## **Nabokov His Life In Part:**

**Nabokov** Andrew Field, 1977      The Wives Alexandra Popoff, 2021-11-15 Many readers may know that such writers as F Scott Fitzgerald James Joyce and D H Lawrence used their marriages for literary inspiration and material In Russian literary marriages these women did not resent taking a secondary position although to call their position secondary does not do justice to the vital role these women played in the creation of some of the greatest literary works in history From Sofia Tolstoy to Vera Nabokov and Elena Mandelshtam and Natalya Solzhenitsyn these women ranged from stenographers and typists to editors researchers translators and even publishers Living under restrictive regimes many of these women battled censorship and preserved the writers illicit archives often risking their own lives to do so They established a tradition all their own unmatched in the West Many of these women like Vera and Sofia were the writers intellectual companions and willingly contributed to the creative process they commonly used the word we to describe the progress of their husbands work And their husbands knew it too Leo Tolstoy made no secret of Sofia s involvement in War and Peace and Vladimir Nabokov referred to Vera as his own single shadow      *In the Shadow of Greatness* Michael Menager, 2020-09-01 In this unusual biography Michael Menager coaxes from the shadows of history ve women who devoted themselves to the greatness of a genius in their lives At times the book reads like a love story at other times an adventure but throughout their five lives intertwine to tell one story of selfless devotion and a greatness that doesn t crave recognition This book covers the lives and works of Maria Nhys wife of Aldous Huxley Fran oise Gilot mistress of Pablo Picasso V ra Nabokov wife of Vladimir Nabokov Helen Dukas secretary to Albert Einstein and Isabel Burton wife and partner of Sir Richard Burton      **Nabokov's Women** Elena Rakhimova-Sommers, 2017-10-15 Nabokov s Women The Silent Sisterhood of Textual Nomads is the first book length study to focus on Nabokov s relationship with his heroines Essays by distinguished Nabokov scholars explore the multilayered and nomadic nature of Nabokov s women their voice and voicelessness their absentness the paradigm of power and sacrifice within which they are situated the paradox of their unattainability their complex relationship with textual borders the travel narrative with the author himself By design Nabokov s woman is often assigned a short term tourist visa with a firm expiration date Her departure is facilitated by death or involuntary absence which watermarks her into the male protagonist s narrative granting him an artistic release or a gift of self understanding When she leaves the stage her portrait remains ambiguous She can be powerfully enigmatic but not self actualized enough to be dynamic or for even where the terms of her existence are deeply considered or her image beheld reverently her recognition seems to be limited to the Works Cited register of the male narrator s personal life As a result Nabokov s texts often feature a nomadic woman who seems to live without a narratorial homeland papers of her own or storytelling privileges This volume explores the residency status of Nabokov s silent nomads his fleeting lovers witches muses mermaids and nymphets As Nabokov scholars analyze the power dynamic of the writer s narrative of male desire they ponder are these female characters directionless wanderers

or covert operatives in the terrain of Nabokov's text Whereas each essay addresses a different aspect of Nabokov's artistic relationship with the feminine together they explore the politics of representation authorization and voicelessness This collection offers new ways of reading and teaching Nabokov and is poised to appeal to a wide range of student and scholarly audiences Chapter 4 Nabokov's Mermaid Spring in Fialta by Elena Rakhimova Sommers is not available in the ebook format due to digital rights restrictions You can find the earlier version of the chapter in the journal Nabokov Studies

**Nabokov** Andrew Field, 1967 *Nabokov's Theatrical Imagination* Siggy Frank, 2012-01-12 Drawing on a wealth of unpublished archival material this study offers a comprehensive assessment of the importance of theatrical performance in Vladimir Nabokov's thinking and writing Siggy Frank provides fresh insights into Nabokov's wider aesthetics and arrives at new readings of his narrative fiction As well as emphasising the importance of theatrical performance to our understanding of Nabokov's texts she demonstrates that the theme of theatricality runs through the central concerns of Nabokov's art and life the nature of fiction the relationship between the author and his fictional world textual origin and derivation authorial control and textual property literary appropriations and adaptations and finally the transformation of the writer himself from the Russian migr writer Sirin to the American novelist Nabokov

**Freudians and Schadenfreudians** Jeffrey Berman, 2024-08-22 Sigmund Freud can be a polarizing figure beloved by many and despised by some Focusing on eight key writers and scholars who either passionately loved or gleefully loathed Freud this book represents Freud's wide legacy the reach of his ideas their controversies and their ability still to provoke inspire confound outrage and compel The book begins by focusing on four highly prolific authors whose admiration for Freud is boundless Lionel Trilling Harold Bloom Kurt R Eissler and Peter Gay Berman then explores four more writers whose aim was not simply to debunk Freud and destroy his monstrous creation but to cast both into hell D H Lawrence Vladimir Nabokov Thomas Szasz and Frederick Crews Each chapter discusses the author's involvement with Freud exploring the continuities and discontinuities of his or her writings as well as offering snapshots of the writers suggesting how their personal and professional lives were inextricably related Berman draws out some surprising commonalities between the Freudolaters and Schadenfreudians going on to discuss the current state of psychoanalysis and the psychoanalytic credos by which contemporary analysts live

**The Self-Conscious Novel** Brian Stonehill, 2016-11-11 This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 1 100 titles from Penn Press's distinguished backlist from 1899 1999 that had fallen out of print Spanning an entire century the Anniversary Collection offers peer reviewed scholarship in a wide range of subject areas

**The Biography Book** Daniel S. Burt, 2001-02-28 From Marilyn to Mussolini people captivate people A E's Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based

on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians. Each entry includes a brief profile, autobiographical and primary sources, and recommended works. Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title, helping readers to find the best biographical material available on hundreds of fascinating individuals.

[Nabokov's Novels in English](#) Lucy Maddox, 2010-03-01 Lucy Maddox's sensitive treatment of Nabokov's eight finished novels written in English: *Pale Fire*, *Invitation to a Beheading*, *The Gift*, *The Eye*, , *The Eye*, *The Eye*, *The Eye*. Bend Sinister: The Real Life of Sebastian Knight. Transparent Things. Look at the Harlequins and Pnin approaches the novelist's work as significant fiction with its own integrity. Maddox provides the kind of discursive introduction that makes Nabokov's complex work more accessible, focusing on the relationship between the eccentric, artificial structures of the novels and their deeply traditional humanistic themes. While the forms of the novels are idiosyncratic and often bizarre, says Maddox, the texts themselves are neither unfamiliar nor eccentric. Repeatedly, the text is the frustration of desire or loss, which is for Nabokov the most agonizing and inescapable of human experiences. Maddox also traces through all eight novels the development of Nabokov's style, which she treats as a matter of both technique and vision.

[Nabokov's Otherworld](#) Vladimir E. Alexandrov, 2014-07-14 A major reexamination of the novelist Vladimir Nabokov as literary gamesman, this book systematically shows that behind his ironic manipulation of narrative and his puzzle-like treatment of detail, there lies an aesthetic rooted in his intuition of a transcendent realm and in his consequent redefinition of nature and artifice as synonyms. Beginning with Nabokov's discursive writings, Vladimir Alexandrov finds his world view centered on the experience of epiphany, characterized by a sudden fusion of varied sensory data and memories, a feeling of timelessness, and an intuition of immortality which grants the true artist intimations of an otherworld. Readings of *The Defense*, *Invitation to a Beheading*, *The Gift*, *The Real Life of Sebastian Knight*, *Lolita*, and *Pale Fire* reveal the epiphanic experience to be a touchstone for the characters' metaphysical insightfulness, moral makeup, and aesthetic sensibility, and to be a structural model for how the narratives themselves are fashioned and for the nature of the reader's involvement with the text. In his conclusion, Alexandrov outlines several of Nabokov's possible intellectual and artistic debts to the brilliant and variegated culture that flourished in Russia on the eve of the Revolution. Nabokov emerges as less alienated from Russian culture than most of his emigre readers believed, and as less modernist than many of his Western readers still imagine. Alexandrov's work is distinctive in that it applies an otherworld hypothesis as a consistent context to Nabokov's novels. The approach is obviously a fruitful one. Alexandrov is innovative in rooting Nabokov's ethics and aesthetics in the otherworldly and contributes greatly to Nabokov studies by examining certain key terms such as commonsense, nature, and artifice. In general, Alexandrov's study leads to a much clearer understanding of Nabokov's metaphysics.

D. Barton Johnson, University of California, Santa Barbara. Originally published in 1991, *The Princeton Legacy Library* uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the

original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

**Nabokov's Art of Memory and European Modernism** John Burt Foster, Jr., 1993-02-08 Despite Vladimir Nabokov's hostility toward literary labels he clearly recognized his own place in cultural history In a fresh approach stressing Nabokov's European context John Foster shows how this writer's art of memory intersects with early twentieth century modernism Tracing his interests in temporal perspective and the mnemonic image in intertextual reminiscences and in individuality amid cultural multiplicity the book begins with such early Russian novels as *Mary* then treats his emerging art of memory from *Laughter in the Dark* to *The Gift* After discussing the author's cultural repositioning in his first English novels Foster turns to Nabokov's masterpiece as an artist of memory the autobiography *Invitation of a Memory* and ends with an epilogue on *Pale Fire* As a cross cultural overview of modernism this book examines how Nabokov navigated among Proust and Bergson Freud and Mann and Joyce and Eliot It also explores his response to Baudelaire and Nietzsche as theorists of modernity and his sense of Dostoevsky Tolstoy and Pushkin as modernist precursors As an approach to Nabokov the book reflects the heightened importance of autobiography in current literary study Other critical issues addressed include Bakhtin's theory of intertextuality deconstructive views of memory Benjamin's modernism of memory and Nabokov's assumptions about modernism as a concept

**Handbook of Russian Literature** Victor Terras, 1985-01-01 Profiles the careers of Russian authors scholars and critics and discusses the history of the Russian treatment of literary genres such as drama fiction and essays

[Russian Postmodernist Fiction](#) Mark Lipovetsky, Eliot Borenstein, 2016-09-16 This text offers a critical study of postmodernism in Russian literature It takes some of the central issues of the critical debate to develop a conception of postmodern poetics as a dialogue with chaos and places Russian literature in the context of an enriched postmodernism

**Contemporary American Women Writers** Catherine Rainwater, William J. Scheick, 2014-10-17 Ann Beattie Annie Dillard Maxine Hong Kingston Toni Morrison Cynthia Ozick Grace Paley Marge Piercy Anne Redmon Anne Tyler and Alice Walker all seem to be especially concerned with narrative management The ten essays in this book raise new and intriguing questions about the ways these leading women writers appropriate and transform generic norms and ultimately revise literary tradition to make it more inclusive of female experience vision and expression The contributors to this volume discover diverse narrative strategies Beattie Dillard Paley and Redmon in divergent ways rely heavily upon narrative gaps surfaces and silences often suggesting depths which are lamentably absent from modern experience or which mysteriously elude language For Kingston and Walker verbal assertiveness is the focus of narratives depicting the gradual empowerment of female protagonists who learn to speak themselves into existence Ozick and Tyler disrupt conventional reader expectations of the anti novel and the family novel respectively Finally Morrison's and Piercy's works reveal how traditional narrative forms such as the Bildungsroman and the

soap opera are adaptable to feminist purposes In examining the writings of these ten important women authors this book illuminates a significant moment in literary history when women s voices are profoundly reshaping American literary tradition     *The Sublime Artist's Studio* Gavriel Shapiro,2009-06-02 The relation of the visual arts to Vladimir Nabokov s work is the subject of this in depth and detailed study of one of the most significant facets of this modern master s oeuvre     Русский Язык Nikolai Pavlovich Avtonomov,1979     **D. H. Lawrence** Norman Page,1981-06-18     Reference Guide to Russian Literature Neil Cornwell,2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public     *Beacham's Encyclopedia of Popular Fiction* Kirk H. Beetz,1996
