Myths Of Zionism:

The Myths of Zionism John Rose, 2004-09-20 This is a controversial book It is a critical account of the historical political and cultural roots of Zionism John Rose shows how this powerful political force is based in mythology ancient medieval and modern Many of these stories as with other mythologies have no basis in fact However because Zionism is a living political force these myths have been used to justify very real and political ends namely the expulsion and continuing persecution of the Palestinians Chapter by chapter John Rose scrutinises the roots of the myths of Zionism Mobilising recent scholarship he separates fact from fiction presenting a detailed analysis of their origins and development This includes a challenge to Zionism's biblical claims using very recent and very startling Israeli archaeological conclusions He provides a detailed exploration of Judaism's links to the Middle East He shows clearly that Zionism makes many false claims on Jewish religion and history He questions its rationale as a response to European anti-Semitism and shows that if there is ever to be peace and reconciliation in the land of Palestine this intellectual dishonesty must be addressed

Ten Myths About Israel Ilan Pappé, 2024-09-17 The most eloquent writer on Palestinian history reveals the myths and reality behind the state of Israel and the Israeli Palestinian conflict New Statesman The outspoken and radical Israeli historian Ilan Pappé examines the most contested ideas concerning the origins and identity of the contemporary state of Israel The ten myths repeated endlessly in the media enforced by the military and accepted without question by the world's governments reinforce the regional status quo and include Palestine was an empty land at the time of the Balfour Declaration The Jews were a people without a land There is no difference between Zionism and Judaism Zionism is not a colonial project of occupation The Palestinians left their Homeland voluntarily in 1948 The June 1967 War was a war of No Choice Israel is the only Democracy in the Middle East The Oslo Mythologies The Gaza Mythologies The Two State Solution For students activists and anyone interested in better understanding the news Ten Myths About Israel is another groundbreaking study of the Israel Palestine conflict from the author of *The Ethnic Cleansing of Palestine*

Unsettled Oren Kroll-Zeldin, 2024-06-11 *Unsettled* examines the role of young American Jews in the Palestine solidarity movement and argues that their activism and commitment to ending the occupation and Israeli apartheid is a Jewish value which is a necessary response to the changing conditions of American Jewish life in the twenty first century

Myths and Nationhood George Schopflin, Geoffrey Hosking, 2013-09-13 Myths are central to the way we live and how we define ourselves In this pioneering book a group of specialists among them Anthony Smith Norman Davies Geoffrey Hosking and George Schopflin look at the general and theoretical nature of myth on a universal basis and examine the specific myths of various nations With nationhood and ethnicity at the centre of political attention the book is timely in illuminating the deeper underlying issues of nationalism that cause so much conflict throughout the world

Martin Buber's Myth of Zion S. Daniel Breslauer, 2019-03-14 The book provides an insightful study of the Jewish theologian Martin Buber and combines a review of the unconventional Zionism he proposed with a sensitivity to myth as the

basis of an inclusive civil religion The multifaceted nature of this work examines Buber's embrace of myth and his application of myth to both biblical studies and political theory It pays special attention to the way Buber's thinking about Zion applied to religious ethical issues such as ecology education ritual and as a continuing theme throughout the book to the conflict between those Buber called Jews and Arabs in the land of Palestine *Jewish Myths, Form #17.091* Brook Stockton, 2024-08-25 Flooding the church *Soft Threats to National Security* Dana Barnett, Efraim Karsh, 2021-11-29 This book explores the Boycott Divestment and Sanctions BDS phenomenon its impact and implications for Israel and the Palestinian Israeli conflict as well as the inextricable linkage between its anti Israeli anti Zionist propaganda and antisemitism unraveled from yet unknown perspectives The edited volume offers groundbreaking research While Israeli public diplomacy focused on security Palestinian diplomacy focused on a fabricated history The book analyzes the old Russian anti Zionist propaganda and its application by the BDS The public space of BDS activity projects a humane facade yet the covert part harbors antisemitic and violent supporters including terror groups and Iran Western universities turned into incubators of pro Palestinian groups that portray Israel as the source of evil The academic boycott of Israel worked to isolate and stigmatize Jewish scholars in America because of a presumed Jewish occupation of the American academy Western liberals wish to build bridges with the Muslim world unable to overcome differences on democracy secularism women's rights etc they focus on what they agree animosity towards Israel So has the UN the ICC Bedouin advocacy and Human Rights Watch The chapters in this book were originally published as a special issue of the journal *Israel Affairs* **Time's Fool** A. Clare Brandabur, 2016-05-11 *Time's Fool* Essays in Context is a collection of essays on a broad range of topics from Gilgamesh to James Joyce and beyond to Kazuo Ishiguro Michael Ondaatje Yasar Kemal Cormac McCarthy Abdulrahman Munif and many others *Time's Fool* is a memorial to the life work of A Clare Brandabur who walked away from a tenure track teaching position at the University of Illinois to embark on a career of teaching in Middle Eastern universities in Jordan Syria Bahrain occupied Palestine Cyprus Ankara and finally Istanbul where she taught for the last decade and a half of her life Had Clare stayed with a career at a Research I university in the United States her scholarship would have been far less rich and free wheeling more narrow concentrated and specialized and she would not have been able to help and inspire her graduate and undergraduate students from the Near East and especially during her last five or six years at Fatih University from around the world The essays are organized into five main groups from Gender and Family Relations and Ecocriticism to Colonialism and Post Colonialism Colonialism and Ireland and Colonialism Palestine Genocide and a final catch all section of Miscellaneous Essays that includes Gilgamesh T E Lawrence Yasar Kemal Graham Green and modern theory There are also sub categories that transcend the six sections such as Arab Literature Catholicism Women's Studies and Mythology something for everyone in short Clare's essays give a sense of her breadth of scholarship and her very rich play of mind but the real monument to her life's work is in the hearts and minds of the students from around the world whom she influenced

An Army Like No Other Haim Bresheeth-Zabner, 2020-08-25 A history of the IDF that argues that Israel is a nation formed by its army The Israeli army officially named the Israel Defence Forces IDF was established in 1948 by David Ben Gurion Israel's first prime minister who believed that the whole nation is the army In his mind the IDF was to be an army like no other It was the instrument that might transform a diverse population into a new people Since the foundation of Israel therefore the IDF has been the largest richest and most influential institution in Israel's Jewish society and is the nursery of its social economic and political ruling class In this fascinating history Bresheeth charts the evolution of the IDF from the Nakba to the continued assaults upon Gaza and shows that the state of Israel has been formed out of its wars He also gives an account of his own experiences as a young conscript during the 1967 war He argues that the army is embedded in all aspects of daily life and identity And that we should not merely see it as a fighting force enjoying an international reputation but as the central ideological political and financial institution of Israeli society As a consequence we have to reconsider our assumptions on what any kind of peace might look like

Antisemitism Before and Since the Holocaust Anthony McElligott, Jeffrey Herf, 2017-04-03 Divided into five discrete sections this book examines the issue of Holocaust denial and in some cases Holocaust inversion in North America Europe and the Middle East and its relationship to the history of antisemitism before and since the Holocaust It thus offers both a historical and contemporary perspective This volume includes observations by leading scholars delivering powerful even controversial essays by scholars who are reporting from the frontline It offers a discussion on the relationship between Christianity and Islam as well as the historical and contemporary issues of antisemitism in the USA Europe and the Middle East This book explores how all of these issues contribute consciously or otherwise to contemporary antisemitism The chapters of this volume do not necessarily provide a unity of argument nor should they Instead they expose the plurality of positions within the academy and reflect the robust discussions that occur on the subject
