**They Saying About the Parables? Second Edition** Gowler, David B., 2021 Much has changed in the more than two decades since the first edition of this book appeared Parable scholarship continues to be a dynamic area of New Testament research and a number of important studies were published and significant developments have occurred during those years Jesus s parables these simple but profound stories continue to challenge us and even after many readings continue to reveal new insights **Bad Faith** Aimée Thurlo, David Thurlo, 2024-09-04 A New Mexico nun must pray she can find a killer after

murder disrupts a mass in this cozy mystery series debut by the authors of the Ella Clah novels The Thurlos write with the same grace savvy and sense of place that make the Ella Clah mysteries so absorbing Sister Agatha deserves a place with Father Brown in the gallery of canny religious sleuths Booklist starred review Once she was Professor Mary Naughton investigative reporter teacher and free spirit Now she is Sister Agatha of Our Lady of Hope a cloistered financially struggling monastery in New Mexico As an extern a nun who handles her order s dealings with the outside world she is used to having her faith and newly acquired patience tested But when popular chaplain Father Anselm is poisoned to death in the middle of mass Sister Agatha must bring all her worldly skepticism and savvy instincts to uncover the truth before scandal and unjust suspicion destroy Our Lady of Hope s future She s up against a hostile local sheriff an ex lover who s never forgiven her for abandoning their life together She s got no shortage of suspects with secrets outside and inside the monastery And she ll need to race the clock to stop one remorseless murderer before there s more hell to pay A beguiling new series opener Lay Catholics curious about convent life will find the details ring true while even non Catholics will find themselves caught up in the orderly round of work and prayer Publishers Weekly One of the most original and interesting characters in the mystery field today I look forward to her next adventure with much anticipation Until then I ll have to comfort myself with thinking holy thoughts Carolina Garcia Aguilera Shamus Award winning author of Bitter Sugar **Interior**, 1919 *The Early Reader in Children's Literature and Culture* Jennifer Miskec, Annette Wannamaker, 2015-12-22 This is the first volume to

consider the popular literary category of Early Readers books written and designed for children who are just beginning to read independently It argues that Early Readers deserve more scholarly attention and careful thought because they are for many younger readers their first opportunity to engage with a work of literature on their own to feel a sense of mastery over a text and to experience pleasure from the act of reading independently Using interdisciplinary approaches that draw upon and synthesize research being done in education child psychology sociology cultural studies and children s literature the volume visits Early Readers from a variety of angles as teaching tools as cultural artifacts that shape cultural and individual subjectivity as mass produced products sold to a niche market of parents educators and young children and as aesthetic objects works of literature and art with specific conventions Examining the reasons such books are so popular with young readers as well as the reasons that some adults challenge and censor them the volume considers the ways Early Readers contribute to the construction of younger children as readers thinkers consumers and as gendered raced classed subjects It also addresses children s texts that have been translated and sold around the globe examining them as part of an increasingly transnational children s media culture that may add to or supplant regional ethnic and national children s literatures and cultures While this collection focuses mostly on books written in English and often aimed at children living in the US it is important to acknowledge that these Early Readers are a major US cultural export influencing the reading habits and development of children across the globe
