The Gospel of Matthew John Nolland, 2005-11-01 Having devoted the past ten years of his life to research for this major new work John Nolland gives us a commentary on the Gospel of Matthew that engages with a notable range of Matthean scholarship and offers fresh interpretations of the dominant Gospel in the history of the church Without neglecting the Gospel s sources or historical background Nolland places his central focus on the content and method of Matthew s story His work explores Matthew s narrative technique and the inner logic of the unfolding text giving full weight to the Jewish character of the book and its differences from Mark s presentation of parallel material While finding it unlikely that the apostle Matthew himself composed the book Nolland does argue that Matthew s Gospel reflects the historical ministry of Jesus with considerable accuracy and he brings to the table new evidence for an early date of composition Including accurate translations based on the latest Greek text detailed verse by verse

comments thorough bibliographies for each section and an array of insightful critical approaches Nolland's Gospel of Matthew will stimulate students preachers and scholars seeking to understand more fully Matthew's presentation of the gospel narrative

A Marginal Jew: Rethinking the Historical Jesus, Volume V John P. Meier, 2016-01-05 Since the late nineteenth century New Testament scholars have operated on the belief that most if not all of the narrative parables in the Synoptic Gospels can be attributed to the historical Jesus This book challenges that consensus and argues instead that only four parables those of the Mustard Seed the Evil Tenants the Talents and the Great Supper can be attributed to the historical Jesus with fair certitude In this eagerly anticipated fifth volume of A Marginal Jew John Meier approaches this controversial subject with the same rigor and insight that garnered his earlier volumes praise from such publications as the New York Times and Christianity Today This seminal volume pushes forward his masterful body of work in his ongoing quest for the historical Jesus

The God of Old Greg Forbes, 2000-10-01 This book is a study of the parables unique to the Third Gospel aiming in particular to establish a link between Luke's choice of these parables and his overall purpose in writing In comparison to the synoptic kingdom parables one distinguishing feature of the Lukan parables is their more personal portrait of the character and the nature of God himself Luke's desire is to demonstrate to his readers whoever they are that in Christianity the realization of the Jewish hope has occurred The parables promote this idea by offering both continuity OT and contrast contemporary Judaism in their portrait of God Thus as well as operating in a parenetic sense the parables also help to legitimize Luke's argument regarding fulfilment

Severson, 2007-06-01 This collection of primary documents from Christian history spans the second to eighteenth centuries Irenaeus to George Whitefield Severson has chosen writings that all deal with the interpretation of the Parable of the Sheep and Goats Matthew 25 31-46

'While the Bridegroom is with Them' Marianne Blickenstaff, 2005-06-20 Interpreters of Matthew's Parable of the Wedding Feast 22 1-14 typically associate the king with God and then justify his violent attacks against city and guests interpreters of the Parable of the Ten Virgins 25 1-13 typically associate the bridegroom with Jesus and then justify his extreme rejection of the foolish virgins Questioning such allegorical interpretations this study first details how Hebrew Greek and Roman texts depict without requiring allegorical understandings numerous bridegrooms associated not only with joy but also with violence and death Second this project appeals to the disruptive nature of parables the feminist technique of resisting reading and the Matthean Jesus's own ethical instructions to argue that in the parables those who resist violent rulers and uncaring bridegrooms are the ones worthy of the Kingdom The study then shows how the Matthean Jesus the brideless celibate bridegroom creates a fictive family by disrupting biological and marital ties redefining masculinity and undermining the desirability of marriage and procreation
