Marching Through Peachtree:

Marching Through Peachtree Harry Turtledove, 2001-11-01 FREE THE BLONDES America's Civil War Turned Upside Down A terrible civil war was tearing apart the kingdom of Detina a land which could no longer be half serf and half free When the new ruler King Avram announced his intent to liberate the blond serfs upon which the northern provinces depended Detina was torn in two and the rebellious north took Avram's cousin Grand Duke Geoffrey as their king Neither side could expect an easy victory The south was larger and wealthier but the north had better soldiers and more powerful wizards Led by officers riding unicorns supplied by flying carpets both sides had been clashing for three years when Count Thraxton a conceited wizard general whose opinions of his spell casting ability far outstripped the reality bungled a spell which backfired disastrously against his own side giving the Unionists a decisive victory But the war was far from over Thraxton the idiot had been relieved of command which meant that the south faced a far more competent general Joseph the Gamecock And Joseph and his troops were determined to hold Peachtree Province against the loyalist troops They had occupied Rockface Rise which offered only two narrow places where the Unionists could come at them and had further fortified it with trenches and catapults When the southern army attacked they would face formidable obstacles both natural and manmade as well as the repeating crossbows of the troops and the deadly sorcerous storm and lightning wielded by the northern wizards Still the very survival of Detina as one united realm was at stake and King Avram's forces had no choice but to attack no matter what the odds no matter how desperate the situation At the publisher's request this title is sold without DRM Digital Rights Management

Sherman's March in Myth and Memory Edward Caudill, Paul Ashdown, 2009-09-16 General William Tecumseh Sherman's devastating March to the Sea in 1864 burned a swath through the cities and countryside of Georgia and into the history of the American Civil War As they moved from Atlanta to Savannah destroying homes buildings and crops killing livestock and consuming supplies Sherman and the Union army ignited not only southern property but also imaginations in both the North and the South By the time of the general's death in 1891 when one said The March no explanation was required That remains true today Legends and myths about Sherman began forming during the March itself and took more definitive shape in the industrial age in the late nineteenth century Sherman's March in Myth and Memory examines the emergence of various myths surrounding one of the most enduring campaigns in the annals of military history Edward Caudill and Paul Ashdown provide a brief overview of Sherman's life and his March but their focus is on how these myths came about such as one description of a 60 mile wide path of destruction and how legends about Sherman and his campaign have served a variety of interests Caudill and Ashdown argue that these myths have been employed by groups as disparate as those endorsing the Old South aristocracy and its Lost Cause and by others who saw the March as evidence of the superiority of industrialism in modern America over a retreating agrarianism Sherman's March in Myth and Memory looks at the general's treatment in the press among historians on stage and screen and in literature from the time of the

March to the present day The authors show us the many ways in which Sherman has been portrayed in the media and popular culture and how his devastating March has been stamped into our collective memory Advance and Retreat Harry Turtledove, 2002-12-01 THE NORTH SHALL RISE AGAIN When Avram became King of Detina he declared he intended to liberate the blond serfs from their ties to the land This noble assertion immediately plunged the kingdom into a civil war that would prove long and bloody and set brother against brother The northern provinces dependent on their serf s labor seceded choosing Avram s cousin Grand Duke Geoffrey as their king To save the kingdom Avram sent armies clad in gray against the slave holding North battling Geoffrey s army arrayed in blue Though King Avram held more land and wealth than Geoffrey Geoffrey s men were better soldiers and the North had better and more powerful wizards Still as the war raged on greater population and superior organization began to tell and the tide turned against the North Even so the war is far from over The South still faces two formidable leaders General Bell whose loss of a leg has only strengthened his resolve and Ned of the Forest whose unicorn riders are the most dangerous force on the Northern side And though the Southern sorcerers have become more adept at war spells use of sorcery is unpredictable as the North learned earlier when its forces held an almost impregnable position but retreated in terror when an overconfident sorcerer s spell went awry Though victory seems in sight for the South its armies must now battle the North on its own ground ground which will prove treacherous and deadly At the publisher s request this title is sold without DRM Digital Rights Management **Atlanta Magazine** , 2003-03 Atlanta magazine s editorial mission is to engage our community through provocative writing authoritative reporting and superlative design that illuminate the people the issues the trends and the events that define our city The magazine informs challenges and entertains our readers each month while helping them make intelligent choices not only about what they do and where they go but what they think about matters of importance to the community and the region Atlanta magazine s editorial mission is to engage our community through provocative writing authoritative reporting and superlative design that illuminate the people the issues the trends and the events that define our city The magazine informs challenges and entertains our readers each month while helping them make intelligent choices not only about what they do and where they go but what they think about matters of importance to the community and the region After the Downfall Harry Turtledove, 2008-06-01 From Harry Turtledove the master of alternate history comes After the Downfall a novel of magic epic warfare and desperate choices 1945 Russian troops have entered Berlin and are engaged in a violent orgy of robbery rape and revenge Wehrmacht officer Hasso Pemsel a career soldier on the losing end of the greatest war in history flees from a sniper s bullet finding himself hurled into a mysterious fantastic world of wizards dragons and unicorns There he allies himself with the blond haired blue eyed Lenelli and Velona their goddess in human form offering them his knowledge of warfare and weaponry in their genocidal struggle against a race of diminutive swarthy barbarians known as Grenye But soon the savagery of the Lenelli begins to eat at Hasso Pemsel s soul causing him to question everything he has long believed
