

CANADIAN WOMEN'S AUTOBIOGRAPHY

Just as a child might realize his separateness by seeing his reflection in a mirror, so we all, as human beings, begin our development when we begin to use language as a "mirror" of ourselves. But like the mirror which offers not the body itself but a two-dimensional image, so language offers us a false self. Language is a veil, and through language we are confined. The image is a self-invented world.
