## **Many Tender Ties:**

**Many Tender Ties** Sylvia Van Kirk, 1983 Beginning with the founding of the Hudson's Bay Company in 1670 the fur trade dominated the development of the Canadian west Although detailed accounts of the fur trade era have appeared until recently the rich social history has been ignored In this book the fur trade is examined not simply as an economic activity but as a social and cultural complex that was to survive for nearly two centuries The author traces the development of a mutual dependency between Indian and European traders at the economic level that evolved into a significant cultural exchange as well Marriages of fur traders to Indian women created bonds that helped advance trade relations As a result of these many tender ties there emerged a unique society derived from both Indian and European culture "Many Tender Ties" Sylvia Van Kirk, 1980 The role of Indian mixed blood and white women in the fur trade is analyzed *Many tender ties* Sylvia Van Kirk, 1980

**The Cadottes** Robert Silbernagel, 2020-05-13 The Great Lakes fur trade spanned two centuries and thousands of miles but the story of one particular family the Cadottes illuminates the history of trade and trapping while exploring under researched stories of French Ojibwe political social and economic relations Multiple generations of Cadottes were involved in the trade usually working as interpreters and peacemakers as the region passed from French to British to American control Focusing on the years 1760 to 1840 the heyday of the Great Lakes fur trade Robert Silbernagel delves into the lives of the Cadottes with particular emphasis on the Ojibwe French Canadian Michel Cadotte and his Ojibwe wife Equaysayway who were traders and regional leaders on Madeline Island for nearly forty years In *The Cadottes A Fur Trade Family on Lake Superior* Silbernagel deepens our understanding of this era with stories of resilient remarkable people

**Women in Pacific Northwest History** Karen J. Blair, 2016-06-01 This new edition of Karen Blair's popular anthology originally published in 1989 includes thirteen essays eight of which are new Together they suggest the wide spectrum of women's experiences that make up a vital part of Northwest history

**Masters and Servants** Scott P. Stephen, 2020-01-09 Stephen offers fresh insight into the path a historic fur trading business took to become one of Canada's most recognizable retailers Literary Review of Canada In *Masters and Servants* Scott P. Stephen reveals startling truths about Hudson's Bay Company HBC workers Rather than dedicating themselves body and soul to the Company's interests these men were hired like domestic servants joining a household with its attendant norms of duty and loyalty The household system produced a remarkably stable political economic entity connecting early North American resource extraction to larger trends in British imperialism Through painstaking research Stephen shines welcome light on the lives of these largely overlooked individuals An essential book for labor historians *Masters and Servants* will appeal to scholars of early modern Britain the North American fur trade Western social history business history and anyone intrigued by the reach of the HBC Blacksmiths bookkeepers loggers tanners coopers cooks sail makers interpreters surveyors clergy the list goes on as Stephen

marches us through the lives of the early Hudson's Bay worker The Ormsby Review Overall the book reflects the work of a historian comfortable with the hard work of archival research and with an eye for detail and insightful quotations In many respects it does for Hudson's Bay Company employees what Carolyn Podruchny's *Making the Voyageur World* did for employees of the Montreal based fur trade companies in recreating their values worldview and distinctive work environment

Michael Payne *Prairie History: The Lochaber Emigrants to Glengarry* R.B. Fleming, 1994-06-30 For anyone interested in the history of the Scottish people in Scotland and North America this book is essential reading In Canada and the United States today there are tens of thousands of descendants of Highland Scots who left Lochaber around 1800 to settle in Glengarry County This book deals with the conditions in Scotland before migration settlement experiences in Glengarry and the spread of these Scots Canadians from Glengarry to the American and Canadian wests There are fur trade and M'tis connections and even ties with the Caribbean As well as colourful articles this book contains a wealth of genealogical information family trees maps photographs and other illustrations

*Rethinking Feminist History and Theory* Lisa Pasolli, Julia Smith, 2025-01-31 *Rethinking Feminist History and Theory* considers the past present and future of feminist history and theory emphasizing how feminism has influenced the histories of gender class and labour and their intersections This vibrant collection inspired by the work of historian and women's studies scholar Joan Sangster features essays from academics across multiple disciplines highlighting the dynamism of feminist historical scholarship in Canada The book explores questions such as the following How has women's resistance and radicalism been expressed lived represented and repressed over the past century How do we research these phenomena How do we situate feminism in relation to other movements for egalitarian social change Contributors explicitly address these recurring themes aiming to chart new directions for future research and teaching While primarily Canadian focused the collection includes global perspectives with contributions from scholars in Chile Finland Sweden and the UK The essays emphasize the importance of cross disciplinary collaboration incorporating insights from labour studies political economy anthropology legal studies and feminist theory Ultimately *Rethinking Feminist History and Theory* engages deeply with Sangster's rich and wide ranging work to understand and interpret women's experiences It seeks to inspire future scholarship and teaching in feminist history and theory showcasing the ongoing relevance and adaptability of feminist perspectives

***In/visible Sight*** Angela Wanhalla, 2015-12-24 *In visible Sight* is a fascinating exploration of a little known part of our history the lives of part M ori part P keh New Zealanders in the nineteenth century Focussing on interracial intimacy between Ng i Tahu and P keh settlers it explores how intermarriage played a key role in shaping colonial encounters As Ng i Tahu sought to fight the alienation of their land and protect their natural resources marriage practices and kinship networks became an increasingly important way to control interaction with P keh The book also explores the contradictions and ambiguities of mixed descent lives offering new insights into New Zealand's colonial past

*Heirs of an Ambivalent Empire* Scott Berthelette, 2022-07-19 The

fur trade was the heart of the French empire in early North America The French Canadian Canadien men who traversed the vast hinterlands of the Hudson Bay watershed trading for furs from Indigenous trappers and hunters were its cornerstone Though the Canadiens worked for French colonial authorities they were not unwavering agents of imperial power Increasingly they found themselves between two worlds as they built relationships with Indigenous communities sometimes joining them through adoption or marriage raising families of their own The result was an ambivalent empire that grew in fits and starts It was guided by imperfect information built upon a contested Indigenous borderland fragmented by local interests and periodically neglected by government administrators Heirs of an Ambivalent Empire explores the lives of the Canadiens who used family and kinship ties to navigate between sovereign Indigenous nations and the French colonial government from the early 1660s to the 1780s Acting as cultural intermediaries the Canadiens made it possible for France to extend its presence into northwest North America Over time however their uncertain relationships with the French colonial state splintered imperial authority leading to an outcome that few could have foreseen the emergence of a new Indigenous culture language people and nation the M tis

**Best Left as Indians** Kenneth Coates,1993 Barely a hundred and fifty years have passed since the first white people arrived at the upper Yukon River basin During this time many non Natives have come and gone and some have stayed Ken Coates examines the interaction between Native people and whit

**Shadowing the White Man's Burden** Gretchen Murphy,2010-05-03 During the height of 19th century imperialism Rudyard Kipling published his poem The white man s burden While some of his American readers argued that the poem served as justification for imperialist practices others saw Kipling s satirical talents at work and read it as condemnation The author explores this tension embedded in the notion of the white man s burden to create a historical frame for understanding race and literature in America She maintains that literature symptomized and channeled anxiety about the racial components of the U S world mission while also providing a potentially powerful medium for multiethnic authors interested in redrawing global color lines She identifies a common theme in the writings of African Asian and Native American authors who exploited anxiety about race and national identity through narratives about a multiracial U S empire

Crime and Deviance in Canada Chris McCormick,Christopher Ray McCormick,Len Green,2005 This unique and timely reader brings together twenty four of the very best and most controversial readings on the history of crime deviance and criminal justice in Canada This text is ideal for use in courses on introductory criminology crime and deviance or the Canadian justice system particularly those with an historical component The theme of power relations is a very strong unifying element that is relations of gender social class ethnicity and age Through such topics as prostitution prohibition youth courts and the regulation of sexuality we can trace these relations of power and how they link to the definition of crime in society

**A Troubled Marriage** Sean F. McEnroe,2020-04 A Troubled Marriage describes the lives of native leaders whose resilience and creativity allowed them to survive and prosper in the traumatic era of European conquest and colonial rule They served as soldiers scholars artists

artisans and missionaries within early transatlantic empires and later nation states These Indian and mestizo men and women wove together cultures shaping the new traditions and institutions of the colonial Americas In a comparative study that spans more than three centuries and much of the Western Hemisphere McEnroe challenges common assumptions about the relationships among victors vanquished and their shared progeny

### **Reflections on Native-newcomer Relations**

James Rodger Miller, 2004-01-01 The twelve essays that make up *Reflections on Native Newcomer Relations* illustrate the development in thought by one of Canada's leading scholars in the field of Native history J R Miller The collection comprising pieces that were written over a period spanning nearly two decades deals with the evolution of historical writing on First Nations and Métis methodological issues in the writing of Native newcomer history policy matters including residential schools and linkages between the study of Native newcomer relations and academic governance and curricular matters Half of the essays appear here in print for the first time and all use archival published and oral history evidence to throw light on Native Newcomer relations Miller argues that the nature of the relationship between Native peoples and newcomers in Canada has varied over time based on the reasons the two parties have had for interacting The relationship deteriorates into attempts to control and coerce Natives during periods in which newcomers do not perceive them as directly useful and it improves when the two parties have positive reasons for cooperation *Reflections on Native Newcomer Relations* opens up for discussion a series of issues in Native newcomer history It addresses all the trends in the discipline of the past two decades and never shies from showing their contradictions as well as those in the author's own thinking as he matured as a scholar

**Reading Canadian Women's and Gender History** Nancy Janovicek, Carmen Nielson, 2019-01-01 Inspired by the question of what's next in the field of Canadian women's and gender history this broadly historiographical volume represents a conversation among established and emerging scholars who share a commitment to understanding the past from intersectional feminist perspectives It includes original essays on Quebecois Indigenous Black and immigrant women's histories and tackles such diverse topics as colonialism religion labour warfare sexuality and reproductive labour and justice Intended as a regenerative retrospective of a critically important field this collection both engages analytically with the current state of women's and gender historiography in Canada and draws on its rich past to generate new knowledge and areas for inquiry

### **Empires, Nations, and Families**

Anne Farrar Hyde, 2011-07-01 To most people living in the West the Louisiana Purchase made little difference the United States was just another imperial overlord to be assessed and manipulated This was not as *Empires Nations and Families* makes clear virgin wilderness discovered by virtuous Anglo entrepreneurs Rather the United States was a newcomer in a place already complicated by vying empires This book documents the broad family associations that crossed national and ethnic lines and that along with the river systems of the trans Mississippi West formed the basis for a global trade in furs that had operated for hundreds of years before the land became part of the United States *Empires Nations and Families* shows how the world of river and maritime trade effectively

shifted political power away from military and diplomatic circles into the hands of local people Tracing family stories from the Canadian North to the Spanish and Mexican borderlands and from the Pacific Coast to the Missouri and Mississippi rivers Anne F Hyde s narrative moves from the earliest years of the Indian trade to the Mexican War and the gold rush era Her work reveals how in the 1850s immigrants to these newest regions of the United States violently wrested control from Native and other powers and how conquest and competing demands for land and resources brought about a volatile frontier culture not at all the peace and prosperity that the new power had promised Contours of a People Nicole St-Onge,Carolyn Podruchny,Brenda Macdougall,2014-12-18 What does it mean to be Metis How do the Metis understand their world and how do family community and location shape their consciousness Such questions inform this collection of essays on the northwestern North American people of mixed European and Native ancestry who emerged in the seventeenth century as a distinct culture Volume editors Nicole St Onge Carolyn Podruchny and Brenda Macdougall go beyond the concern with race and ethnicity that takes center stage in most discussions of Metis culture to offer new ways of thinking about Metis identity Geography mobility and family have always defined Metis culture and society The Metis world spanned the better part of a continent and a major theme of Contours of a People is the Metis conception of geography not only how Metis people used their environments but how they gave meaning to place and developed connections to multiple landscapes Their geographic familiarity physical and social mobility and maintenance of family ties across time and space appear to have evolved in connection with the fur trade and other commercial endeavors These efforts and the cultural practices that emerged from them have contributed to a sense of community and the nationalist sentiment felt by many Metis today Writing about a wide geographic area the contributors consider issues ranging from Metis rights under Canadian law and how the Library of Congress categorizes Metis scholarship to the role of women in maintaining economic and social networks The authors emphasis on geography and its power in shaping identity will influence and enlighten Canadian and American scholars across a variety of disciplines Women Writing Home, 1700-1920 Vol 3 Klaus Stierstorfer,Deirdre Coleman,Cecily Devereux,Susan Clair Imbarrato,Charlotte J Macdonald,2024-08-23 Assembles a range of women s letters from the former British Empire These letters written home are not only historical sources they are also representations of the state of the Empire in far off lands sent home to Britain and occasionally other centres established as home
