**Manual of Christian Reformed Church Government** ,2016 This revision reflects polity decisions of the Christian Reformed Church in North America dating through the time of its synod meeting in June 2015 **Breaking the Silence Within the Church** Judy R. De Wit,2010-12-27 Where does abuse come from is an interesting question that has a difficult answer However what this book offers may be the beginning point of finding the answer to that question This book starts by helping you understand and identify what approach your parents used with you when you were a child As you make that determination you will begin to understand how you became you and why you do the things you do Whether your parents approach was strict and harsh or was chaotic and slack determining where your parents were on a continuum will help you understand how you became you This book explains how certain parenting styles are likely to produce certain traits and characteristics you have as an adult If Dad or Moms style of parenting was strict and harsh you are likely to be a perfectionist suffer from anxiety and have OCD issues Its possible you were emotionally and physically abused by them If your parents had a chaotic style to parenting its likely you face identity issues and have a difficult time living a structured life Sexual abuse may have been a part of your growing up years Along with this this book shares how to understand leadership in the church using the same continuum When church leaders use a harsh and strict way to lead the church legalism will dominate When church leaders are promiscuous and slack in their approach chaos in the church reigns For both parenting styles and church leadership styles being in the middle of the continuum flexible are where families and churches function best This book provides a step by step process for councils and elders boards should they be faced with having to respond to abuse allegations by a church leader When councils and elder boards are faced with uncertainty about how to proceed this book shows how to respond to the complainant the accused their families and the entire congregation if such a thing did happen Determining truth establishing evidence investigating allegations and make determinations of what to do are explained in this book Christs mandate for His Church is about bringing healing and restoration to His broken world The church is never to be an agent of harm or abuse As leaders filling that mandate is critical and crucial in obedience to Him This includes addressing and responding to abuse when it happens in your faith community Abuse in the church is real Abuse in our families is real No matter what denomination or affiliation you belong to abuse is happening Your church is no exception So church leaders what are you going to do when allegations of abuse by one of your church leaders comes to your council table Your journey about what God wants you to do in your response may begin by whats found in this book Judy R De Wit
