Naked Justice :

Naked Justice William Bernhardt, 2012-10-02 A lawyer must defend a mayor accused of murdering his family Bernhardt again proves himself master of the courtroom drama Library Journal With his winning smile acting experience and history as one of the best quarterbacks Oklahoma University has ever seen Wally Barrett had no trouble becoming Tulsa's first black mayor But this perfect politician has a dark side too One afternoon at an ice cream parlor a dozen people watch as he nearly hits his wife during an argument about their children That same night a neighbor calls the police after hearing screams from inside the mayor's house The patrolman discovers the first lady and her children murdered and the mayor nowhere to be found Barrett is captured after a high speed chase insensible and covered in blood The only person willing to defend him is Ben Kincaid a struggling defense lawyer with a history of winning impossible cases But when the national media descends on Tulsa Kincaid will have to do something he's never done before and oversee an increasingly wild three ring circus *Cruel Justice* William Bernhardt, 2012-10-02 A routine personal injury case leads a lawyer into a decade old murder mystery A superb legal thriller Wonderfully diverting reading Booklist Ben Kincaid's air conditioner is on the fritz his staff is on half pay and his sister has just disappeared leaving him holding her baby He needs fast money and a quick and dirty personal injury suit could do the job But what looks like a sure fire case turns out to be something far more complicated His prospective client hopes to rescue his son a twenty eight year old with the mind of a child Ten years earlier Leeman was accused of murdering a woman with a golf club and he has been locked in a mental institution ever since Now he is finally about to come to trial and Kincaid sees no way to save him But when a young Tulsa boy goes missing Kincaid senses a connection between the two cases Finding the abductor and could mean saving lives Leeman's the kidnapped child's and those of the countless victims to come Justice Denoted Terry White, 2003-09-30 White provides the most comprehensive scholarly compilation of fictional work of legal suspense in existence Primarily a bibliography of novels it also annotates plays scripts for film and television novelizations and short story collections about lawyers and the law The idea behind the principal of selection is to disdain labels that reduce the variety of the legal thriller to a subgenre of mystery fiction Novels that range from suspense thrillers through science fiction to the philosophical novel are included if justice is thematically important It is therefore an eclectic reference source beyond a compilation of books about lawyers as protagonists Its biographical and scholarly information about authors major and minor and their novels or works is traditionally encyclopedic and objective regardless of whether the work has been genre defined or worse deified as a classic or denigrated as a bestseller Many novels included are long out of print but historically interesting for their contribution to the lineage of the courtroom drama showing that the history of the legal thriller is one of the major branches of modern literature since the Age of Reason The criterion of justice denoted moves beyond the fact of lawyers and courtrooms to select seminal novels like Robert Travers Anatomy of a Murder as well as the romantic potboiler Among the more than 2 000 works are the Perry Mason novels of Erle Stanley Gardner John

Mortimer's Rumpole series along with a staple of fiction by major authors of the genre like John Lescroart, Lisa Scottoline, Margaret Maron, Scott Turow, and John Grisham. There are also individual works by Shakespeare, Goethe, Kafka, Camus, and Twain delineating humanity's obsession with the law as its shining prop of civilization and alternative *boite noire* of the common individual caught up in its maw. The appendices include comments by lawyer-novelist Michael A. Kahn, a historical introduction to the legal thriller, craft notes by writers and prominent trial lawyers responding to author and lawyer questionnaires, bibliography of critical sources and articles, series characters, and the legal terminology found in courtroom dramas and novels. An essential reference tool for scholars, researchers, as well as the occasional reader of legal thrillers.

Primary Justice William Bernhardt, 1992. Oklahoma attorney Ben Kincaid battles murder, corruption, and more in and out of the courtroom in this bestselling series of legal thrillers. **Naked Justice 1** Patrick Fillion, 2005. **Justice**

Dohner, 2024-10-03. THIS IS A RERELEASE OF A PREVIOUSLY PUBLISHED BOOK. Justice North is the face of New Species. Seeing him up close makes Jessie's heart race. He's the ultimate alpha male, big, muscular, exotically beautiful, and dangerous. Of course, he's off-limits. But then the sexy man purrs, and all bets are off. Jessie Dupree is a mouthy, fiery human female who brings out the animal in Justice. She wants to show him how to relax, and he's all for anything she wants to do, but Justice has sworn to protect his people and to take a Species mate. He's torn between the woman he wants and the oath he's taken. Jessie knows a relationship between them probably won't end well; heartbreak is inevitable. But that won't stop her from freeing the wildness inside Justice, and spending every moment she can, wrapped around his hot body, making him roar with passion.

Deadly Justice William Bernhardt, 1993-05-29. Bernhardt is a master legal tour guide, taking the reader through the labyrinth of the judicial system of America's heartland. Mostly Murder. Ben Kincaid is not a superstar attorney. In Tulsa, Oklahoma, there are only a few lawyers who win headlines and big bucks. So when the notorious Apollo Consortium offers Ben a job as their in-house counsel, he takes it for the money. The violence in the streets outside the Apollo is nothing compared to the backstabbing politics of the firm. And when Ben wins his first case, he unwittingly sets up some bitter rivalry with his colleagues, rivalry that will culminate in a fellow lawyer's dead body, and Ben charged with murder. Ben Kincaid is a refreshing change from the omniscient, holier-than-thou attorney investigators whose courtroom acrobatics and aerial law displays are more show than substance. *Tulsa World*. Silent Justice William Bernhardt, 2001-02-27. When a powerful corporation is charged with dumping toxic chemicals into a community's drinking water and killing innocent children, Ben Kincaid knows the class action suit is a suicide mission. Facing off against the small Kincaid staff is Tulsa's largest law firm. Challenging Ben in the courtroom is the firm's fabled top gun, not to mention a hot-headed judge with a notorious soft spot for big business. But as Ben prepares for legal battle, a sadistic killer strikes. With each gruesome murder, a terrifying connection is more deeply drawn between Ben's quest for justice and another man's relentless hunt for the spoils of his own private and very dirty war. Dark Justice William Bernhardt, 2007-12-18. Suffering from courtroom burnout, attorney Ben

Kincaid heads to the picturesque Pacific Northwest for some much needed R and R But Ben s blissful getaway becomes a busman s holiday in the small town of Magic Valley where a pitched battle between the local logging industry and crusading conservationists has led to brutal murder Years earlier professional activist George Zakin was successfully defended against a charge of murder by a fledgling attorney named Ben Kincaid Now accused of viciously killing a lumberjack Zakin is counting on Ben to duplicate that long ago courtroom coup With the odds stacked against him Ben walks into a war zone in the courtroom and a potential killing field in Magic Valley an explosive place where allies and enemies are hard to tell apart and digging for the truth is as good as digging your grave Yuletide Splitsville William Bernhardt,2022-12-06 In this story William Bernhardt sends his crusading attorney Kenzi Rivera Splitsville to solve the mystery of a missing family heirloom with several lives hanging in the balance So pull up a chair by the Christmas tree put on your holiday music grab a glass of eggnog and get the Christmas spirit with Kenzi Rivera
