month trek that would come to be known as the Black March Two B 17 crew members a copilot and gunner trained together in Gulfport MS and in Fall 1944 were assigned to the longest serving and most decorated US bomb group in England However their paths then diverged The copilot flew thirty one missions until the war s end the gunner was shot down and captured on his very first combat mission These crew members both lived one through Thunderclap and one through the Black March and this is their story an account of both constant air combat and travail on the ground The copilot participated in the bombing of Dresden where he witnessed a city already too far destroyed to expend additional bombs The gunner survived the March and once time was up for Germany experienced a period in Soviet captivity This unique book on the Allied air campaign offers new insights into what our fliers truly saw and experienced during the war Living Rat! R. Jephson, Chris Jephson, 2017-11-21 The true story of a forty eight hour showdown and the desperate gamble that prevented the Desert Fox from reaching the Suez Canal and beyond Biographer Sir John Wheeler Bennett once wrote The actual turning of the tide in the Second World War may be accurately determined as the first week of July 1942 This book argues that the time may be even more exact about 2100 hours on July 2 1942 when Erwin Rommel s tanks withdrew for the first time since the fall of Tobruk on June 20 or arguably January 14 at El Agheila At dusk the day before Rommel had broken through the center of the British defenses at El Alamein His tanks had overwhelmed the gallant defense of the 18th Indian Infantry Brigade in Deir el Shein at the foot of the Ruweisat Ridge At that moment and for the next twelve hours there was no further organized defense between the spearhead of the Afrika Korps and Alexandria Throughout the next day only a handful of men and guns stood between Rommel and his prize In Cairo black clouds of smoke from burning files showed that many people believed Rommel would not stop short of the Suez Canal his stated objective But on July 3 Rommel called off his attack and ordered his troops to dig in where they stood The Delta was saved Just a few weeks earlier the 18th Indian Infantry Brigade which took the brunt of the initial attack and the guns of the small column known as Robcol that stopped Rommel had been in northern Iraq Gen Auchinleck's desperate measure pulling them 1 500 miles from Iraq into the western desert succeeded but if Robcol had

failed it is doubtful that Rommel would have stopped at the canal it does not require much imagination to see his forces threatening to link up with Barbarossa in the Ukraine This vivid account of the battle of Ruweisat Ridge the beginning of the battle of Alamein was written by an officer who was part of Robcol on that fateful day **Sound effects** Laura Jayne Wright,2023-06-27 This book shows that the sounds of the early modern stage do not only signify but are also significant Sounds are weighted with meaning offering a complex system of allusions Playwrights such as Jonson and Shakespeare developed increasingly experimental soundscapes from the storms of King Lear 1605 and Pericles 1607 to the explosive laboratory of The Alchemist 1610 Yet sound is dependent on the subjectivity of listeners this book is conscious of the complex relationship between sound as made and sound as heard Sound effects should not resound from scene to scene without examination any more than a pun can be reshaped in dialogue without acknowledgement of its shifting connotations This book listens to sound as a rhetorical device able to penetrate the ears and persuade the mind to influence and to affect

Matthews, 2014-04-04 General Henry Lockwood of Delaware Shipmate of Melville Co builder of the Naval Academy Civil War Commander depicts the fascinating and accomplished life of nineteenth century Delaware son Brig Gen Henry Lockwood Excerpt for a leave of absence to fight as a Union general during the Civil War Lockwood was a U S Navy professor of mathematics from 1841 1876 serving on the USS United States in the Pacific at the Asylum Naval School at the U S Naval Academy and the U S Naval Observatory Lockwood sailed aboard the U S Navy frigate United States participating in Commodore Thomas Catesby Jones s seizure of Monterey from Mexico and figuring importantly in shipmate Herman Melville's novel White Jacket Later he was a co builder of the U.S. Naval Academy at Annapolis During the Civil War Lockwood pacified the slavery bound Delmarva peninsula and commanded a brigade at Gettysburg the Maryland Heights at Harper's Ferry the Middle Department 8th Corps and a division at Cold Harbor All these accomplishments occurred in the face of Lockwood's tendency to stutter which afflicted him throughout his life This book also takes note of family members such as his son Lieut James Lockwood who died of starvation during the Greely polar expedition after having reached the furthest point north of any human brother Navy Surgeon John Lockwood whose essays in conjunction with Melville s White Jacket were major factors in outlawing punitive flogging in the Navy and son in law Adam Charles Sigsbee who was in command of the USS Maine when it blew up in Havana Harbor Several pivotal events in Lockwood's life have unjustly led to his historical neglect Here Matthews finally gives Lockwood his due **Tennessee Thunder** Daniel Korn, 2017-03-01 Everyone has heard of Gettysburg but for sheer ferocity of fighting it is tough to match the horrendous stories of what happened in the fight for Tennessee in the battles of Stones River and Chickamauga This is the story of two very different armies and their equally different commanders The Union s Army of the Cumberland led by the charismatic but highly excitable William Starke Rosecrans faced off against the Confederate Army of Tennessee and their hot tempered and irascible commander Braxton Bragg and neither side was willing to back off As 1862 ends and the birth of a new year of the war looms on the horizon an end to the bloodletting is nowhere in sight It was a year that had just seen the April horrific fight at Shiloh the incredible ineptness of McClellan in the Peninsula Seven Days Campaign the September bloodbath known as Antietam and President Lincoln's launch of a huge gamble in the Emancipation Proclamation all followed by the near disaster for the Union at Fredericksburg It would be followed by a year that would see death destruction and a level of ferocity in

warfare on a scale never before seen on the American continent Of all the major battles of the Civil War Stones River had the highest percentage of casualties on both sides Although the battle itself was inconclusive the Union Army's repulse of two Confederate attacks and the subsequent Confederate withdrawal were a much needed boost to Union morale after the defeat at the Battle of Fredericksburg and it dashed Confederate aspirations for control of Middle Tennessee Names such as the Dragon's Teeth Slaughter Pen the Round Forest and the Orphans Brigade would enter the American lexicon The battle was very important to Union morale as evidenced by Abraham Lincoln's letter to General Rosecrans You gave us a hard earned victory which had there been a defeat instead the nation could scarcely have lived over The Confederate threat to Kentucky and Middle Tennessee had been nullified and Nashville was secure as a major Union supply base for the rest of the war The two armies would come back after a spring and summer 1863 series of moves and counter moves after Stones River and it would culminate later in September 18 20 1863 in the Battle of Chickamauga The fight marked the end of a Union offensive in southeastern Tennessee and northwestern Georgia called the Chickamauga Campaign The battle was the most significant Union defeat in the Western Theater of the American Civil War and involved the second highest number of casualties in the war following the Battle of Gettysburg Names such as Snodgrass Hill The Rock of Chickamauga and Horseshoe Ridge would join with other famous American fight names such as the Hornet's Nest and Bloody Lane It was the first major battle of the war that was fought in Georgia and would be the last major victory for the Confederacy in the West This is the story of individuals men like Rosecrans and Bragg but also of George Thomas who will demonstrate his rock like steadiness in strife and the fiery combative leadership of a Philip Sheridan It is the story of the compassion and care for his men of a John Breckinridge and the steadfast resoluteness of a Mary Walker to prove that a woman can be as capable as any man as a doctor on a battlefield It is the stories of Ben Helm Lincoln's brother in law Hans Christian Heg the towering leader of Norwegian descent the hard fighting Nathan Bedford Forrest and Roger Hanson It is the story of Richard Kirkland the Angel of Marye's Heights and Fredericksburg fame of John Lincoln Clem the young drummer boy turned infantryman of John Wilder and his hot firing and hard fighting dragoons and the two Jefferson Davis s Daniel Harvey Hill John Bell Hood Leonidas Polk and James Pete Longstreet
