## Many Voices:

Many Texts, Many Voices Penny Silvers, Mary C. Shorey, 2012 On any given day a visitor to Mary Shorey's classroom will find elementary students using a variety of learning tools from books to wikis and blogs to pose critical questions about the world and take action to make a difference in the lives of others Whether sponsoring a book drive for victims of Hurricane Katrina using a multimedia presentation to persuade the principal to adopt their recycling plan or challenging a senior citizen's eviction it's all in a day's work for Mary's students Her young learners are becoming conscious consumers creative thinkers and effective communicators even while fulfilling the mandated curriculum and Common Core Standards As Shorey and coauthor Penny Silvers write in *Many Texts Many Voices* Critical literacy requires that the reader consumer examine multiple perspectives and ask Whose interests are being served and Whose voice is heard or silenced Rather than an addition to a lesson or curriculum critical literacy is a way of thinking communicating analyzing and living a literate life Critical literacy also implies the possibility of taking some kind of social action in order to support a belief make a difference or simply help during a time of need Always mindful of what is appropriate for young children Shorey and Silvers continually search for opportunities to embed critical literacy and inquiry in the everyday lives of primary students Through a rich array of rubrics sample lessons text sets unit designs and professional resources Silvers and Shorey share their reflective practices so that all teachers can use print visual and digital tools to transform student learning

*The Bible's Many Voices* Michael Carasik, 2014-01-01 The most common English translations of the Bible often sound like a single somewhat archaic voice In fact the Bible is made up of many separate books composed by multiple writers in a wide range of styles and perspectives It is as Michael Carasik demonstrates not a remote text reserved for churches and synagogues but rather a human document full of history poetry politics theology and spirituality Using historic linguistic anthropological and theological sources Carasik helps us distinguish between the Jewish Bible's voices the mythic the historical the prophetic the theological and the legal By articulating the differences among these voices he shows us not just their messages and meanings but also what mattered to the authors In these contrasts we encounter the Bible anew as a living work whose many voices tell us about the world out of which the Bible grew and the world that it created

Crowman David Rae, 2020-03-13 Touch the light Hold the light The light burns The light runs away Hold the light Lock the light away The great spirit Vatu keeps the Sun in a box where no thief can steal it

Once a year the box is opened and life springs across the dark lands The whole world belongs to Vatu He is darkness he is master of all There is no hiding from him But Utas must try for his daughter s sake She is sick from darkness and yet she glows with a mysterious light If Vatu can find them he will destroy them or worse drag them back into his mad dark world Torn between duty and mercy between justice and freedom Utas tries to escape but it seems inevitable that the darkness will reclaim him For the greatest mercy and the greatest punishment Utas can suffer is to return to his true self **Vanishing**

**Voices** Katarzyna Dudek,2020-01-15 The nature of silence is hard to grasp This book serves to systematize this concept and explore it in the works of three major poets of religious experience namely Gerard Manley Hopkins T S Eliot and R S Thomas Since these poets worked within a Christian framework the silences they refer to are mainly those emerging in the context of the relationship between God and man in a post Christian climate The book s textual analyses place special attention on the dynamics between thematic and structural manifestations of silence and are situated at the crossroads of the poetics philosophy and theology In this first study bringing together the poetry of Hopkins Eliot and Thomas the three poets each in his unique way emerge as poetic ministers practitioners and producers of silence who try to find a new language to talk about the Ineffable God and one s experience of the divine **Scale-Up in Education** Barbara Schneider,Sarah-Kathryn
