Legends of the Nahanni Valley Hammerson Peters, 2019-03-20 A non fiction exploring some of Northern Canada's greatest forgotten mysteries the stories and legends surrounding the watershed of the South Nahanni River Deep in the heart of the Canadian North lies a mysterious valley shrouded in legend Lured by tales of lost gold prospectors who enter it tend to lose their heads or vanish without a trace Some say that the valley is cursed haunted by an evil spirit whose wailings echo in the canyons Others claim that it is home to monsters relics of its prehistoric past What secrets could the valley be hiding What mysteries lie buried beneath its misty shroud

Nahanni Echoes Thomas Craig, 2022-08-01 The Nahanni Valley is one of the select places in the world where nature's unbridled beauty unleashes a supernatural primal breath of spirit Its unfathomable magnificence acts as a catalyst to birth both general and special revelation Drawn into this otherworldly realm of canyons and cryptids a band of intrepid survivors of an apocalyptic plague

must find a way to rebirth the world But first they must face their own demons and then conquer ancient evil entities that have been released by the remnants of technology of the former world Only by learning to walk by faith in the present tense and by becoming committed vessels for the Creator can they hope to be victorious Being called together by an unseen power they learn to embrace their diversity by love and determination During their adventure they come to realize they do not wrestle against flesh and blood but against principalities and powers against spiritual wickedness in high places and the rulers of the darkness of this age The horrors they must overcome have never been witnessed by humankind and these terrors seem to be unconquerable Their only weapon is their conviction that faith is the victory that overcomes the world Armed with this awareness they must save not only the universe but the multiverse Bravely facing relic populations of prehistoric monsters the brave troop trudges the road of destiny called onward by ominous and beastly howls that echo down the Nahanni Valley

Canoe on the Nahanni DH Koester,2015-01-15 The setting is the legendary South Nahanni River in Canada s Northwest Territories as remote and wild a river as any man could hope for The Nahanni flows through a land of unsurpassed beauty and legend harrowing legend To access it you must travel due North across the North American continent until the road is no more then jump a bush plane for a flight across the infamous Mackenzie Mountains deep into the wild to the headwaters of the Nahanni Once in there is but one way out down 300 miles of rampaging river across mighty Virginia Falls through Deadmen s Valley then a succession of three formidable bottomless canyons filled wall to wall with treacherous rapids enough whitewater and danger to satisfy even the most beastly of men On that river in the summer of 74 a man a boy and an open 16 foot wood and canvass canoe with 250 miles of bad water between them and homeward bound Fate would not be kind and near the end of the journey they would find themselves hopelessly trapped in the Lower Canyon without gear or canoe Only the most unlikely of events could save them but could they survive long enough for it to happen

The Complex Chronicles Sherry Matulis,2012-04-03 By the spring of 2069 the last of the twenty four Central Care Complexes had been completed Scattered throughout that part of North America formerly known as the United States each Complex occupied a large highly fortified section of what once had been a major metropolis and all contrary to their euphemistic names had been established to serve but one purpose that of protecting those despots whose former political bureaucratic and religious hide outs could no longer be secured from the mad masses they had created Each Complex was populated by a Director several Deputy Directors and Charges and as many captive Members as were able to survive the twenty hour work shifts starvation rations and increasingly insane dictates of their overlords Any infraction of any of the innumerable rules could meet at the Directors discretion with a sentence of injection or expulsion Conditioned to fear the latter above all else Members given the choice nearly always opted for a quick relatively painless death within familiar confines as opposed to the dreaded Outside The compulsory indoctrination sessions which occupied most of the waking hours of the young were devoted primarily to demonizing human sexuality Within the Complex Members were forbidden to have

sex with other humans but were required to have sex at specific intervals with a machine the Master Bator And not too secondarily the sessions were given to exaggerating conditions on the Outside that needed no exaggeration Assured daily that there was no hope of survival outside the walls of the Complex warned of the myriad tortures that would precede being eaten alive with but a rare maverick exception the Members docilely complied with all the Directives they could remember and settled into the weary hungry hobbled existence of being privileged to be enslaved THE COMPLEX CHRONICLES set in a not too distant future is a Libertarians satirical dystopian extrapolation on present day society Richard Condon said The job of satire is to frighten and enlighten The writer hopes she has done her job well and makes no apologies for the brutal nature of the book except to say that she has never learned how to make future shining cities on a hill out of present dung heaps
