**American Trickster** Emily Zobel Marshall, 2019-06-18 Our fascination with the trickster figure whose presence is global stems from our desire to break free from the tightly regimented structures of our societies Condemned to conform to laws and rules imposed by governments communities social groups and family bonds we revel in the fantasy of the trickster whose energy and cunning knows no bounds and for whom nothing is sacred One such trickster is Brer Rabbit who was introduced to North America through the folktales of enslaved Africans On the plantations Brer Rabbit like Anansi in the Caribbean functioned as a resistance figure for the enslaved whose trickery was aimed at undermining and challenging the plantation regime Yet as Brer Rabbit tales moved from the oral tradition to the printed page in the late nineteenth century the trickster was emptied of his potentially powerful symbolism by white American collectors authors and folklorists in their attempt to create a nostalgic fantasy of the plantation past American Trickster offers readers a unique insight into the cultural significance of the Brer Rabbit trickster figure from his African roots and through to his influence on contemporary culture Exploring the changing portrayals of the trickster figure through a wealth of cultural forms including folktales advertising fiction and films the book scrutinises the profound tensions between the perpetuation of damaging racial stereotypes and the need to keep African American folk traditions alive Emily Zobel Marshall argues that Brer Rabbit was eventually reclaimed by twentieth century African American novelists whose protagonists trick their way out of limiting stereotypes break down social and cultural boundaries and offer readers practical and psychological methods for challenging

the traumatic legacies of slavery and racism

**THE RED CROSS KNIGHT - A story with a moral** Edmund Spenser,2017-07-09 The retelling in novella form of the epic poem by Edmund Spenser Queen Gloriana ruled over a magnificent land a rich and beautiful country In her court she had 12 chief knights Each of her 12 chief knights was known as the Champion of some virtue Thus Sir Guyon was the representative of Temperance Sir Artegall of Justice Sir Calidore of Courtesy and others took up the cause of Friendship Constancy and so on During a great feast which lasted 12 days a stranger in poor clothes came to the court and falling before the Queen begged a favour of her It was always the custom at these feasts that the Queen should refuse nothing that was asked so she bade the stranger say what it was he wished Then he besought that if any cause arose which called for knightly aid the adventure might be entrusted to him When the Queen

had given her promise he stood quietly on one side Soon after this there rode into the city a fair lady on a white ass Behind her came her servant a dwarf leading a warlike horse that bore the armour of a knight The face of the lady was lovely but it was very sorrowful Making her way to the palace she fell before Queen Gloriana and implored her help She said that her name was Una she was the daughter of a king and queen who formerly ruled over a mighty country but many years ago a huge dragon came and wasted all the land and shut the king and queen up in a brazen castle from which they might never come out The Lady Una therefore besought Queen Gloriana to grant her one of her knights to fight and kill this terrible dragon Then the stranger sprang forward and reminded the Queen of the promise she had given At first she was unwilling to consent for the Knight was young However the Queen kept her word and consented He was given an old suit of armour upon which was a red cross and was quickly named the Red Cross Knight So the stranger and Una rode forth into the world together while a little way behind followed their faithful attendant Prudence And now you shall hear some of the adventures that befell the Red Cross Knight and his two companions
