The issue of authenticity, whether the author of the book should be of that culture or merely familiar with the culture, is discussed. Exceptionalities: Ageism, Socioeconomic Status, Sexual Orientation, Gender, and Religion. The authors provide this valuable resource for libraries, schools, and communities that wish to utilize literature to help diverse students walk in the shoes of others and to match books to children and young adults to heighten understanding and acceptance. Las cárceles de Lucía Luis Ezquerro Escudero, 2023-02-22. La lucha por el poder es el camino; la vida de Pepa, muy inteligente, muy preparada y muy capaz, y con esa necesidad de respirarse viva la contienda del poder, está incrustada en su ADN. En tal vida solo cabe estar arriba y siempre en lo alto. Si caes, te descabezan. No le interesa la condición de mujer de madre. No ocupa ni uno de sus espacios. Espero que lo entiendas, Lucía. No me interesas, Lucía. No me desconoce cuál es su lugar, su condición. Intenta respirar en un mundo vacío o sacar la mano de la oscuridad absoluta que alguien la tome y la conduzca a la luz, a la vida emocional. No tengo madre, Pepa. Nunca la he tenido. Y los acontecimientos carecen de conciencia, bondad o maldad; simplemente, acaecen impersonales. No pretenden corregir nada. Ocurren y punto.

Celebrating Cuentos Jamie Campbell Naidoo, 2010-11-18. More effectively meet the diverse literacy needs of the growing Latino population by learning how to evaluate and select quality Latino children's literature. Latinos are the fastest growing and largest ethnic minority in the United States. The number of Latino children is at a historic high. As a result, librarians and teachers in the United States must know how to meet the informational, cultural, and traditional literacy needs of this student demographic group. An ideal way to overcome this challenge is by providing culturally accurate and authentic children's literature that represents the diversity of the Latino cultures. Much more than simply a topical bibliography, this book details both historical and current practices in educating Latino children, explains why having quality Latino children's literature in classrooms and libraries is necessary for the ethnic identity development of Latino children, and offers a historical overview of Latino children's literature in America. Web resources of interest to educators working with Latino children are also included.
