Ambition Sean O'Kane, 2011 The rules were simplicity itself a shot signified the start and the clock would run for an hour At the end of that time the team with most members still standing was declared the winner Although all the girls were armed pretty much anything went kicking punching hair pulling it was all good spectator sport In the modern arenas the excitement goes on The Girl Squad is in action and really up against it this time And when the show is over the action certainly isn't Angel their gorgeous trainer might be an impressive figure in the arenas but outside them it could be a very different story Once again no girl is safe from the manoeuvrings of the dominant men who surround them And nothing could prepare Angel for the shocks ahead of her and for Amelia a loyal and obedient slave to the Girl Squad the future holds an even greater surprise Non stop action on every page once again And the ending packs a real punch
