**Naked is the Best Disguise** Lauri Lewin, 1984      Strip Show Katherine Liepe-Levinson, 2003-09-01 This book offers an account of an unprecedented North American study of contemporary female and male strip shows. It particularly focuses on the contradictory sex roles, cultural positions and performance practices of straight strip shows during their second heyday in the early 1990s. Katherine Liepe Levinson's research took her to over seventy different strip bars, clubs, theatres and sex emporiums ranging from elaborate lap dancing and couch dancing gentlemen's clubs in New York, Houston and San Francisco to Peoria's onetime duplex cabaret where women strip for men downstairs and men for women upstairs to the nightclubs of Montreal where female and male performers displayed the Full Monty. Liepe Levinson's intriguing comprehensive study concentrates on the cultural and theatrical elements of the strip shows themselves including the geographic locations and interior designs of the clubs, the choreography and costumes of the dancers and the all important participation of the audience. She draws upon a variety of methodologies as well as interviews with performers to explore how the strip show's cultural and theatrical aspects simultaneously uphold and break traditional sex roles. Her findings readily complicate several of the most prominent and prevalent theories about sexual representation, gender and desire.

**Strip Club** Kim Price-Glynn, 2010-09-14 Stripper chic is in these days; you can watch celebrities strip on Oprah or do it yourself at your local gym, but this popular face of stripping hides another side of the industry, one that is far less glamorous. In *Strip Club*, Kim Price Glynn takes us behind the scenes at The Lion's Den, a rundown club where women are compelled to strip out of economic need rather than as a means of liberation, and a place where strippers' stories often reflect drudgery and dismay. *Strip Club* reveals the intimate working lives of not just the women up on stage but also the patrons and other workers who make the place run: the owner, manager, bartenders, deejays, doormen, bouncers, housewives and cocktail waitresses. Price Glynn spent fourteen months at The Lion's Den working as a cocktail waitress. Her uncommonly deep access reveals a conflict-ridden workplace fuelled by competing interests and agendas and stereotypical ideas about women, men, sexuality, race, labour and economic value. Full of rich insights into the world of a single club, Price Glynn argues that the club environment reproduces gender inequalities through the everyday interactions of customers and workers as well as the broader organizational structure and culture of the modern day workplace. Taking a novel approach to this controversial and often misunderstood industry, Price Glynn draws a fascinating portrait of life and work inside the strip club.      **Dirt,**

**Undress, and Difference** American Anthropological Association. Meeting, 2005-12-20 Explores how transgressions of the body's surface, dirt and undress in many forms, take on cultural, political and moral value.      *Different Sexual Worlds* Dick Skeen, 2023-12-21 Through an in-depth look at the sexual lives of real people, *Different Sexual Worlds* illustrates the myriad dimensions of human sexuality. Developed as a supplementary text for college-level courses, this innovative book charts the sexual development and maturation of ten men and women in order to help students gain an integrated perspective on

human sexuality Among those whose stories are told are Libby who overcame emotionally dependent behavior and achieved a satisfying sexual identity Ed a gay man who lived with and eventually died from the AIDS virus Jennifer who chose to become a prostitute to escape a disastrous home life and Nick whose sexual exploration helped him grow and find the perspective he needed to be able to commit to a long term relationship Dick Skeen's thoughtful analysis of the unique stories contained in the book and the intriguing questions he poses for discussion make this book required reading for courses on human sexuality

**Naked Truth** Judith Lynne Hanna, 2012-05-01 Across America strip clubs have come under attack by a politically aggressive segment of the Christian Right Using plausible sounding but factually untrue arguments about the harmful effects of strip clubs on their communities the Christian Right has stoked public outrage and incited local and state governments to impose onerous restrictions on the clubs with the intent of dismantling the exotic dance industry But an even larger agenda is at work according to Judith Lynne Hanna In *Naked Truth* she builds a convincing case that the attack on exotic dance is part of the activist Christian Right's grand design to supplant constitutional democracy in America with a Bible based theocracy Hanna takes readers onstage backstage and into the community and courts to reveal the conflicts charges and realities that are playing out at the intersection of erotic fantasy religion politics and law She explains why exotic dance is a legitimate form of artistic communication and debunks the many myths and untruths that the Christian Right uses to fight strip clubs Hanna also demonstrates that while the fight happens at the local level it is part of a national campaign to regulate sexuality and punish those who do not adhere to Scripture based moral values Ultimately she argues the naked truth is that the separation of church and state is under siege and our civil liberties free speech women's rights and free enterprise are at stake

*Stripped* Bernadette Barton, 2006-05-01 Discover the complex work and personal experiences of women in the exotic dancing industry What kind of woman dances naked for money Bernadette Barton takes us inside countless strip bars and clubs from upscale to back road as well as those that specialize in lapdancing table dancing topless only or peep shows to reveal the startling lives of exotic dancers Based on over five years of research and from visiting clubs around the country particularly in San Francisco Hawaii and Kentucky *Stripped* offers a rare portrait of not just how dancers get into the business but what it's like for those who choose to strip year after year Through captivating interviews and first hand observation Barton recounts why these women began stripping the initial excitement and financial rewards from the work

the dangers of the life namely drugs and prostitution and inevitably the difficulties in staying in the business over time especially for their sexuality and self esteem Stripped provides fresh insight into the complex work and personal experiences of exotic dancers one that goes beyond the sex wars debate to offer an important new understanding of sex work
