Desmond Elliott Prize 2022 Tesya has reasons to feel hopeful after leaving her last job where she was subjected to a series of anonymous hate crimes Now she is back home in London to start a new lecturing position and has begun an exciting if tumultuous love affair with the enigmatic Holly But this idyllic new start quickly sours Tesya finds herself victimized again at work by an unknown assailant who subjects her to an insidious sustained race hate crime As her paranoia mounts Tesya finds herself yearning for the most elemental of desires love acceptance and sanctuary Her assailant meanwhile is recording his manifesto and plotting his next steps Inspired by the author's personal experiences of hate crime and bookended with essays which contextualize the story within a lifetime of microaggressions *Lessons in Love and Other Crimes* is a heartbreaking hopeful and compulsively readable novel about the most quotidian of crimes A story you won't be able to get out of your head Cosmopolitan

Love and Other Excuses Jane Westaway, 1999 I knew at that moment that Tom Brannigan would stay a secret That there were only finite amounts of love and happiness in the world and that one person's joy was automatically another's misery one person's love another's loss It was simple as a primary school sum Love It seems to Zoe that people use that word to excuse the inexcusable Like her mother Like her friends As if they have no choice no control over themselves Well not her And then she meets Tom Intense exciting and scaring her half to death Love when it comes is nothing like what she expected

Love and Other Conspiracies Mallory Marlowe, 2024-08-20 AN INSTANT USA TODAY BESTSELLER The hardest thing for a paranormal conspiracy theorist and a web series producer to believe in is finding love in this swoony debut romantic comedy Hallie Barrett's life has imploded after she's dumped by her hotshot ex who also happens to be her coworker and the star of the online series she was producing Without a new show to present for the company competition she'll be out of a job But inspiration can come from the strangest places like the most handsome guy she's ever seen passionately discussing Bigfoot on a late night docuseries Hayden Hargrove made a name for himself as a cryptid expert on his hit podcast and is intrigued by the plucky blue haired producer who offers him the opportunity to lead his own web show When the production team sees that Hayden's solo on screen presence is bad enough to make a ghost blanch Hallie jumps on camera too hitting him and his cryptids with a healthy dose of skepticism and enough chemistry to electrify their show to the top of the competition As Hayden and Hallie investigate the unknown they unearth feelings for each other that shake their beliefs to the core In their search for Mothman aliens and the truth the most elusive discovery might just be learning to love again

Love and Other Thoughts Robert Ferguson, 2023-04-19 Do you remember

groping after love that elusive feeling that everyone else seemed to be enjoying but you couldn't find for yourself Do you remember the disappointment of rejected or failed love Are you still surprised by the touch of love for someone else's disaster emotional natural or economic Those memories will inevitably return with these poems If you thought you had forgotten them be prepared They are about to return in all their beauty and their bite **Love and Other Unknown Variables**

Shannon Lee Alexander, 2014-10-07 Charlie Hanson has a clear vision of his future A senior at Brighton School of Mathematics and Science he knows he'll graduate go to MIT and inevitably discover solutions to the universe's greatest unanswered questions He's that smart But Charlie's future blurs the moment he reaches out to touch the tattoo on a beautiful girl's neck The future has never seemed very kind to Charlotte Finch so she's counting on the present She's not impressed by the strange boy at the donut shop until she learns he's a student at Brighton where her sister has just taken a job as the English teacher With her encouragement Charlie orchestrates the most effective prank campaign in Brighton history Now Charlie is falling hard for Charlotte and faster than 32 feet per second squared Her gravitational pull is quickly becoming irresistible But Charlotte has a few secrets of her own and it's only a matter of time before Charlie's carefully executed future comes crashing down *Love and Other Emotions* Jason W. Brown, 2018-03-08 This book is an account of the psychology of romantic love in the context of a theory of emotions The account develops out of studies in brain psychology and the extension to topics in process philosophy such as the nature of value and belief and the central role of feeling in mental process The approach is subjectivist that is from the internal standpoint and in this respect it differs greatly from the externalist and objectivist trends in modern cognitive science and empiricist philosophy Love is the ultimate in value so that a theory of love is also a theory of the nature of value and its relation to feeling belief and to drive and desire The role of intention reason and appraisal is critiqued The relation to other feelings such as jealousy envy anger loss and grief is discussed in terms of a general theory of emotion and the basis in a process account of the mind brain state *Pangs of Love and Other Writings* David Wong Louie, 2019-06-17 An apprentice sushi chef and a mysterious blue-eyed woman share a bottle of wine inside a climate-controlled otter tank The Great Wall of China grumbles as workers forego construction to watch an imperial game of baseball A young woman tries to imagine a future unsullied by her family's history of untimely death First issued in 1991 Pangs of Love introduced David Wong Louie's bold storytelling The son of Chinese immigrants he centered his stories around characters who are in conflict with their place in the world disconnected from both American society and their own families The depth of his portrayals renders their experiences of love envy loneliness loss and duty universal informed by their heritage yet not confined by it These twelve short stories and one essay swerve from the absurd to longing for love understanding or simply a morsel of food Pangs of Love and Other Writings makes Louie's debut book available again along with an additional short story and an extraordinary autobiographical essay Eat Memory in which he reflects on life without food after throat cancer took away his ability to swallow Pulitzer Prize winner Viet Thanh Nguyen

contributes a foreword elucidating Louie's role in shaping contemporary Asian American literature while an afterword by literary scholar King Kok Cheung retraces the three phases of Louie's career
