Manual of Gospel Broadcasting Wendell Phillips Loveless, 1946
Loveless, 2013-10 This is a new release of the original 1946 edition

The Ministry of Music Kenneth W. Osbeck, 1971 A practical handbook on music and its application in local church ministry Widely used as a textbook in Bible schools

Music in the Air Mark Ward Sr., 2017-08-14 The old gospel song invited listeners to turn their radios on and hear the music in the air Now return to the eventful days when Americans could turn the lights down low and listen to the Master s radio through this colorful and inspiring history of Christian music and ministry during the golden age of gospel radio Learn the stories behind such legendary groups as Blackwood Brothers Statesmen Gaithers Back to the Bible Quartet Old Fashioned Revival Hour Quartet Haven of Rest Quartet and Stamps Quartet Follow the careers of the great songwriters of the radio days men such as Albert Brumley Merrill Dunlop John W Peterson and Stuart Hamblen Read about the evangelists who pioneered Christian broadcasting such as Billy Graham Charles Fuller Jack Wyrzten Percy Crawford Paul Myers Torrey Johnson Walter Maier Theodore App and Paul Vader And learn the stores behind the greatest gospel songs of the country from Some Golden Daybreak to Beyond the Sunset plus more than 100 others

The Lord's Radio Mark Ward Sr., 2017-07-19 Evangelical Christianity the faith professed by one in four Americans exerts an enormous influence in American society Believed by some to have originated as a reaction to the social revolution of the 1960s evangelicalism as a distinct subculture in fact dates to the advent of radio The evangelical faithful flocked to the airwaves developing a nationwide mass culture as listeners across denominational lines heard the same popular preachers and music Evangelicals left behind the fundamentalism of the early 20th century as broadcast ministries laid the foundation for the culturally engaged New Christian Right of the late 20th century This historical ethnography presents the era s major radio evangelists and songwriters in the own words drawing on their writings and recordings as well as songbooks liner notes and song story anthologies of the period

Redeeming the Dial Tona J. Hangen, 2003-12-04 Blending cultural religious and media history Tona Hangen offers a richly detailed look into the world of religious radio She uses recordings sermons fan mail and other sources to tell the stories of the determined broadcasters and devoted listeners who together transformed American radio evangelism from an on air novelty in the 1920s into a profitable and wide reaching industry by the 1950s Hangen traces the careers of three of the most successful Protestant radio evangelists Paul Rader Aimee Semple McPherson and Charles Fuller and examines the strategies they used to bring their messages to listeners across the nation Initially shut out of network radio and free airtime both of which were available only to mainstream Protestant and Catholic groups evangelical broadcasters gained access to the airwaves with paid time programming By the mid twentieth century millions of Americans regularly tuned in to evangelical programming making it one of the medium s most distinctive and durable genres The voluntary contributions of these listeners in turn helped bankroll religious radio s

remarkable growth Revealing the entwined development of evangelical religion and modern mass media Hangen demonstrates that the history of one is incomplete without the history of the other both are essential to understanding American culture in the twentieth century **Between the Times** William R. Hutchison,1990-11-30 During the first six decades of this century the so called mainline Protestant denominations in America were compelled to accommodate to the growing influences of diverse religions and growing secularization In this book twelve historians examine the nature of the American Protestant establishment and its response to the growing pluralism of the times The goals of the establishment are first examined from the inside as they were voiced from the pulpit expressed in education and through the media and applied in ecumenical and social reforming ventures The establishment is then viewed through the eyes of outsiders Jews and Catholics and those at the periphery of the establishment s core and women The authors conclude that the period surveyed forms a distinct epoch in the evolution of American Protestantism The days when Protestant cultural authority could be taken for granted were certainly over but a new era in which religious pluralism would be widely accepted had not yet arrived

Davis,1984 The Mindfulness Code Donald Altman,2010-10-14 The price we pay for today s fast paced always connected life is often stress anxiety and depression While drawing on ancient wisdom Donald Altman embraces twenty first century brain science to create practical everyday strategies for experiencing a less encumbered less entangled state of being These techniques reactivate natural abilities you already possess The four keys for unlocking mindfulness are the body the mind the spirit and relationships Altman presents practices for turning each key toward contentment confidence and joy including shifting our mental and emotional perceptions inhabiting the body and its sense abilities exploring spiritual connection and tapping into the healing powers of community and relationship Inviting and accessible to those new to mindfulness but comprehensive enough for more experienced practitioners these powerful tools will help you transform your life from the inside out **Critical**
