Shamanic Secrets for Material Mastery Robert Shapiro, 1998-07-01 It is well known among the curious that Sedona Arizona and its surrounding regions have seen some of the world's all time most intense UFO paranormal and spiritual activity The question is why

Ascension and Romantic Relationships Joshua David Stone, Janna Shelley Parker, 2000-01-01 This book is a sequel to the first two It contributes an added dimension to my earlier information Sedona seems to reflect the best qualities or perhaps I should say combined qualities the essences and elements of the Great Pyramids Glastonbury Stonehenge Ayers Rock Mount Shasta the South American Pyramids Peru Tibet Nepal India Lourdes and many other power places around the

world How can I make such a claim For the reason that I interact on a regular basis with individuals from virtually every corner of the Earth who have spent time in those sacred and mysterious places Through these travelers I have learned that there is simply no other place like Sedona **Mahatma I and II** Brian Grattan,1994-01-01 What all of mankind have learned in the past about creation is the way that existence isn't a paradox Awaken and realize that all of mankind will create their body for Ascension whether they accomplish this now or later and that this is not the exclusive domain of Christ or Buddha or many others who have ascended this is your birthright You are not relegated to worshipping those who have already done this very basic initiation called Ascension Christ and Buddha would be the first to acknowledge that they are just beginners on their eternal journey When mankind lifts the veils of their unworthiness and recognize that they are the Sons of God that there is divine equality and no one is greater than another then you will have begun our journey in the way that it was intended In your near future your Planetary Hierarchy will release the world from theology ecclesiasticism and the wrathful Jehovah and return humanity to its rightful journey into spiritualizing matter not worshipping it The Mahatma is for those who are motivated to search for the answers that can respond to their mental and spiritual bodies In the past mankind's choices of beliefs and religions have supported only the emotional body and the darker material side of life And truly if one is going to remain on Earth very drastic shifts of consciousness will be required to have mankind remain in Earth's new fourth dimensional reality No matter how contrary to your current beliefs this book contains methods for creating your spiritual Lightbody for Ascension and it also explains your eternal journey in a way that was never before available to mankind *How To Clear The Negative Ego* Joshua Stone,2001-02-07 There is no more important lesson in life to understand then it is your thoughts that create your reality Your thoughts create your feelings emotions behavior and what you attract and magnetize into your life Many people think that we see with our eyes The truth is we see through our consciousness minds and belief system There are in truth only two philosophies and feelings and emotions in life The philosophy and feeling of fear and the philosophy and feeling of Love The key to realizing God is to only think and feel from your Love based Spiritual Christ Buddha mind This is why the Bible states Let this mind be in you that was in Christ Jesus It is by mastering our mind that all negative feeling and emotions can be released and one can learn to live in self mastery centeredness unconditional love joy peace forgiveness nonjudgmentalness and equanimity at all times How to Release Fear-Based Thinking and Feeling Joshua David Stone,2001-01-20 One of the most profound and in depth books ever written on how to release fear based thinking and feeling and change it to love based thinking and feeling A revolutionary cutting edge master thesis on the subject of Spiritual Psychology and how to realize it The reader will never be the same after reading this book Each chapter will transform and shift your consciousness like an attitudinal and emotional chiropractic adjustment By the time you are finished with this book you will see life with totally new eyes Absolutely electrifying reading One of the most profound books ever written in the field of Spiritual Psychology and Psychology Totally cutting edge
