Naked Church:

Naked Church Jim Reynolds, 2014-03-24 NAKED CHURCH is a handbook on empowering amateur Christian leaders to authentically practice the New Testament one another verses in home churches each week with the goal of mutual growth and maturity in Christ Being naked with one another being known and knowing others is the starting point for both pastors and lay leaders who want to help fellow believers move out of self centeredness and immaturity to become forgivers peacemakers and effective kingdom proclaimers The emphasis is on practicing genuine hospitality and authentic vulnerability each week listening rather than lecturing sharing struggles honestly and retelling the Great Story of Jesus to one another The chapters explain how home church leaders can nurture spiritual identity in group members and release one another to grow up in Christ while mutually ministering their spiritual gifts The author gives biblical and practical insight from years of experience in leading home churches tackling such challenges to maturity as anger victimhood financial disarray unresolved marriage conflicts grief and loss Real home church should be neither an encounter group nor another Bible study the author explains but an ongoing experience that helps us actually do the truth we already know Jim Reynolds holds a bachelor's and a master of divinity degree from Abilene Christian University 1964 1967 a doctorate from the Graduate Theological Union Berkeley Calif 1974 and a law degree from Southern Methodist University 1981 He has been a licensed marriage and family counselor and has published numerous articles and books including *Secrets of Eden* God and Human Sexuality 1974 *The Lepers Among Us* 2007 *The Lavish Hospitality of God* 2009 *Why We Don't Shoot the Wounded* 2010 and *The Unfinished Drama of Scripture* 2012 Jim has taught religion theology philosophy and biblical studies at Pepperdine University and the University of Texas and presently is an adjunct professor at Dallas Christian College From 1981 to 2007 Jim was a family lawyer and partner with the Whitaker Chalk law firm in Fort Worth Texas Since 1984 he has been pastor of Lake Highlands Church in Dallas Texas Jim and his wife Donna have two children and eight grandchildren

The Oxford Handbook of Light in Archaeology Costas Papadopoulos,Holley Moyes,2021-12-09 Light has a fundamental role to play in our perception of the world Natural or artificial lightscapes orchestrate uses and experiences of space and in turn influence how people construct and negotiate their identities form social relationships and attribute meaning to im material practices Archaeological practice seeks to analyse the material culture of past societies by examining the interaction between people things and spaces As light is a crucial factor that mediates these relationships understanding its principles and addressing illumination s impact on sensory experience and perception should be a fundamental pursuit in archaeology However in archaeological reasoning studies of lightscapes have remained largely neglected and understudied This volume provides a comprehensive and accessible consideration of light in archaeology and beyond by including dedicated and fully illustrated chapters covering diverse aspects of illumination in different spatial and temporal contexts from prehistory to the present Written by leading international scholars it interrogates the qualities and affordances of light in different contexts and im material environments explores its manipulation and problematises its elusive properties The result is a synthesis of invaluable insights into sensory experience and perception demonstrating illumination s vital impact on social cultural and artistic contexts **The Epistle of Jesus to the Church** James D. Quiggle,2008-01-01 The Epistle of Jesus to the Church is

a commentary on the book of Revelation that assumes Jesus was the author and John the reporter of the words and events described Here one will not find an explanation of an anti Roman message written by John in hidden codes and apocalyptic motifs to fool Roman authorities John the apostle and prophet was the faithful scribe who did not create the message but faithfully and accurately described all that he saw and heard This commentary follows the principle that the Scriptures explain themselves because the Revelation is a word from Jesus to his church a word that is grounded in the Scriptures The Epistle of Jesus to the Church has been written with teachers students and pastors in mind The interpretation of the book of Revelation is thorough difficult passages are addressed and plausible answers are provided to the questions posed by in depth study of the biblical book This is a commentary for personal study or classroom instruction one that may be confidently used to preach and teach the Revelation of Jesus to the church
