Midnight Lady:

Blood of the Donnellys David McRae, 2007-02-08 Jason Stevens is an angry 15 year old when his parents decide to move from Toronto to Lucan Ontario site of the notorious 1880 massacre of the Irish Canadian Donnelly family In the big city Jason s spate of petty thievery earned him a sentence of community service under the tutelage of his grandfather an eccentric retired school teacher who is building a museum devoted to the history of Lucan Now even unhappier than he was in Toronto Jason falls in with a gang of youth called the White Boys who are involved with the local drug trade and who are terrorizing the neighbourhood much as the Donnellys were once accused of doing While performing his community service Jason finds himself becoming enthralled with the Donnelly story With the help of a ghost of someone who may have had something to do with the butchery of the Donnellys Jason searches for answers both in history and in his own life *The Spiritual Gift That Changed My Life* Wananchese Dukes, 2019-05-06 The Spiritual Gift That Changed My Life was written to bring people closer to God s grace and love It will show how God works in mysterious ways and the path he wants you to follow My faith was tested so many times in life where I came so close to giving up However unbeknownst to me God had other plans Ever since I was a child growing up in Detroit I knew there was something unusual about me I started having visions and dreams at the age of seven These dreams were mostly about my deceased great grandmother She told me that I had a gift and it would mean so much to others when I got older I tried to avoid going to sleep because these dreams scared me It wasn t until I had my first near death encounter that I realized everything she told me was true In 2009 I was in a bad car accident and almost died At this time I began having visions while I was awake and asleep The visions were of people I didn t know and places I ve never been I was experiencing d j vu every day I felt that this was God s way of trying to get my attention However I ignored these signs and I was still determined to do things my way In 2011 I was a victim of an attempted robbery and shot twice I was rushed to the hospital The doctors couldn t believe I was still alive and how the bullets never entered my body In 2014 my ignorance and eating habits landed me back in the hospital This time was different and I took it more seriously I was tired of running from my gift and I knew that the Lord had great intentions for me I had been given another chance and it was time for me to start living for my purpose **Fun** ,1865 Divided Soul: The Life Of Marvin Gaye David Ritz, 2010-01-07 David Ritz presents his uniquely candid and intimate account of the tumultuous life of the Prince of Soul music Marvin Gaye Author Ritz has assembled years of conversations and interviews from his life as a close friend and lyricist to the gifted Soul sensation and tells the Marvin Gaye story with fly on the wall accuracy and detail From his early years as an abused child in the slums of Washington DC through his rise to the very peaks of the Motown phenomenon his fall from grace and subsequent comeback to his untimely death at the hands of his father Marvin s story is the stuff of legends The cast of characters includes the Jacksons Smokey Robinson Diana Ross and countless other icons of the world of soul music The definitive biography of an enormously gifted and sensitive musician **Standard Poland-China**

Motown Encyclopedia Graham Betts,2014-06-02 Motown means different things to different people The mere mention of perhaps the most iconic record label in history is often enough to invoke memories and mental images of Marvin Gaye Diana Ross Stevie Wonder The Temptations The Jackson 5 The Supremes and numerous others With each group recalled there is an accompanying piece of music of the mind from Baby Love My Girl Signed Sealed Delivered I Heard It Through The Grapevine ABC and Tears Of A Clown and countless more Quite often you can ask people what kind of music they like and they will simply answer Motown and both they and you know exactly what is meant Or rather what is implied The Motown they are invariably thinking of is the label that dominated the charts in the mid 1960s with a succession of radio friendly dance orientated hits most of which were written and produced by the trio of Brian Holland Lamont Dozier and Eddie Holland This period is referred to naturally enough as the Golden Era when Motown was not only the dominant force in its home city of Detroit but carried The Sound of Young America all around the world The kind of music that had them Dancing In the Street from Los Angeles to London Miami to Munich and San Francisco to Sydney It was the kind of music that attracted scores of imitators some good some not so good The kind of music that appealed to the public and presidents alike and still does It was that Motown that this book was intended to be about However when you start digging deeper into the Motown story you realise that throughout its life which for the purposes of this book is its formation in 1959 through to its sale in 1988 it was constantly trying other musical genres looking to grab hits out of jazz country pop rock middle of the road and whatever else might be happening at the time Of course it wasn't particularly successful at some of the other genres although those who claim Motown never did much in the rock market conveniently overlook the healthy sales figures achieved by Rare Earth the group and focus instead on the total sales achieved on Rare Earth the label This book therefore contains biographies of all 684 artists who had releases on Motown and their various imprints as well as biographies of 16 musicians 23 producers 19 writers and 13 executives There are also details of the 50 or so labels that Motown owned

licensed to or licensed from All nine films and the 17 soundtracks are also featured Every Motown single and album and EP that made the Top Ten of the pop charts in either the US or UK also have their own entries with 222 singles 84 albums and five EPs being featured Finally there are 36 other entries covering such topics as the Hollywood Walk of Fame the Motortown Revues Grammy Awards and the most played Motown songs on radio The 1 178 entries cover every aspect of Motown and more of the link between Granny in The Beverly Hillbillies and Wonder Woman of the artists from Abbey Tavern Singers to Zulema and the hits from ABC to You Really Got A Hold On Me The Motown Encyclopedia is the story of Motown Records Yesterday Today Forever The Summons A. E. W. Mason,2022-09-16 A E W Mason s The Summons intricately weaves a tale of mystery and moral ambiguity set against the backdrop of early 20th century England Through its eloquent prose and adept narrative style Mason employs vivid characterizations and an atmospheric setting to explore themes of guilt redemption and the complexities of human relationships The novel unfolds as a gripping psychological drama inviting readers to question the ramifications of choices made and the shadows they cast upon one s life The infusion of social and political commentary reflects the zeitgeist of the era making it a rich text for literary analysis Mason an accomplished writer and playwright brought to his work a wealth of life experience having traveled extensively and been immersed in diverse cultures His background in law and his experiences in the realm of espionage during World War I undoubtedly informed the narrative intricacies and moral dilemmas within The Summons Known for his keen understanding of human nature Mason s writing resonates with authenticity compelling readers to engage deeply with the characters and their existential struggles I wholeheartedly recommend The Summons to readers who appreciate literary fiction that delves into the darker aspects of human behavior while still providing a compelling story Mason s exploration of conscience and consequence will resonate with anyone who has ever grappled with the weight of their decisions This novel not only entertains but prompts reflection making it a worthy addition to the literary canon **The Emperor** Scott Michael Decker,2022-02-06 Seeking Sword looks to the south for only one thing The Northern Imperial Sword which now lies dormant in the vaults of the Eastern Empire Without it Seeking Sword will always be a bandit And to get it he ll have to defeat the Heir Abandoned to bandits as an infant Seeking Sword has known adversity but nothing has prepared him to lead a campaign against such an adversary It isn t the Heir s formidable fighting skills nor his tactical acumen that so dismays the bandit Emperor It s the beloved devotion of his people How is Seeking Sword to fight that **Secresy; or, Ruin on the Rock** E. Fenwick,2022-07-20 Eliza Fenwick s Secresy or Ruin on the Rock is a work richly woven with themes of confinement and the pursuit of liberty both physical and emotional Fenwick s narrative is one of gripping suspense and gothic sensibilities deftly situating itself within the tradition of 18th century romantic novels Through the plight of the young Sibella Valmont we navigate the narrow corridors and shadowy corners of a grand yet oppressive castle The prose is characterized by its detailed descriptive passages and the evocative exploration of its protagonist s internal struggles with an undertone that compellingly critiques the social structures of the

time In exploring the author's background one can detect the imprints of Fenwick's own experiences and a profound understanding of social injustices and gender dynamics which inform this narrative Her acute awareness of the constraints faced by women possibly gleaned from her time within the circles of radical thinkers infuses the novel with an authenticity that transcends its period setting revealing a more timeless examination of autonomy and authority Reading *Secresy or Ruin on the Rock* is to immerse oneself in a multifaceted tale of suspense emotion and enlightenment As much as it is an engrossing story the book serves as a mirror reflecting the greater societal issues of Fenwick's time which still resonate today It is a compelling read for those interested in Gothic romance social commentary and women's literature The Stanbroke Girls Fiona Hill, 2014-11-23 A very unfussy Regency frolic this one featuring a quartet of nicely matched pairs another little winner from the author of *Sweet's Folly* Kirkus Reviews The eligible but aloof Lord Marchmont seems as determined to remain single as his sister Lady Emilia is to see him wed They are surrounded by a glimmering cast of characters from the unreliable but dashing rake Jeffery de Guere to the lovely and shy Miss Amy Lewis And of course the Stanbroke girls Lady Isabella romantic and dreamy yet surprisingly practical and Lady Elizabeth her older sister a heroine of great sense and wit as well as beauty As these characters dance court conspire love and chase their way through some of the most fashionable spots of England and the continent we join their elegant circle for the sparkling sophisticated romp As always Fiona Hill brings a fresh and engaging liveliness to the world of Regency manners making *The Stanbroke Girls* a triumphant delight to read Secresy - Second Edition Eliza Fenwick, 1998-10-09 *Secresy* was Eliza Fenwick's only work for adults a fact that may help to explain why this extraordinary novel has been so thoroughly overlooked On one level this is a book that presents fascinating challenges to traditional structures of class and gender Whereas Mr Valmont the villain of the piece rejects merely the surface forms of fashionable society the story of his niece Sibella and her friend Caroline implicitly rejects the substance as well as the trappings of a system that rested on class privilege and on female dependence *Secresy* is also though a remarkable novel of human relationships of sexuality Sibella's pregnancy is the occasion for the secrecy that gives the book its title and of romantic love but also the female friendship between Sibella and Caroline that is very much at the heart of the book The relationships and the grand themes are expressed through an epistolary technique through which Fenwick in the editor's words shows a breadth of sympathy which can find comedic pleasure even in what is disapproved
