 Trollope, 2016-01-05 THE MARQUIS OF KINGSBURY When Mr Lionel Trafford went into Parliament for the Borough of
 Wednesbury as an advanced Radical it nearly broke the heart of his uncle the old Marquis of Kingsbury Among Tories of his
 day the Marquis had been hyper Tory as were his friends the Duke of Newcastle who thought that a man should be allowed
 to do what he liked with his own and the Marquis of Londonderry who when some such falling off in the family politics came
 near him spoke with indignation of the family treasure which had been expended in defending the family seat Wednesbury

had never been the Marquis's own but his nephew was so in a peculiar sense. His nephew was necessarily his heir, the future Marquis, and the old Marquis never again politically held up his head. He was an old man when this occurred and luckily for him he did not live to see the worse things which came afterwards. The Member for Wednesbury became Marquis and owner of the large family property but still he kept his politics. He was a Radical Marquis wedded to all popular measures, not ashamed of his Charter days and still clamorous for further Parliamentary reform, although it was regularly noted in *Dod* that the Marquis of Kingsbury was supposed to have strong influence in the Borough of Edgware. It was so strong that both he and his uncle had put in whom they pleased. His uncle had declined to put him in because of his renegade theories but he revenged himself by giving the seat to a glib-mouthed tailor who to tell the truth had not done much credit to his choice.

Vedānta Philosophy Swami Vivekananda, 1913 *Coming into My Wisdom* Kaya Kamins, 2010-09-02 After the break-up of a long-distance relationship, Kaya began to write from the depths of her soul while struggling to become empowered and grounded in her own life. Who I had become was someone I didn't really know. This woman didn't fit the stereotypes I had grown up with. I had not been raised to have a voice nor to know my truth. When I began to write, floodgates began to open. I developed a new clarity about my emotions. This replaced the space in my heart and life where there was once only confusion and uncertainty. As I began to write and share my words with other women, I developed more courage and began to overcome my fears about creating my own unique path to follow. Kaya's poems about her journey of self-discovery and transformation at midlife have common themes for all women struggling to give birth to their own voice.
