history of 90s television and culture It will discuss everything from the BBC convincing him that Michael Parkinson had been possessed by a ghost to Josh s belief that Mr Blobby is one of the great comic characters to what it s like being the only vegetarian child west of Bristol It tells the story of the end of an era the last time when watching television was a shared experience for the family and the nation before the internet meant everyone watched different things at different times on different devices headphones on to make absolutely sure no one else could watch it with them **Adventures in Booga**

Booga Land Richard Milner,2010-10-19 Open the doors to a new land Meet two high spirited best buddies Marty the Monkey and Gerard the Giraffe as they live out 23 biblical parables in a thrilling adventurous fashion The excitement never stops from the minute Gerard leaves his hometown of Toosmallforme and soon catches Marty who is falling from the sky after playing with the latch on the exit door of an airplane They bounce from venture to venture presenting the message of Jesus Christ in a clear and challenging format for both children and adults As you meet Bob the president of Booga Booga Land Squid Sushi and Slim and Sam Pickens Adventures in Booga Booga Land will captivate you with its humor and truths as our heroes set sail for Gloryland and challenge you to do the same Previously Published as The Adventures of Marty the Monkey and Gerard The Giraffe **St Peter's**

Keith Miller,2010-12-09 The story of St Peter s begins in the 1st century CE with the Hippodrome of Nero one of two places where the Apostle Peter may have been crucified 250 years later Constantine the Great marked the supposed site of Peter s tomb in an ancient cemetery with a great basilica That in turn was replaced over a hundred year period by a series of competitive renaissance and baroque Popes using the greatest artists of their day all seeking to leave their mark on St Peter s Here Keith Miller offers a rewarding account of a world famous building who built it what it looks like and why and how it affects the tourist or pilgrim An intricate history telling biography and the study of great art and architecture all play their part in a book that is a brilliant debut *Pompeii Awakened* Judith

Harris,2014-10-28 The rediscovery of the Roman cities overwhelmed by the rage of Vesuvius is one of history s most extraordinary adventure stories Pompeii Awakened revels in that adventure and tells of the re emergence of a long vanished cosmopolis which profoundly inspired a later age from its arts and architecture to its science sex and religion When Herculaneum Pompeii s sister in disaster was located in 1709 that first discovery launched a frenzied scramble for buried treasure Then in 1755 Pompeii too rose from its crust of volcanic rock and the science of archaeology was born Whereas Herculaneum had artistic political and philosophical impact the later discoveries at Pompeii spoke rather of domesticity of cuisine and household architecture tools gardens and religion To this day it is the only site to show what daily life was like in antiquity However the full story of Pompeii consists not just in its uniquely preserved classical villas and votives but in the powerful response it evoked in the European cultural imagination Here are the English whose wealth wet weather and classical education fostered a passion for Naples and its rediscovered cities We read of Sir William Hamilton discussing priapic cults with his near neighbour the dilettante Richard Payne Knight and of how the famous love affair of Emma

Hamilton and Admiral Nelson saved the Herculaneum papyri from the French Here too are the hosts who arrived from across Europe and then from America engineers and artists dreamers and poets photographers and cinematographers whose reconstructions and remembrances of Pompeii have never ceased to resonate Judith Harris brings the doomed city vibrantly to life Pompeii breathes again through her account of the diverse people who sifted through its remains to catch a glimpse of themselves in the past From the poetic souls who found a majestic melancholy in Pompeii's shattered walls to the tub thumping Victorian preachers who denounced the city as akin to Sodom and Gomorrah Pompeii Awakened uncovers many fascinating stories of sex science love and death The author has spoken to experts on three continents flown over Pompeii in a hot air balloon delved into ancient diaries and descended deep underground to assess the latest discoveries of a lost world As the sleeping city re awakens in her hands Pompeii casts its spell once more bewitching those who seek to unearth its buried secrets
