## **Marc Antony:**

**The Life and Times of Marc Antony** Arthur Weigall, 2014-04-07 Mark Antony 83 50 B C is one of the most unique and best known figures of antiquity a man whose relationships with some of history's giants ensured his own legacy A protégé of Julius Caesar's a lover of Cleopatra's a sworn enemy of Cicero's and a foil for Octavian Antony has long been remembered for the role he played in others' lives more than for his own accomplishments Fittingly and ironically Antony might be best remembered today for the words Shakespeare put in his mouth for Caesar's eulogy While Antony's relationships with Rome's most famous leaders and history's most famous woman were central components in his lives the fact that his legacy has been intertwined with them belies the fact that he was a powerful man in his own right Coming up as a capable and competent military man who Caesar trusted as his right hand Antony parlayed that into governing Rome itself while Caesar fought Pompey After Caesar's assassination in 44 B C Antony deftly navigated from tenuous footing as a declared enemy of the state to become one of Rome's two most powerful leaders arguably its most powerful in just a matter of years outmaneuvering and getting the best of enemies like Brutus and Cicero At the same time Antony was notorious in his own time for his voracious appetite for vice and the branding of him as a boor has persisted for over 2 000 years Of course Antony's relationship with Cleopatra has become the stuff of legends and one of history's most famous love stories but even that was a byproduct of the fact that Antony ruled the eastern third of the Roman Empire as triumvir Had Octavian and fate not caught up with him at the Battle of Actium one of the most famous naval battles ever history might have been very different Marc Antony Mary Kittredge, 1988 A biography of the Roman general orator and statesman who after the death of Julius Caesar formed an uneasy alliance with Caesar's heir Octavian and ruled the eastern half of the Empire **Mark Antony** Eleanor Goltz Huzar, 1978 *the Life and Times of Marc Anthony* Arthur Weigall, 1931 **The Life and Times of Marc Antony** Arthur Weigall, 2023-07-18 Marc Antony is one of the most fascinating figures in Roman history In this comprehensive biography Arthur Weigall provides a detailed account of Antony's life and times from his early days as a soldier to his rise to prominence in the Roman Empire With an expert eye for detail and a deep understanding of the historical context Weigall provides valuable insights into the personality and motivations of this enigmatic figure This book is an essential addition to any Roman history enthusiast's collection This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Antony & Cleopatra** Patricia Southern, 2009-05-15 The tragic love affair of Marc Antony and Cleopatra is a staple of popular ancient history immortalised

by Shakespeare and Hollywood and mercilessly parodied in Carry on Cleo      **Mark Antony** Paolo de Ruggiero,2014-02-12 Mark Antony was embroiled in the tumultuous events of the mid 1st century BC which saw the violent transformation from the Roman Republic to the Roman Empire After being defeated by Augustus he has often been characterized by hostile historians as a loyal henchman of his uncle Julius Caesar but without the guile and vision to attain greatness in his own right hence Shakespeare casts him as a plain blunt man whom Caesar s assassins don t think it worthwhile to kill In his infamous alliance and love affair with Cleopatra of Egypt he is also often seen as duped and manipulated by a sharper mind Despite this there is no doubt Antony was a capable soldier He first saw action leading a cavalry unit in Judaea before giving valuable service to Julius Caesar in Gaul He again served with distinction and led Caesar s right wing at the climactic battle of Pharsalus and he was decisive in the defeat of the conspirators at Philippi which ended 100 years of Civil wars But Paolo de Ruggiero reassesses this pivotal figure analyses the arguments of his many detractors and concludes that he was much more than a simple soldier revealing a more complex and significant man and a decisive agent of change with a precise political vision for the Roman world      Vestal Virgins, Sibyls, and Matrons Sarolta A. Takács,2010-01-01 A fascinating exploration of women s role in Roman religion that facilitates a better understanding of their importance in Rome s cultural formation Roman women were the procreators and nurturers of life both in the domestic world of the family and in the larger sphere of the state Although deterred from participating in most aspects of public life women played an essential role in public religious ceremonies taking part in rituals designed to ensure the fecundity and success of the agricultural cycle on which Roman society depended Thus religion is a key area for understanding the contributions of women to Roman society and their importance beyond their homes and families In this book Sarolta A Takács offers a sweeping overview of Roman women s roles and functions in religion and by extension in Rome s history and culture from the republic through the empire She begins with the religious calendar and the various festivals in which women played a significant role She then examines major female deities and cults including the Sibyl Mater Magna Isis and the Vestal Virgins to show how conservative Roman society adopted and integrated Greek culture into its mythic history artistic expressions and religion Takács s discussion of the Bona Dea Festival of 62 BCE and of the Bacchantes female worshippers of the god Bacchus or Dionysus reveals how women could also jeopardize Rome s existence by stepping out of their assigned roles Takács s examination of the provincial female flaminiae and the Matres Matronae demonstrates how women served to bind imperial Rome and its provinces into a cohesive society      **The Book of Knowledge** Roman Harambura,2014-10-24 We all have questions Who actually built the pyramids What happens after we die Who created crop circles And why Nostradamus the Healer the Prophet the Man Cleopatra the women behind the legend Who actually controls humanity If Nikola Tesla was so important why is he so forgotten What is the purpose of life But who has the answers Without a doubt author Roman Harambura believes we hold the answers within our imagination the greatest gift of all The universe he explains is filled with life and human beings are

not alone Earth our home is simply one planet in a sky filled with thousands of universes each with the potential to harbor life beyond our human ability to understand If we can simply come to accept and embrace the fact that we are just one small part of the inconceivably vast miracle of life across the stars our own world would change Imagination in Harambura s experience is our greatest gift In his *The Book of Knowledge I Am Alien* he shares an eclectic and thought provoking array of ideas to inspire engage and capture your imagination As expressed by a being known as Kuntarkis the hundreds of lessons insights and experiences within are intended to instigate your own questions and journey of discovery Kuntarkis also answers questions submitted by people from all over the world This book is highly recommended for those who are seeking a broader understanding not just about their own lives but life in all aspects **Hands-On History--Ancient Rome** Garth Sundem,Kristi Pikiewicz,2014-01-01
