*Lee J. Cobb* Donald Dewey, 2014-02-18 For many of his theater contemporaries Lee J Cobb 1911 1976 was the greatest actor of his generation In Hollywood he became the definitive embodiment of gangsters psychiatrists and roaring lunatics From 1939 until his death Cobb contributed riveting performances to a number of films including Boomerang On the Waterfront The Brothers Karamazov 12 Angry Men and The Exorcist But for all of his conspicuous achievements in motion pictures Cobb s name is most identified with the character Willy Loman in the original stage production of Arthur Miller s Death of a Salesman 1949 Directed by Elia Kazan Cobb s Broadway performance proved to be a benchmark for American theater In Lee J Cobb Characters of an Actor Donald Dewey looks at the life and career of this versatile performer From his Lower East Side roots in New York City where he was born Leo Jacob to multiple accolades on stage and the big and small screens Cobb s life proved to be a tumultuous rollercoaster of highs and lows As a leading man of the theater he gave a

number of compelling performances in such plays as *Golden Boy* and *King Lear*. For the Hollywood studios Cobb fit the description of the character actor. No one better epitomized the performer who suddenly appears on the screen and immediately grabs the audience's attention. During his forty-five year career there wasn't a significant star from Humphrey Bogart and James Stewart to Paul Newman and Clint Eastwood with whom he didn't work. Cobb was also followed by controversy: he appeared before the House Un-American Activities Committee in the 1950s and was a witness to a movie set murder case in the 1970s. Through it all he never lost his taste for fast cars and gin rummy. A bear of a man with a voice that equally accommodated growls and sibilant sympathies, Cobb was undeniably an actor to be reckoned with. In this fascinating book Dewey captures all of the drama that surrounded Cobb both on screen and off. *Cinema '62* Stephen Farber, Michael McClellan, 2020-03-13 Challenging the common assumption that the early 1960s were a drab time for American film, this book makes the bold case that 1962 was a peak year for the movies, giving audiences a prime mix of adult artistic and uncompromising work from Hollywood veterans, hot young directors, and international auteurs. [TLA Film and Video Guide](#) David Bleiler, 1999 Detailed indexes by star, director, genre, country of origin, and theme. Lavishly illustrated with over 450 photos. Comprehensive selection of international cinema from over 50 countries. Over 9,000 films reviewed. Up to date information on video availability and pricing. Appendices with award listings, TLA Bests, and recommended films. **The Routledge Companion to European Cinema** Gábor Gergely, Susan Hayward, 2021-12-29 Presenting new and diverse scholarship, this wide-ranging collection of 43 original chapters asks what European cinema tells us about Europe. The book engages with European cinema that attends to questions of European colonial, racialized, and gendered power; seeks to decentre Europe itself, not merely its putative centres; and interrogate Europe's various conceptualizations from a variety of viewpoints. It explores the broad, complex, and heterogeneous communities produced in and by European films, taking in Kurdish Hollywood and Singapore cinema as comfortably as the cinema of Poland, Spanish colonial films, or the European gangster genre. Chapters cover numerous topics, including individual films, film movements, filmmakers, stars, scholarship, representations, and identities, audiences, production practices, genres, and more, all analysed in their contexts so as to construct an image of Europe as it emerges from Europe's film corpus. The Companion opens the study of European cinema to a broad readership and is ideal for students and scholars in film, European studies, queer studies, and cultural studies, as well as historians with an interest in audio-visual culture, nationalism, and transnationalism, and those working in language-based area studies. [James Stewart](#) Donald Dewey, 2014-04-03 In this penetrating and riveting biography of one of Hollywood's most beloved screen icons, Donald Dewey probes beneath Jimmy Stewart, the conservative image and ideal, to reveal James Stewart, the actor and the man. Through hundreds of interviews and in-depth analysis of his seventy-five films, the author assesses how the Hollywood man about town of the 1930s and 40s, Stewart's lovers included Ginger Rogers, Olivia de Havilland, and Marlene Dietrich, became the epitome of American family values, who remained married for forty-five

years and how the studio bred effervescent star of *It's a Wonderful Life* developed into the brilliant actor whose performances in films such as *Vertigo* and *Shenandoah* exposed a vulnerability unseen in his personal relationships With many insights into the turmoil of his private life the artistry behind his cinematic craft and his heroic military record in the Second World War Dewey gives us much more than a legend to love      *The Cambridge Companion to Modern Italian Culture* Zygmunt G. Barânski (ed), Rebecca J. West, 2001-08-16 This collection of essays provides a comprehensive account of the culture of modern Italy Contributions focus on a wide range of political historical and cultural questions The volume provides information and analysis on such topics as regionalism the growth of a national language social and political cultures the role of intellectuals the Church the left feminism the separatist movements organised crime literature art design fashion the mass media and music While offering a thorough history of Italian cultural movements political trends and literary texts over the last century and a half the volume also examines the cultural and political situation in Italy today and suggests possible future directions in which the country might move Each essay contains suggestions for further reading on the topics covered The Cambridge Companion to Modern Italian Culture is an invaluable source of materials for courses on all aspects of modern Italy      [TLA Video & DVD Guide 2004](#) David Bleiler, 2014-04-08 The TLA Film Video and DVD Guide 2004 is the absolutely indispensable guide to worthwhile cinema It includes over 10 000 entries on the best of film and video that a real film lover might actually want to see Unlike some of the other mass market guides that tend to be clogged with unenlightening entries on even more unenlightening films TLA focuses on independent foreign as well as the best of Hollywood to bring the cineaste an opinionated guide that is both fun to read and easy to use The guide includes Reviews of more than 10 000 entries Four detailed indexes by star director country of origin and theme More than 300 photos throughout A listing of all the major film awards of the past quarter century as well as TLA Bests and recommended films A comprehensive selection of cinema from over 50 countries From one of the finest names in video retailing and a growing rental chain comes the latest edition of one of the most respected film video and DVD guides The TLA Film Video and DVD Guide is perfect for anyone with an eclectic taste in cinema      **The New York Times Guide to the Arts of the 20th Century: 1900-1929**, 2002 Reviews news articles interviews and essays capturing 100 years of art architecture literature music dance theater film and television      **Italian Quarterly** Carlo Luigi Golino, 2005      *Derek Walcott: The Journeyman Years. Volume 2: Performing Arts* Christopher Balme, Gordon Collier, 2013-12-06 During the same period in which Derek Walcott was pouring immense physical emotional and logistical resources into the foundation of a viable first rate West Indian theatre company and continuing to write his inimitable poetry he was also busy writing newspaper reviews chiefly for the Trinidad Guardian His prodigious reviewing activity extended far beyond those areas with which one might most readily associate his interests and convictions As Gordon Rohlehr once presciently observed If one wants to see a quotidian workaday Walcott one should go back to his well over five hundred articles essays and reviews on painting cinema calypso

carnival drama and literature articles which reveal a rich various witty and scrupulous intelligence in which generous humour counterpoints acerbity These articles capture the vitality of Caribbean culture and shed additional light on the aesthetic preoccupations expressed in Walcott's essays published in journals The editors have examined the corpus of Walcott's journalistic activity from its beginnings in 1950 to its peak in the early 1970s and have made a generous selection of material from the Guardian along with occasional pieces from such sources as Public Opinion Kingston and The Voice of St Lucia Castries The articles in Volume 2 are organized as follows the performing arts general surveys of anglophone Caribbean drama theatre and society festivals theatre companies and productions British and American drama dance and music theatre Carnival and calypso and cinema screenings in Trinidad Volume 2 additionally contains an exhaustive annotated and cross referenced chronological bibliography of Walcott's journalism up to 1990 The co editor Christopher Balme has written a searching introductory essay on a central theme here a survey of West Indian theatre and Walcott's engagement with it particularly the idea of a National Theatre coupled with an illustrative discussion of the playwright's seminal dramatic spectacle Drums and Colours
