Gary Toward, Chris Henley, Andy Cope, 2016-02-26 The Art of Being a Brilliant Classroom Assistant is a new addition to the successful Art of Being Brilliant series There are many different names and acronyms for these amazing classroom practitioners teaching assistants TAs learning support assistants LSAs cover supervisors supply teachers student mentors higher level teaching assistants HLTAs learning partners the list goes on The title doesn't matter but the quality of support interaction and learning does Whether you work one to one with individual children support small groups or work with a whole class and whether you work in a primary secondary or special setting this book is packed with ideas to enhance your practice so you can best support children's learning while looking out for your own wellbeing and enjoying your role You can dip in for top tips anecdotes practical strategies and advice on every aspect of the role as well as have a chuckle as you go For example did you know there is a patron saint for just about everything There is even a patron saint of failures Birgitta of Sweden who presumably failed to impress Ofsted on more than one occasion If you scour the list you'll find that every occupation has a nominated guardian looking after their wellbeing That is except one classroom assistants So if there's nobody up there cheering you on you might need to find the resources within yourself and Andy Chris and Gary can help

Because let's face it working with youngsters isn't for the fainthearted is it What do you do if you are sworn at How do you engage a reluctant learner What about safeguarding How do you support children with SEND How do you handle a challenging parent How can you develop your career further These topics and a whole raft more are woven into this book which will set you on the road to brilliance It doesn't matter whether it's inspiration or new ideas you want this book has a plethora of both It may challenge your thinking it may persuade you to do something different and above all it will put you in serious danger of being brilliant at what you do There's nothing more important or vital than the education and development of our youngsters the mission of the Art of Being Brilliant series is to help all educators unlock their brilliance The Art of Being Brilliant series was a finalist in the 2017 Education Resources Awards in the Educational Book Award category

Why People Work Ercell Charles, 2024-05-14 Why do people work This appears to be a very simple and obvious question And when we ask this question to people we usually get a simple and seemingly obvious answer DUH They want to get a paycheck The wise and insightful leader will go beyond this obvious response and come to grips with the fact that there are more complex and hidden human needs within the human spirit There are most likely thousands of leadership books written to equip leaders to develop the skills and behaviors necessary to encourage their teams to achieve goals and purposes However the primary focus of this book is to assist leaders in looking deeper into the expectations and motivations of the people they serve So as the organization is achieving its strategic plans and objectives it is also meeting the critical needs and ambitions of its most important essential resources better known as its human resources In businesses and organizations today everything begins and ends with leadership The leaders who go beyond the obvious to uncover these critical hidden expectations of their employees are able to create a culture of engagement and retention where employees not only give you their hands but most importantly their hearts The return on investment for this effort is that the leader will earn their employees best effort Therefore when you know your employees why game they will bring their A game *Sharing*

Leadership Sarah B. Drummond, 2021-09-15 The structure of the United Church of Christ and its well being depends upon shared leadership between ministers and congregations between congregations between believers with diverse life experiences across regions with varied histories That quality of collaboration is often understated in contrast to the United Church of Christ's more public pronouncements yet the ethos of shared leadership may be one of the UCC's greatest gifts to a secular world that is increasingly narrated by division and platform **The Impact of One Voice, Volume 1: Your**

The Bulletproof Leader Glenn Dorsey, 2022-04-05 Stop hiding and experience healing Leaders share a unique challenge in bridging the gap between their public and personal lives Unrealistic pressures and demands encourage many to hide or minimize their weaknesses and mistakes Those who refuse to address their issues privately are often later forced to confront their troubles publicly leaving them in disgrace In *The Bulletproof Leader* Glenn Dorsey offers a fresh approach that centers on the development of a leader as a person complete with faults failures and feelings Each chapter contains real life applications practical wisdom and biblical principles coaching readers on how to embrace authenticity conquer flaws establish boundaries develop personal accountability and cultivate a balanced life Become the leader you are meant to be and leave a legacy of blessing

The Buddha in Me, The Buddha in You David Hare, 2016-02-04 Do you want to be happier Find inner calm Enjoy a rich and rewarding life Here's how *The Buddha in Me the Buddha in You* combines the tried and tested wisdom of Nichiren Buddhism with the best of popular psychology and personal development making this a brilliant guide to how life works and how to get the most from it Nichiren Buddhism differs from other Buddhist schools in its focus on the here and now and places great importance on individual growth as the starting point for a better world This combined with powerful techniques such as NLP mindfulness journalling and coaching makes *The Buddha in Me the Buddha in You* the quintessential handbook for happiness Buddha simply means someone who is awakened yet while Nichiren Buddhists will find fascinating insights into their practice there is no need to follow a spiritual path to benefit from this book Through his experience as an internationally acclaimed life coach and practising Buddhist author David Hare shows us how to wake up to our own potential and that of those around us to discover everyday enlightenment

What Do Leaders Really Do? Jeff Grout, Liz Fisher, 2010-02-12 An enormous range of literature on leadership and management theory has been produced over the years some of it highly academic and much of it contradictory *What Do Leaders Really Do* takes the basis of the best known management theories to see how they fit with the practical reality of leadership How do leaders spend their time Are they really preoccupied with strategy vision and inspiring people Do they lead by accident or design The book challenges the assumption that leaders are born not made and explores the theory that female leaders are fundamentally different from their male counterparts *What Do Leaders Really Do* Looks into the everyday working lives of well known leaders in a variety of fields business sport and the armed forces in order to identify the elements that encourage people to follow where they lead Drawing on the experiences of a wide range of leaders with varying backgrounds and roles as well as a range of respected academics and management writers this book will closely analyze the background experiences and behavior of a diverse set of leaders A central part of the analysis will be a detailed examination of what these leaders do on a day to day

basis It is not a book about management theory but an accessible no nonsense guide to those theories and how they translate to real life Many people lead effectively without knowing how they do it this book will isolate and identify the core skills and behavior displayed by effective leaders What Do Leaders Really Do is intended to be a refreshing alternative to the hundreds of academically oriented leadership books that are available The tone will be straight forward accessible and sometimes humorous rich with first person evidence and anecdotes It will dissect popular leadership theory into the easily understandable basics with reference to the practicalities of real life leadership situations After all what good is theory if it doesn t work in practice
