Monroe,2023-10-06 What is moral courage Why is it important and what drives it An argument for why we should care about moral courage and how it shapes the world around us War totalitarianism pandemics and political repression are among the many challenges and crises that force us to consider what humane people can do when the world falls apart When tolerance disappears truth becomes rare and civilized discourse is a distant ideal why do certain individuals find the courage to speak out when most do not When Conscience Calls offers powerful portraits of ordinary people performing extraordinary acts be it confronting presidents and racist mobs or simply caring for and protecting the vulnerable Uniting these portraits is the idea that moral courage stems not from choice but from one s identity Ultimately Kristen Renwick Monroe argues bravery derives from who we are our core values and our capacity to believe we must change the world When Conscience Calls is a rich examination of why some citizens embrace anger bitterness and fearmongering while others seek common ground fight against dogma and stand up to hate

Spencer, 2012-01-01 Johann Gottfried Herder was a philosopher and important intellectual presence in eighteenth century Germany Herder's *Political Thought* examines the work of this significant figure in the context of both historical and contemporary developments in political philosophy Vicki A. Spencer reveals Herder as one of the first Western philosophers to grapple seriously with cultural diversity without abandoning a commitment to universal values and the first to make language and culture an issue of justice As Spencer argues both have made Herder a source of inspiration for the pluralist turn of contemporary political philosophy Contending that in an era of globalization it is no longer possible to ignore Herder's crucial insights on the relationship between cultural membership and individual identity Spencer demonstrates how these ideas can help us understand and perhaps resolve the linguistic and cultural political struggles of our times **Belief and**
