rape has produced a pregnancy Despite the difficulty Pilar decides to keep the baby She struggles to wade through her emotional turmoil and continue her ambitious career as a translator of American literature While speaking at Columbia University Pilar meets Gus Brubaker Gus is a Spanish literature translator and he is immediately taken in by Pilar's intellect and stunning beauty Pilar is conflicted and still dealing with the aftermath of her rape as her attacker continues his harassment She is also pregnant How will she explain this to Gus who she believes will surely leave her when she reveals her pregnancy The Translators tells a story of troubled romance set in the world of linguistics and literature As Pilar and Gus travel the world together they also must travel beyond pains of the past In the conquering of violence there is a possibility of healing and perhaps a possibility of endless love

The Interpreter of Dreams And Other Stories. Apendu Ganguly, 2024-03-16 A collection of short stories mostly inspired by true incidents The stories cover a wide spectrum of the common traits of human nature such as the spirit of adventure, curiosity for the supernatural, stinging feeling of guilt, close friendship, nostalgia, selfishness, jealousy, courage, attachment, and the like The collection also has stories from the bygone era of the fifties and the sixties inspired by those unique times The author had traveled extensively to different corners of the country and witnessed unusual incidents at remote places which greatly enriched him with material for spinning lively and offbeat tales in this collection The mundane, the supernatural, the old belief systems, and the times of a schoolboy during the early sixties all find a place in this collection

Death and the Doctor, 1997 This book presents three versions of the Godfather Death motif in English translations as well as the original Spanish A desperate man makes a pact with Death in order to alleviate pain or sorrow or poverty Death then makes him a doctor and endows him with the ability to predict life or death and thus he feathers his nest and his fortune turns In the end, however, Death demands its pound of flesh and the day of reckoning arrives The three authors of these Death and the Doctor tales are

three of nineteenth century Spain's most well known short story writers Fernan Caballero Cecilia Bohl de Faber 1796-1877 first published *Juan Holgado y la muerte* Juan Holgado and Death in 1850 It stands out for its humor relating Fernan Caballero's hapless paterfamilias attempt to escape his numerous children in order to feast on a rabbit only to have Death in the shape of an old woman snatch it from his hands Antonio de Trueba 1819-89 first published *Tragaldabas* Glutton in 1867 The main characteristic of Trueba's piece is its satire and scathing portrayal as well as condemnation of the medical profession Death's Friend is much more ambitious than Fernan Caballero's and Trueba's tales and in length approaches a short novel It is essentially a love story Gil Gil and Elena ill-starred lovers are reunited through divine intervention as both Elena and Death petition God on Gil Gil's behalf Taken together these three Death and the Doctor tales fill a void in the Godfather Death motif of Western European literature and highlight the universality of Spain's folk tradition

Sweet and Delectable Jacinto Octavio Picón, 2000 This translation makes available to the English reading public another treatment of that most famous of Spanish literary creations the Don Juan figure This is a Don Juan in decline who will come to grips with his emptiness by learning to love Picón's frank discussion of a description of the act of love was a daring undertaking in the Spain of the time and perhaps led to his being dismissed by some as being erotic which was clearly meant to be pejorative But he also introduced humor into *Sweet and Delectable* without taking away from the serious nature of his exploration of a love relationship and with delightfully Cervantine chapter headings a la *Don Quixote de la Mancha* pokes fun where it needs to be poked while giving the reader a glimpse of things to come in a comic nutshell
