**The Many Faces of Angels** Harvey Humann,1986      Angelic Healing Eileen Elias Freeman,2001-01-01 People are really hurting today not just physically but mentally emotionally spiritually and in their relationships All of us need healing Maybe we have an addiction we re trying to break Maybe there s no happiness or love in our lives Maybe the hurt is from being lonely even in the midst of family job or social gatherings And when we need healing we often hurt those around us We strike out at the environment until it too is hurting The angels our unseen companions and guardians can help us heal In fact from New York to California angels are doing just that People are telling stories of being healed of everything from serious illness to addictions to bad relationships simply by calling on angels for their help Angelic Healing will reveal the lessons of history while offering stories of angelic healing today moving tales of people for whom being touched by angels has meant major healing in their lives and the lives of those around them Angelic Healing also shows you how to tap into your angelic resources to bring about healing in your own life and empower you to be all you were meant to be Bri      **Spirit Guides & Angel Guardians** Richard Webster,2012-07-08 They come to our aid when we least expect it and they disappear as soon as their work is done Invisible helpers are available to all of us In fact we all regularly receive messages from our guardian angels and spirit guides but usually fail to recognize them This book will help you to realize when this occurs And when you carry out the exercises provided you will be able to communicate freely with both your guardian angels and spirit guides

Batto,2022-02-17 Contrary to popular opinion the story of Adam and Eve is not confined to the book of Genesis It has roots in prebiblical myth and continued to evolve long after the Bible was completed Bernard F Batto traces the development of the Adam and Eve story from its origins in Mesopotamian myth to its reformulation in Genesis and beyond including its expansion in Jewish epigraphs such as 1 Enoch and the Life of Adam and Eve and its place in Christian innovations such as the apostle Paul s thesis that Christ is a second Adam and in the thinking of church fathers such as Irenaeus who held that Christ recapitulates all humankind in himself and Augustine whose doctrine of original sin interprets the Adam and Eve story Batto also examines gnostic teachings about a heavenly Adam and an earthly Adam and surveys rabbinical attempts from the Talmudic period to find hidden meanings in the Genesis story Islam s emphasis on Satan s role in seducing Adam and Eve is also discussed and the book concludes with Milton s unforgettable retelling of the Adam and Eve story in Paradise Lost Batto s goal is not only to reveal the many faces given Adam and Eve throughout history but also to understand the divergent cultural and theological factors powering this long evolving tradition      *Last Judgment* Emanuel Swedenborg,2012-12-28

The destruction of the world is not meant by the day of the last judgment Those who have not known the spiritual sense of the Word have understood that everything in the visible world will be destroyed in the day of the Last Judgment for it is said that heaven and earth are then to perish and that God will create a New Heaven and a New Earth      *Through the Windows of God* Shari Ka,2012-09-25 There is no better message of wisdom than a lesson that has been tried and tested      **De caelo**

Judaism and Christianity during the first centuries CE      Reading Hebrews In First-Century Context and Early Christianity  
Panayotis Coutsoumpas,2021-10-25 Paul's epistle to the Hebrews is one of the most detached and polemical letters in the whole Bible making it one of the most difficult documents to study In the letter to the Hebrews we find the basic concept of the author's theology on the topics of the sanctuary and the high priest in the temple What made Hebrews a special letter is a sermon and refined oral style Another feature of Hebrews is its originality and Paul's use of the Old Testament The Christology in Hebrews focuses on Christ's preexistence and divine status as well as the humility that makes him our example Hebrews portrays Jesus as ultimate high priest who sacrificed himself once for all to atone for human sins      **The**
