

Many Mirrors Body Image And Social Relations

Nicole Landry Sault

Many Mirrors Body Image And Social Relations:

Many Mirrors Nicole Landry Sault, 1994 We've needed a book like *Many Mirrors* for a long time In the veritable explosion of new scholarship on the human body this book stands out in its focus on empirical research *Many Mirrors* will move the Anthropology of the Body a giant step forward C H Browner University of California at Los Angeles In every society people define and change their physical appearance in response to their relationships to others we add clothes and masks remove them build up our muscles perforate our flesh cut parts away comb our hair and modify our diets In rural Jamaica fat women are considered desirable in American suburbia teenage girls are obsessed with thinness Bedouin women use tattoos to express their secret longings Asian American women undergo cosmetic surgery to conform to internalized western standards of beauty Even with mirrors to see ourselves we rely on the reactions of others to learn how we look and who we are Where contemporary Western culture sees the body as a concrete thing with an objective observable reality separate from the self many other societies regard the person as an integrated whole that includes the mind the body and the spirit Through the contributors studies of individual cultures and through the editor's unifying body image system this volume gives us a new conceptual framework for understanding how women and men in any society perceive describe and alter their bodies

Body Image and the Asian Experience Hsiu-Lan Cheng, Yuying Tsong, 2024-11-13 Individuals of Asian descent are a demographic often overlooked in mainstream body image scholarship Historically body image concerns were thought to only affect white upper to middle class women in North America and Western Europe However empirical data accumulated in recent decades have subverted this myth Contrary to popular belief and stereotypes that Asian Americans are a Model Minority in the United States they experience significant body image concerns as well as related disordered eating and mental health challenges Asian diasporas in Western countries also face challenges similar to those faced by Asian Americans e.g. racialized and objectified views of Asians Asian nationals in Asia on the other hand are juggling between their collective and national standards of beauty fitness and the body image ideals propagated through commercialism and capitalization amidst the historical context of colonization and the contemporary atmosphere of globalization *Body Image and the Asian Experience* Asians Asian Americans and Asian Diasporas Across the Globe discusses the dearth of knowledge and sometimes misinformation about body image among people of Asian descent including Asian nationals dwelling in Asia and those in the diaspora Asian Americans Asian immigrants in the United Kingdom Australia etc The first section of the book reviews the applicability of existing theories in understanding the body image experiences of individuals of Asian descent and proposes a new theoretical framework that emphasizes both decolonizing and intersectional perspectives in conceptualizing Asian body image The next section examines the current state of research on body image among Asians Asian Americans and Asian diasporas around the globe including attending to some seriously neglected specific demographic and social identity groups The last section explores mental health and psychosocial implications of body image in the aspects of mental disorders

interpersonal and social relationships and identity development Explores the body image of Asians offering new theoretical insights to address their unique experiences globally Focuses on underrepresented groups including Asian sexual and gender minority men advancing understanding in body image research Examines how body image influences mental health relationships identity and societal aspects Anthropology Matters Shirley A. Fedorak,2017-01-01 Anthropology Matters places the study of anthropology concretely in the world that surrounds it It takes a question based approach to introducing important anthropological concepts by embedding those concepts in contemporary global issues that will interest students The third edition of this popular text has been updated throughout and includes two new chapters globalization and transnational mobility and the responsibility of the global community to refugees The book has also been revised and updated throughout to reflect current events and popular topics including the impact of social media on social political and religious systems interviews with women who veil and discussion of design anthropology **Anthropology Matters, Third Edition** Shirley A. Fedorak,2017-04-05 The third edition of this bestselling book introduces readers to anthropology and the world around it by connecting important concepts to current global issues A question based approach encourages readers to understand specific issues in a broader cross cultural context while building an appreciation for anthropology s role in developing global citizenship This edition has been updated and revised throughout including discussion of technology design anthropology and the effects of social media on cultural change As well two new chapters one on global responsibility for refugees and the other on human trafficking as a form of modern day slavery make the text particularly relevant

Anthropology Matters! Shirley Fedorak,2007-02-01 This simple and accessible book highlights anthropology s relevance to students everyday lives Introductory students will love it Todd Sanders University of Toronto **Body Image in Eating Disorders** Bernadetta Izydorczyk,2021-12-29 Body Image in Eating Disorders explores issues relating to the prevention clinical diagnosis and psychological treatment of distortions of body image in eating disorders It presents a multifactorial model of indicators for diagnosis and treatment considering psychological sociocultural and family indicators Based on original empirical research with women and girls suffering from eating disorders the book draws attention to limitations and dilemmas related to psychological diagnosis and treatment of people with eating disorders including anorexia readiness syndrome bulimia and bigorexia The book proposes an integrative psychodynamic approach to the diagnosis and treatment of body image disorders and presents case studies illustrating examples of application of integration of psychodynamic therapy and psychodrama in psychological treatment of young people suffering from eating disorders It considers risk factors including abnormal body image for the development of eating disorders and argues that psychological diagnosis of the body image is an important factor in determining the right direction of psychological treatment for people with eating disorders Drawing on theoretical foundations and evidence based clinical practice the book will be of great interest to researchers academics and students in the fields of clinical and applied psychology mental health and specialists in eating disorders

Myth and Mentality Anna-Leena Siikala,2002-05-15 The recent fascination in Finnish folklore studies with popular thought and the values and emotions encoded in oral tradition began with the realisation that the vast collections of the Finnish folklore archives still have much to offer the modern day researcher These archive materials were not only collected by scholars but also by the ordinary rural populace interested in their own traditions by performers and their audiences With its myriad voices this body of source material thus provides new avenues for the researcher seeking to penetrate popular thought What does oral tradition tell us about the way its performers think and feel What sorts of beliefs and ideas are transmitted in traditional songs and narratives Perspectives from the study of mentalities and cultural cognition research provide a framework for investigating these issues This collection of articles works from the premise that the cultural models which shape mentalities give rise to manifest expressions of culture including folklore These models also become embedded in the representations appearing in folklore and are handed down from one generation to the next The topics of the book cover age old myths and world views concepts of witchcraft and the Devil stretching back to the Middle Ages and the values and collective emotions of Finnish and Hungarian agrarian communities

Global Issues Shirley A. Fedorak,2013-11-29 Global Issues is a pedagogically rich text that offers a unique way of looking at contemporary issues such as food security and global conflict from a cross cultural and multidisciplinary perspective By exploring each issue in depth students gain an applied understanding of more abstract concepts like conflict globalization culture imperialism human rights and gender while the cross cultural approach encourages students to view the world from outside the Western box Designed for introductory level students in global and international studies human geography anthropology sociology and development studies this highly accessible text offers instructors and students a unique way of matching the concepts they learn in the classroom with important issues in the world in which they live and work

Olympic Ethics and Philosophy Mike McNamee,Jim Parry,2014-07-10 This book contains an international collection of essays by leading philosophers of sport on the ethics and philosophy of the Olympic Games The essays consider a range of topics including critical reflections on nationalism and internationalism within the Olympic movement sexism in Olympic marketing and sponsorship the preservation and corruption of Olympism the underlying ideology of the Olympic Games the inequalities of perception in ability and disability as it informs our understanding of the Olympic and Paralympic Games and comparisons between ancient and modern interpretations of the meaning and significance of the Olympic Games This book will be of interest to historians philosophers and sociologists of sports as well as to the sporting public who simply want to know more about the grounding ideas behind the greatest show on earth This book was originally published as a special issue of Sport Ethics and Philosophy

Maternities Robyn Longhurst,2012-07-26 Over the past decade geographers have shown a growing interest in the body as an important co ordinate of subjectivity and as a way of understanding further relationships between people place and space To date however geographers have published little on what is one of if not the most important of all bodies bodies that

conceive give birth and nurture other bodies It is time that feminist social and cultural geographers contributed more to debates about maternal bodies This book offers a series of windows on the ways in which maternal bodies influence and are influenced by social and spatial processes Topics covered include women coming out as pregnant at work changing fashion for pregnant women being disabled and pregnant the politics of home versus hospital birth breastfeeding practices that sit outside the norm women who are constructed as bad mothers and e mums mothers who go on line

Gendered Bodies and Leisure Rachel Kraus, 2016-07-15 With its roots in Middle Eastern and North African dance belly dance is a popular leisure activity in the West with women and some men of all ages and body types pursuing the activity for diverse reasons Drawing on empirical research fieldwork and interviews with participants this book investigates the social world and small group cultures of American belly dance examining the various ways in which people use leisure to construct the self and social relationships With attention to gender expectations body image sexuality community spiritual experiences and the process of identifying with a leisure activity this book shows how people engage in the same pursuit in a variety of ways It sheds light on the manner in which dancers strive to deal with the challenges presented by internal power struggles and legitimacy bids public beliefs narrow cultural ideals of beauty and often sexualized assumptions about their art A fascinating study of identity work and the reproduction and challenging of gender norms through a gendered leisure activity *Gendered Bodies and Leisure The Practice and Performance of American Belly Dance* will be of interest to students and scholars researching gender and sexuality the sociology of leisure the sociology of the body and interactionist thought

Changing Genders in Intercultural Perspectives Barbara Saunders, Marie-Claire Foblets, 2002 Drawing on extensive fieldwork the essays in this book develop contextual and strategic analyses of the way sex gender constellations can be configured as political identities as a resource or in response to unforeseen contingencies

Framing Fat Samantha Kwan, Jennifer Graves, 2013-05-03 According to public health officials obesity poses significant health risks and has become a modern day epidemic A closer look at this so called epidemic however suggests that there are multiple perspectives on the fat body not all of which view obesity as a health hazard Alongside public health officials at the Centers for Disease Control and Prevention are advertisers of the fashion beauty complex food industry advocates at the Center for Consumer Freedom and activists at the National Association to Advance Fat Acceptance *Framing Fat* takes a bird s eye view of how these multiple actors construct the fat body by identifying the messages these groups put forth particularly where issues of beauty health choice and responsibility and social justice are concerned Samantha Kwan and Jennifer Graves examine how laypersons respond to these conflicting messages and illustrate the gendered raced and classed implications within them In doing so they shed light on how dominant ideas about body fat have led to the moral indictment of body nonconformists essentially framing them for their fat bodies

The Religion of Thinness Michelle M. Lelwica, 2009-12-01 With so many women approaching their diets body image and pursuit of a slender figure with slavish devotion *The Religion of Thinness* is a timely

addition to the discussion of our cultural obsession with weight loss At the heart of this obsession is the belief that in order to be happy one must be slim and the attendant myths rituals images and moral codes can leave some women with severe emotional damage Idealized images in the media inspire devotees of this religion to experience guilt for behaviors that are biologically normal and necessary and LeWica offers two ways to combat this dangerous cultural message Advising readers to look hard at the societal cues that cause them to obsess about their weight and to remain mindful about their actions and needs this book will not only help stop the cycle of guilt and shame associated with food it will help readers to grow and accept their bodies as they are

Family Therapy Around the World William Nichols, 2014-07-16 An international celebration of the work of Florence W Kaslow Family Therapy Around the World A Festschrift for Florence W Kaslow celebrates the life and work of the distinguished family therapist with an international collection of essays that reflects the dynamic state of clinical practice research and theory Professionals and practitioners from 15 countries honor Dr Kaslow's pioneering contributions to family therapy and family psychology by offering practical solutions to the real everyday problems that affect today's world The essays are varied and extensive incorporating cultural and social factors to explore new territory in family therapy through cutting edge research clinical cases and theoretical developments Family Therapy Around the World recognizes the profound influence of Dr Kaslow who was instrumental in the adoption of the Journal of Family Psychotherapy as the official journal of the International Family Therapy Association IFTA The spirit of her work flows through the book's essays which represent the latest thinking and practice developments from clinicians theoreticians and researchers around the world The book paints a clear portrait of the current state of family therapy across the globe including contributions from Japan the United Kingdom Israel India Argentina Russia Sweden Iceland Yugoslavia Italy Australia Norway Chile and the United States Topics examined in Family Therapy Around the World include salutogenic family therapy Sweden working with abusing families United Kingdom family life in an atmosphere of chronic stress and social transformation Yugoslavia adult children dealing with parental divorce Italy exploring culture in practice United Kingdom and India fathers who make a difference Argentina sex avoidance among young couples Israel working toward triadic communication with problematic families Japan and much more For decades Dr Florence Kaslow has been an active practitioner editor author teacher and researcher Family Therapy Around the World A Festschrift for Florence W Kaslow represents a small sampling of the effect her work has had on the family therapy community across the globe

Odd Girl Out Rachel Simmons, 2003-04-01 The classic work on female bullying now revised and updated to include new material on cyberbullying and the dangers of life online When Odd Girl Out was first published it became an instant bestseller and ignited a long overdue conversation about the hidden culture of female bullying Today the dirty looks taunting notes and social exclusion that plague girls' friendships have gained new momentum in cyberspace In this updated edition educator and bullying expert Rachel Simmons gives girls parents and educators proven and innovative strategies for navigating social

dynamics in person and online as well as brand new classroom initiatives and step by step parental suggestions for dealing with conventional bullying With up to the minute research and real life stories Odd Girl Out continues to be the definitive resource on the most pressing social issues facing girls today Peels away the smiley surfaces of adolescent female society to expose one of girlhood s dark secrets the vicious psychological warfare waged every day in the halls of our schools San Francisco Chronicle Provocative Cathartic to any teen or parent trying to find company it will sound depressingly familiar to any girl with a pulse Detroit Free Press Encourages girls to address one another when they feel angry or jealous rather than engage in the rumor mill Chicago Tribune Simmons examines how such alternative aggression where girls use their relationship with the victim as a weapon flourishes and its harmful effects Simmons makes an impassioned plea that no form of bullying be permitted Publishers Weekly **"It's Just Easier Not to Go to School"** Lori Olafson,2006 Textbook

Engendering Psychology Florence Denmark,Vita Carulli Rabinowitz,Jeri A. Sechzer,2016-01-08 Engendering Psychology s treatment of issues is based solidly on scientific evidence and presented in a balanced manner The text combines a developmental and topical approach Denmark Rabinowitz and Sechzer explore the concept of gender as a social construction across the lines of race ethnicity class age and sexual orientation pulling from the exciting new scholarship that has emerged over the last few years Thoughtful discussion questions emphasize critical thinking skills as well as encourage students to open a dialogue with both their professors and their peers This text will help readers understand the concept of gender as a social construct in contrast to the concept of sex which denotes biological differences Upon completing this text readers will have a deeper understanding of women and the knowledge that woman is a diverse and multifaceted category **Beyond Kawaii** Brigitte Steger,Angelika Koch,Christopher Tso,2020-01-01 Kawaii The love of all things cute has become the dominant image of Japanese girls and women Real Japanese women are however more complex Some celebrate their uterus others experiment with fashion and cross dressing or embrace their chubbiness many struggle with motherhood And some may even return as vengeful ghosts This third collection of studies by young scholars from the University of Cambridge looks beyond the kawaii image and explores the diversity and complexity of being a Japanese woman in the new millennium

Mainstreaming Midwives Robbie Davis-Floyd,Christine Barbara Johnson,2012-12-06 Providing insights into midwifery a team of reputable contributors describe the development of nurse and direct entry midwifery in the United States including the creation of two new direct entry certifications the Certified Midwife and the Certified Professional Midwife and examine the history purposes complexities and the political strife that has characterized the evolution of midwifery in America Including detailed case studies the book looks at the efforts of direct entry midwives to achieve legalization and licensure in seven states New York Florida Michigan Iowa Virginia Colorado and Massachusetts with varying degrees of success
