Conversations with Vladimir Nabokov brings together candid revealing interviews with one of the twentieth century's master prose writers Vladimir Nabokov 1899 1977 was a Russian American scientist poet translator and professor of literature Critics throughout the world celebrated him for developing the luminous and enigmatic style that advanced the boundaries of modern literature more than any author since James Joyce In a career that spanned over six decades he produced dozens of iconic works including *Lolita* *Pale Fire* *Invitation of a Beheading* and his classic autobiography *Invitation of a Beheading* The twenty eight interviews and profiles in this collection were drawn from Nabokov's numerous print and broadcast appearances over a period of nineteen years Beginning with the controversy surrounding the American publication of *Lolita* in 1958 he offers trenchant witty views on society literature education the role of the author and a range of other topics He discusses the numerous literary and symbolic allusions in his work his use of parody and satire as well as analyses of his own literary influences Nabokov also provided a detailed portrait of his life from his aristocratic childhood in prerevolutionary Russia education at Cambridge apprenticeship as an migr writer in the capitals of Europe to his decision in 1940 to immigrate to the United States where he achieved renown and garnered an international readership The interviews in this collection are essential for seeking a clearer understanding of the life and work of an author who was pivotal in shaping the landscape of contemporary fiction **Understanding Vladimir Nabokov** Stephen Jan Parker, 1987 **Authorship in Nabokov's Prefaces** Jacqueline Hamrit, 2015-01-12 Whereas literary criticism has mainly oscillated between the death of the author Barthes and the return of the author Couturier this work suggests another perspective on authorship through an analysis of Nabokov's prefaces It is here argued that the author being neither dead nor tyrannical alternates between authoritative apparitions and receding disappearances in the double gesture of mastery without mastery which Derrida calls exappropriation that is a simultaneous attempt to appropriate one's work control it have it under one's power and expropriate it losing control by loosening one's grip The intention of this is to approach through one's experience of reading and interpreting the experience of self effacement and impersonality pertaining to writing cf Blanchot Prefaces are considered to be suitable places for the deconstruction of the classical image of Nabokov's arrogance through the unearthing of his reserve and vulnerability This work provides an account of the mere intuition which therefore does not pretend to be a conclusive and definitive interpretation of another image of Nabokov whose undeniable talent for deception seems in accordance with a need for discretion and secrecy *On Nabokov, Ayn Rand and the Libertarian Mind* Gene H. Bell-Villada, 2014-07-08 On Nabokov Ayn Rand and the Libertarian Mind not only conjoins two seemingly divergent authors but also takes on the larger picture of libertarian trends and ideologies These

timely topics further intermingle with Bell Villada's own conflicted relationship personal cultural satirical literary to the odd pair and their ways of thinking The inclusion of Louis Begley's essay adds yet another dimension to this unique wide ranging meditation on art and politics history and memory *Pniniad* Galya Diment,2013-05-01 In this wry judiciously balanced and thoroughly engaging book Galya Diment explores the complicated and fascinating relationship between Vladimir Nabokov and his Cornell colleague Marc Szeftel who in the estimate of many served as the prototype for the gentle protagonist of the novel Pnin She offers astute comments on Nabokov's fictional process in creating Timogey Pnin and addresses hotly debated questions and long standing riddles in Pnin and its history Between the two of them Nabokov and Szeftel embodied much of the complexity and variety of the Russian postrevolution emigre experience in Europe and the United States Drawing on previously unpublished letters and diaries as well as on interview with family friends and colleagues Diment illuminates a fascinating cultural terrain Pniniad the epic of Pnin begins with Szeftel's early life in Russia and ends with his years in Seattle at the University of Washington turning pivotally upon the time in Szeftel's and Nabokov's lives intersected at Cornell Nabokov apparently was both amused by and admiring of the innocence of his historian friend Szeftel's feelings towards Nabokov were also mixed ranging from intense disappointment over rebuffed attempts to collaborate with Nabokov to persistent envy of Nabokov's success and an increasing wistfulness over his own sense of failure Eugene Onegin Aleksandr Pushkin,2018-07-31 When Vladimir Nabokov's translation of Pushkin's masterpiece Eugene Onegin was first published in 1964 it ignited a storm of controversy that famously resulted in the demise of Nabokov's friendship with critic Edmund Wilson While Wilson derided it as a disappointment in the New York Review of Books other critics hailed the translation and accompanying commentary as Nabokov's highest achievement Nabokov himself strove to render a literal translation that captured the exact contextual meaning of the original arguing that only this is true translation Nabokov's Eugene Onegin remains the most famous and frequently cited English language version of the most celebrated poem in Russian literature a translation that reflects a lifelong admiration of Pushkin on the part of one of the twentieth century's most brilliant writers Now with a new foreword by Nabokov biographer Brian Boyd this edition brings a classic work of enduring literary interest to a new generation of readers Cold Kitchen Caroline Eden,2024-05-09 A Financial Times and Observer best summer read With its union of practicality and magic a kitchen is a portal offering extended range and providing unlikely paths out of the ordinary Offering opportunities to cook imagine and create ways back into other times other lives and other territories Central Asia Turkey Ukraine the South Caucasus Russia the Baltics and Poland Places that have eased into my marrow over the years shaping my life writing and thinking They are here these lands I return to in this kitchen A welcoming refuge with its tempting pantry shelves of books and inquisitive dog Caroline Eden finds comfort away from the road in her basement Edinburgh kitchen Join her as she cooks recipes from her travels reflects on past adventures and contemplates the kitchen's unique ability to tell human stories This is a hauntingly honest and at times heartbreaking

memoir with the smell taste and preparation of food at its heart From late night baking as a route back to Ukraine to capturing the beauty of Uzbek porcelain and from the troublesome nature of food and art in Poland to the magic of cloudberries Cold Kitchen celebrates the importance of curiosity and of feeling at home in the world
