Marc Bolan Born To Boogie:

Marc Bolan Chris Welch, Simon Napier-Bell, 2008 Music **Born to Boogie** Marc Bolan, 2005 **T. Rex** John Robinson (Journalist), Michael Bonner (Journalist), 2021 Born to Boogie Carl Ewens, 2007 Marc Bolan's mind was unusual in the extreme and the sound of his music was equally unique and extraordinary What was the inspiration behind the peculiar musical avenues Bolan explored with first his far out hippy folk duo Tyrannosaurus Rex and later the irresistible boogie machine known as T Rex What were the antecedents of Marc's sound and the arcane influences on his fantastical lyrics This book explores the early beatnik attitudes of Marc's first musical experiments the increasing sound palette with which he explored the eastern mystical worldview of his Tyrannosaurus Rex albums and the motivations behind his rise to superstardom in the seventies his ascension to the throne left vacant by the Beatles and his eventual flirtation with fashion drugs and alienation Marc Bolan - Beautiful Dreamer John Bramley, 2017-09-14 Forty years after his tragic death this homage to Marc Bolan pays tribute to one of the pioneers of the glam rock movement Marc Bolan was the wizard who brought magic to rock music his heart beat to the rhythm of rock Moving from early folk influences and songs on the mythology of Tolkien he transformed himself into a unique sparkling and effervescent glam rock icon His boogie roots combined with Marc's own natural glitter dust and propelled him forward on an adventure with fortunes that were to ebb and flow over a decade His diamond studded halo was extinguished on 16 September 1977 at a time when his music was in the ascendancy The annals of history are strewn with stories of artists who passed away in shocking circumstances of those that died too young from substance abuse mysterious illnesses or even murder Sometimes the shock of their passing immediately elevates their standing in cultural memory and cements their work in a favourable light Marc Bolan died at twenty nine years of age in a tragic car crash an accident that could have been avoided However it took many years for people to start appreciating what Marc Bolan brought to a rock music scene in the early seventies which had stagnated in some corners after the explosion of creativity in the sixties Yet gradually acclaim has grown for how he enriched the period bringing colour and humour to an increasingly leaden genre Much like Hendrix before him and Cobain after him his natural charisma and striking beauty have underpinned his status as a dreamlike bard an enigmatic pin up whom boys wished they looked like and girls wished they were with Yet it was his scorching talent as a performer and songwriter which have formed the bedrock for longevity as a legend Including rare and unpublished photographs and works of Marc's own poetry this book is put together by a true original fan one who followed Marc Bolan on tour who bought every piece of vinyl he released and who was fortunate enough to have made Marc's acquaintance during the peak of his career Published forty years on from Bolan's death Beautiful Dreamer is unashamedly a book of love a book that every Marc Bolan fan will identify with because it paints a picture of the man that the fans idolised worshipped and continue to cherish to this day Marc Bolan and T. Rex Peter Gallagher, 2025-05-27 For many T Rex founder Marc Bolan remains forever frozen in time as the poster boy of glam the
