

The background of the image is a deep space scene featuring vibrant cosmic structures. A prominent spiral galaxy with a bright core is visible on the right side, its arms glowing with orange and red hues. To the left, a long, thin, and slightly curved nebula or light streak stretches across the frame. The overall color palette is dominated by dark blues and blacks, punctuated by the fiery oranges, reds, and yellows of the celestial bodies. Numerous small, distant stars are scattered throughout the background.
