Love And Other Infectious Diseases:

Love and Other Infectious Diseases Molly Haskell, 1990 The author recounts her marriage to fellow film critic Andrew Sarris and the challenges they faced when he was stricken with a lengthy illness **Love and Other Infectious Diseases** Molly Haskell, 2000 My husband awoke one night with a fever of 105.9 I rushed him to the Emergency room of a New York hospital and there began a six month drama in which doctors tried to figure out what was wrong with him while I alternated between hope and despair For the three months that Andrew remained critically ill and deranged hallucinating most of the time he was no longer the lover friend fellow critic and confidant I was used to Eleven years my senior Andrew had been my mentor as a writer and established film critic and now I might be on my own Terrified by the possibility of Andrew's death and forced by that terror to look inward I began to see the extent of my dependency on a marriage that had seemed perfectly equal perfect in fact I think of the book as both a thriller and love story a hospital suspense melodrama as it tracks the ups and downs of a husband's illness and the memoir of a marriage that focuses on my own spiritual and psychological journey

The Practice of Autonomy Carl Schneider, 1998 Exploring what patients do want gives direction to the author's inquiry into what they should want What patients want he believes is properly more complex and ambiguous than being empowered In this book he charts that ambiguity to take the autonomy principle past current pieties into the uncertain realities of the sick room and the hospital ward The Practice of Autonomy is a sympathetic but trenchant study of the animating principle of modern bioethics It speaks with freshness insight and even passion to bioethicists and moral philosophers about their theories to lawyers about their methods to medical sociologists about their subject to policy makers about their ambitions to doctors about their work and to patients about their lives **BOOK JACKET** **The Book of Marriage** Dana Mack, David Blankenhorn, 2001-03 Couples spend an enormous amount of time and energy planning for the perfect wedding But what about planning for the perfect marriage In these times of rampant divorce and relationship crises it makes sense to think seriously about the many challenges of married life that loom so large today The Book of Marriage offers a treasury of marital wisdom from across the ages Intellectually engaging morally responsible and ideologically balanced this anthology gathers some of the deepest wittiest and most edifying perspectives on the big questions of married life Why get married at all Can love last a lifetime How do we handle money Who's the boss What about children Conflict Growing old Illness and death There is even a chapter on divorce one calculated to save a few marriages To date there has been no single comprehensive book of source readings on marriage and family life Assembled with the aid of noted scholars from various fields this volume treats marriage as more than just a relationship as an institution a vocation and a source of great spiritual and emotional rewards Each chapter introduces a different quandary of marriage and then culls the best from ancient and modern writings on the theme The compendium of cultural wisdom on marriage ranges from the Bible and Eastern wisdom to Aristotle St Augustine Maimonides and Judith Wallerstein from Homer Shakespeare Milton and Jane Austen to Edward Albee

Gabriel Garcia Marquez and Bill Cosby An important resource for young adults college students engaged and married couples educators marriage counselors therapists pastors and other family professionals The Book of Marriage celebrates the diversity and essential humanity of the marital experience in a way that is accessible entertaining and eminently useful

Writing the Self in Bereavement Reinecke Lengelle, 2021-01-07 Winner ICQI 2022 Outstanding Qualitative Book Award In *Writing the Self in Bereavement A Story of Love Spousal Loss and Resilience* Reinecke Lengelle uses her abilities as a researcher poet and professor of therapeutic writing to tell a heartfelt and fearless story about her grief after the death of her spouse and the year and a half following his diagnosis illness and passing This book powerfully demonstrates that writing can be a companion in bereavement It uses and explains the latest research on coming to terms with spousal loss without being prescriptive Integrated with this contemporary research are stories poetry and reflections on writing as a therapeutic process The author unflinchingly explores a number of themes that are underrepresented in existing resources how one deals with anger associated with loss what a healthy response might be to unfinished business with the deceased continuing conversations with the beloved even for agnostics and atheists ongoing sexual desire and secondary losses As a rare book where an author successfully combines a personal story heart rending poetry up to date research on grief and an evocative exploration of taboo topics in the context of widowhood *Writing the Self in Bereavement* is uniquely valuable for those grieving a spouse or other loved one those supporting others in bereavement and those interested in the healing power of poetry and life writing Researchers on death and dying grief counsellors and autoethnographers will also benefit from reading this resonant resource on love and loss

The Complete History of American Film Criticism Jerry Roberts, 2010-02-01 The Complete History of American Film Criticism is a chronicle of the lives and work of the most influential film critics of the past 100 years From the first movie review in the New York Times in 1896 through the Silent Era the pre and postwar years the Film Generation of the 1960s the Golden Age of the 1970s and into the 21st century critics have educated generations of discriminating moviegoers on the differences between good films and bad They call attention to great directors cinematographers production designers screenwriters and actors and shed light on their artistic visions and storytelling sensibilities People interested in what the great film critics had to say have usually been shortchanged as to their backgrounds and just why they are qualified to sit in judgment Using mini biographies placed within a chronological framework The Complete History of American Film Criticism is the biography of a profession whose cultural impact has left an indelible mark on the 20th century's most significant art form

The Caregiver's Tale Ann Burack-Weiss, 2006-03-14 Ann Burack Weiss explores a rich variety of published memoirs by authors who cared for ill or disabled family members Contrary to the common belief that caregiving is nothing more than a stressful situation to be endured memoirs describe a life transforming experience self discovery a reordering of one's priorities and a changed view of the world The Caregiver's Tale offers insight and comfort to individuals caring for a loved one and is a valuable resource for all health care

professionals Identifying common themes Burack Weiss describes how the illness career and social meaning of cancer dementia HIV AIDS mental illness and chemical dependence affect the caregiving experience She applies the same method to an examination of family roles parents caring for ailing children couples and siblings caring for one another and adult children caring for aging parents Jamaica Kincaid Sue Miller Paul Monette Kenzaburo O and Philip Roth are among the many authors who share their caregiving stories Burack Weiss provides an annotated bibliography of the more than one hundred memoirs and an accompanying chart to help readers locate those of greatest interest to them *Love's Virtues* Mike W. Martin,1996 This book brings together a sensitive understanding of love and an unusually careful even painstaking analysis of the enormous but often neglected role of morality and the virtues in love Martin s discussions of such virtues as caring courage fidelity and honesty are superb the examples well chosen the argument personal but nevertheless rigorous the prose accessible and enjoyable to read **Fragments on the Deathwatch** Louise Harmon,1999-02-23 Keeping vigil over the dying is an essential human practice with long cultural traditions and profound psychological benefits Yet as legal scholar Louise Harmon shows the institutions of modern life from hospitals to courtrooms intrude on the practice In this humane and lyrical book Harmon looks at literature philosophy history and autobiography as she delicately probes the taboos around discussion of death She asks whether the law can recognize the needs of families and loved ones and protect the space of their grieving **Your Life as Story** Tristine Rainer,1998-04-13 In *Your Life As Story* autobiography expert Tristine Rainer explains how we can all find the important messages in our lives Like Mary Karr or Frank McCourt we can shape those stories into dramatic narratives that are compelling to others Blending literary scholarship with practical coaching Rainer shares her remarkable techniques for finding the essentials of story structure within your life s scattered experiences Most important she explains how to treasure the struggles in your past and discover the meaning within those experiences to capture the unique myth at work in your life

Adopting the Track of Expression: An Psychological Symphony within **Love And Other Infectious Diseases**

In a world used by screens and the ceaseless chatter of fast connection, the melodic splendor and mental symphony created by the prepared term frequently fade in to the backdrop, eclipsed by the constant noise and distractions that permeate our lives. Nevertheless, nestled within the pages of **Love And Other Infectious Diseases** a stunning fictional value full of organic emotions, lies an immersive symphony waiting to be embraced.
