The Many Faces of Lincoln Charles M. Hubbard, Thomas Reed Turner, Steven K. Rogstad, 1997 *Lincoln Herald*, 1999

A. Lincoln, Esquire Allen D. Spiegel, 2002 Abraham Lincoln has long been considered the greatest president by scholars of American history According to legal scholars he could just as easily have been one of the foremost lawyers in the nation had he not become president Lincoln practiced law for about twenty five years mainly in the circuit courts of Illinois However he was hardly a hick country lawyer In contrast Lincoln was an incisive determined and assertive litigator with an overwhelming caseload He sought out new business for his law firm and cared about earning a comfortable living A ten year research project the Lincoln Legal Papers discovered thousands of yellowed legal documents in musty and dusty courtroom basements Those handwritten legal papers related to more than 5 000 cases that Lincoln handled more than 400 before the supreme court of Illinois In addition Lincoln appeared before justices of the peace circuit court judges and even the Supreme Court of the United States For the first time this book uses the newly discovered legal documents to tell the story of more than sixty of Lincoln s cases Many of these cases have never been written about previously Allen D Spiegel describes how Lincoln the lawyer handled a staggering variety of cases involving arbitration assault and battery bad debt bankruptcy bastardy bestiality breach of marriage divorce impeachment of an Illinois justice insanity land titles libel medical malpractice murder partnership dissolution patent infringement personal injuries property damages rape railroad bonds sexual slander slave ownership and wrongful dismissal BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Franklin D. Roosevelt and Abraham Lincoln* William D. Pederson, Michael R Williams, 2016-07-08

Abraham Lincoln and Franklin D Roosevelt are widely considered the two greatest presidents of the past two centuries How did these two very different men rise to power run their administrations and achieve greatness How did they set their policies rally public opinion and transform the nation Were they ultimately more different or alike This anthology compares these two presidents and presidencies examining their legacies leadership styles and places in history *Abraham Lincoln in the Post-Heroic Era* Barry Schwartz, 2008-11-15 By the 1920s Abraham Lincoln had transcended the lingering controversies of the Civil War to become a secular saint honored in North and South alike for his steadfast leadership in crisis Throughout the Great Depression and World War II Lincoln was invoked countless times as a reminder of America s strength and wisdom a commanding ideal against which weary citizens could see their own hardships in perspective But as Barry Schwartz reveals in *Abraham Lincoln in the Post Heroic Era* those years represent the apogee of Lincoln s prestige The decades following World War II brought radical changes to American culture changes that led to the diminishing of all heroes Lincoln not least among them As Schwartz explains growing sympathy for the plight of racial minorities disenchantment with the American state the lessening of patriotism in the wake of the Vietnam War and an intensifying celebration of diversity all contributed to a culture in which neither Lincoln nor any single person could be a heroic symbol for all Americans

Paradoxically however the very culture that made Lincoln an object of indifference questioning criticism and even ridicule was a culture of unprecedented beneficence and inclusion where racial ethnic and religious groups treated one another more fairly and justly than ever before Thus as the prestige of the Great Emancipator shrank his legacy of equality continued to flourish Drawing on a stunning range of sources including films cartoons advertisements surveys shrine visitations public commemorations and more Schwartz documents the decline of Lincoln s public standing asking throughout whether there is any path back from this post heroic era Can a new generation of Americans embrace again their epic past including great leaders whom they know to be flawed As the 2009 Lincoln Bicentennial approaches readers will discover here a stirring reminder that Lincoln as a man still has much to say to us about our past our present and our possible futures **Lincoln Lore** ,1996 *For the Honor of Our Flag* Leone Schmidt,2004 **The Civil War Round Table** Civil War Round Table (Chicago, Ill.),1991 **Mountain Herald** ,1963 **America, History and Life: Article abstracts and citations** ,1980
