PROMETHEUS THE FRIEND OF MAN Many many centuries ago there lived two brothers Prometheus or Forethought and Epimetheus or Afterthought They were the sons of those Titans who had fought against Jupiter and been sent in chains to the great prison house of the lower world but for some reason had escaped punishment Prometheus however did not care for idle life among the gods on Mount Olympus Instead he preferred to spend his time on the earth helping men to find easier and better ways of living For the children of earth were not happy as they had been in the golden days when Saturn ruled Indeed they were very poor and wretched and cold without fire without food and with no shelter but miserable caves We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience *Myths and Legends of All Nations* Various,2007-07
