The Whole Story John E. Simkin,1996 This work is the only comprehensive guide to sequels in English with over 84 000 works by 12 500 authors in 17 000 sequences Science Fiction, Fantasy & Horror ,1991 A comprehensive bibliography of books and short fiction published in the English language The Conspiracy of the Prince of Macchia & G. of the Prince of Macchia Giambattista Vico was not among the claimants to the authorship of the fabulous story that changed the future of the Kingdom of Naples Nevertheless four scholars across the nineteenth and twentieth centuries were themselves convinced and managed to convince the intellectual world as well that Vico then a young teacher of rhetoric at the University of Naples was indeed the source of this original Latin narration of this oft retold Neapolitan history This book provides the original Latin text with a parallel translation as well as historical context and analysis of both the text s authorship history and the account itself
