Marble And Bronze The Art And Life Of Hamo Thornycroft:

Marble & Bronze Elfrida Manning,1982 **Public Sculpture of Staffordshire and the Black Country** George Thomas Noszlopy,Fiona Waterhouse,2005-01-01 The Black Country is an area historically known as the cradle of the Industrial Revolution a thriving region built around deep coal seams conjuring up images of fiery red furnaces by night and black sooty citadels by day Yet today the resource rich region also features many striking public sculptures This volume provides a comprehensive catalog to all of the historic sculptures and public monuments in Staffordshire and the Black Country George Noszlopy and Fiona Waterhouse catalog each individual sculpture in detail including information about the sculptor the sculpture s historical and artistic significance the commissioning agent and the date of installation The volume also features 350 black and white photographs that document the diverse and rich beauty of the region s public monuments The ninth volume in the widely acclaimed award winning Public Sculpture of Britain series Public Sculpture of Staffordshire and the Black Country is an invaluable resource for British historians art scholars and travelers alike **Queen Boudica and Historical Culture in Britain** Martha Vandrei,2018 Taking a long chronological view and a wide ranging interdisciplinary approach this is an innovative and distinctive book It is the definitive work on the posthumous reputation of the ever popular warrior queen of the Iceni Queen Boadicea Boudica exploring her presence in British historical discourse from the early modern rediscovery of the works of Tacitus to the first historical films of the early twentieth century In doing so the book seeks to demonstrate the continuity and persistence of historical ideas across time and throughout a variety of media This focus on continuity leads into an examination of the nature of history as a cultural phenomenon and the implications this has for our own conceptions of history and its role in culture more generally While providing contemporary contextual readings of Boudica s representations Martha Vandrei also explores the unique nature of historical ideas as durable cultural phenomena articulated by very different individuals over time all of whom were nevertheless engaged in the creative process of making history Thus this study presents a challenge to the axioms of cultural history new historicism and other mainstays of twentieth and twenty first century historical scholarship It shows how long before professional historians sought to monopolise historical practice audiences encountered visions of past ages created by antiquaries playwrights poets novelists and artists all of which engaged with articulated and even defined the meaning of historical truth This book argues that these individual depictions variable audience reactions and the abiding notion of history as truth constitute the substance of historical culture *British Sculptors of the Twentieth Century* Alan Windsor,2020-09-10 This title was first published 2003 In the twentieth century Britain was rich in artistic achievement especially in sculpture Just some of those working in this field were Jacob Epstein Henri Gaudier Brzeska Henry Moore Barbara Hepworth Anthony Caro Richard Long Mona Hatoum and Anish Kapoor The work of these and other known and less well known artists has an astonishing variety and expressive power a range and strength that has placed Britain at the hub of the artistic world Alan Windsor has compiled

a concise biographical dictionary of sculpture in Britain in book form Richly informative and easy to use this guide is an art lover's and expert's essential reference Written by scholars the entries are cross referenced and each concise biographical outline provides the relevant facts about the artist's life a brief characterization of the artist's work and where appropriate major bibliographical references

Boudica and Her Stories Carolyn D. Williams, 2009 This is the first book to concentrate exclusively on texts about Boudica and to cover the full chronological range from the first surviving historical account by Tacitus in AD 98 to the triumphant conclusion of Manda Scott's series of novels in 2006 All our knowledge of the ancient British queen Boudica and her ferocious yet ultimately unsuccessful rebellion against the Romans is derived from a few accounts in ancient Greek and Latin Yet they have inspired a flood of history fictional narrative drama and poetry and there is no indication that the process has ended This study illuminates and celebrates the rich variety generated by the creative tensions between writers knowledge and their individual tastes beliefs and political or artistic aims and considers whether Boudica's textual metamorphoses are without limits or variations on a distinctive theme bounded by a flexible yet enduring narrative pattern Book Jacket

Alfred Gilbert's Aestheticism Jason Edwards, 2017-07-05 Alfred Gilbert's Aestheticism presents the first sustained re evaluation of the life and work of one of the most acclaimed sculptors of the late Victorian period Drawing on important new archival sources this ground breaking study challenges the customary assumption that Aestheticism was primarily a literary painterly or architectural phenomena Jason Edwards reveals both the diverse ways in which Gilbert's sculptures operated within the context of Aestheticism and

also how these works provided a unique and provocative commentary on the history of masculine friendship and eroticism in the period leading up to and beyond the Wilde trials in 1895 Detailed readings are offered of the relationship of Gilbert's work to essays by Pater and Swinburne poems plays and novels by Wilde and W S Gilbert and paintings by Burne Jones Leighton Rossetti Solomon Whistler and Watts With over 90 illustrations including key contemporary photographs showing Gilbert's works in their original contexts this book makes a major contribution to the field of Victorian sculpture studies

Mercy and British Culture, 1760-1960 James Gregory, 2021-11-04 Spanning over 2 centuries James Gregory's *Mercy and British Culture 1760-1960* provides a wide reaching yet detailed overview of the concept of mercy in British cultural history While there are many histories of justice and punishment mercy has been a neglected element despite recognition as an important feature of the 18th century criminal code *Mercy and British Culture 1760-1960* looks first at mercy's religious and philosophical aspects its cultural representations and its embodiment It then looks at large scale mobilisation of mercy discourses in Ireland during the French Revolution in the British empire and in warfare from the American war of independence to the First World War This study concludes by examining mercy's place in a twentieth century shaped by total war atomic bomb and decolonisation

Nationalism and Classicism A. Leoussi, 1998-07-08 This is a comparative study of the national significance of the classical revival which marked English and French art during the second half of the nineteenth century It argues that the main focus of artists' interest in classical Greece was the body of the Greek athlete It explains this interest first by artists' contact with the art of Pheidias and Polyclethus which portrayed it and second by the claim made by physical anthropologists that the classical body typified the race of the European nations

Siegfried Sassoon Jean Moorcroft Wilson, 2020-11-25 This book encompasses the complete life and works of Siegfried Sassoon from his patriotic youth that led him to the frontline to the formation of his anti war convictions great literary friendships and flamboyant love affairs

After the Pre-Raphaelites Elizabeth Prettejohn, 1999 Victorian aestheticism is reinterpreted here as a significant exploration of what it might mean to produce works of art in the modern world This study addresses not only art for art's sake but its links with science and morality

Ekphrastic encounters David Kennedy, Richard Meek, 2018-12-05 This book offers a comprehensive reassessment of ekphrasis the verbal representation of visual art Ekphrasis has been traditionally regarded as a form of paragone competition between word and image This interdisciplinary collection of essays seeks to complicate this critical paradigm and proposes a more reciprocal model of ekphrasis that involves an encounter or exchange between visual and textual cultures This critical and theoretical shift demands a new form of ekphrastic poetics which is less concerned with representational and institutional struggles and more concerned with ideas of ethics affect and intersubjectivity *Ekphrastic encounters* brings together leading scholars working in the field of word and image studies and offers a fresh exploration of ekphrastic texts from the Renaissance to the present day Taken together the chapters establish a new set of theoretical frameworks for exploring the ekphrastic encounter

Alfred the Great: pocket GIANTS Barbara

Yorke,2015-06-01 Alfred is one of the most remarkable rulers of any time or place This clear readable and insightful book shows why Michael Wood Why is Alfred the Great A simple answer is that he has been seen as a man who saved England invented English identity and pioneered English as a written language He is the first Englishman for whom a biography survives so that we know more about Alfred and his ideals than we do for most people who lived over a thousand years ago A slightly longer answer would say that things are a bit more complicated and that one reason Alfred seems to be so great was that he made sure we were told that he was To get the measure of Alfred we need to look at what he actually managed to achieve Can we resurrect the real King Alfred There may be limits but even if we have to part company with some of the Victorian adulation we are still left with a pretty impressive and surprising person British Book News British Council,1982 Includes no 53a British wartime books for young people Alfred the Great Timothy Reuter,2017-05-15 1999 marked the eleven hundredth anniversary of the death of Alfred the Great and to mark this event two international conferences were held to re evaluate and contextualise Alfred s achievements and the developments of his reign This volume includes papers given at both events and provides substantial assessments by leading scholars of issues of source criticism of the large corpus of Old English literature associated with Alfred and of developments in government and society in late ninth century England It also explores how Alfred and his kingdom related to the wider geo political and cultural situation in the British isles and continental Europe and closes with a substantial survey of the uses and shifts in Alfred s reputation in the centuries following his death This substantial and wide ranging volume will become a standard reference work for anyone interested in Old English literature or Anglo Saxon history and will set the pattern of future scholarly debate *Sculpture in Britain Between the Wars* Benedict Read,Peyton Skipwith,1986 **Boudica** Richard Hingley,Christina Unwin,2006-06-21 Boudica or Boadicea queen of the Iceni led a famous revolt against Roman rule in Britain in AD 60 sacking London Colchester and St Albans and throwing the province into chaos Although then defeated by the governor Suetonius Paulinus her rebellion sent a shock wave across the empire Who was this woman who defied Rome Boudica Iron Age Warrior Queen is an account of what we know about the real woman from classical literature written for the consumption of readers in Rome and from the archaeological evidence It also traces her extraordinary posthumous career as the earliest famous woman in British history Since the Renaissance she has been seen as harridan patriot freedom fighter and feminist written about in plays and novels painted and sculpted and recruited to many causes She remains a tragic yet inspirational figure of unending interest

Siegfried Sassoon - The First Complete Biography of One of Our Greatest War Poets John Stuart Roberts,2015-02-28 Siegfried Sassoon is mostly remembered for the devastating poetry he wrote during World War One as a result of leading his troops over the top to certain death This episode in his life when he was sent to military hospital suffering from shell shock and his heroic return to the Front is covered extensively in his own writing and has overshadowed his later literary output But his more mature poetry is resuscitated in this sensitive exhaustively researched biography As well as recounting the

friendships Siggy famously had with fellow poets Robert Graves and Wilfred Owen Roberts delves into the more private arena of Sassoon's covert homosexuality and his ill-fated marriage. We learn about Sassoon the passionate golfer and bloodthirsty fox hunter all of which adds greater depth to this complex man. Roberts also digs deep into his subject's psyche to reveal a fixation with father figures which started during the War when he was under analysis and arose from the early death of his father and uncovers new sources of information concerning Sassoon's conversion to Catholicism. This fresh material means that the earlier life is somewhat neglected but then as Sassoon himself said 'My real biography is my poetry'.

Gerard Manley Hopkins and the Victorian Visual World Catherine Phillips, 2007-12-06. In her fascinating and beautifully illustrated book Catherine Phillips uses letters, new archival material and contemporary publications to reconstruct the visual world Gerard Manley Hopkins knew between 1862 and 1889 with its illustrated journals, art exhibitions, Gothic architecture, photographic shows and changing art criticism and to show how it was connected to the startling originality of his writing.
