Naked Liar More Ta:

The Liar's Key Mark Lawrence, 2015-06-02 From the international bestselling author of the Broken Empire trilogy comes the second book of the Red Queen's War. After harrowing adventure and near death, Prince Jalan Kendeth and the Viking Snorri ver Snagason find themselves in possession of Loki's key, an artefact capable of opening any door and sought by the most dangerous beings in the Broken Empire. Including the Dead King, Jal wants only to return home to his wine, women and song, but Snorri has his own purpose for the key: to find the very door into death, throw it wide and bring his family back into the land of the living. And as Snorri prepares for his quest to find death's door, Jal's grandmother, the Red Queen, continues to manipulate kings and pawns toward an endgame of her own design. [The Second Sexism](#) David Benatar, 2012-05-07 Does sexism against men exist? What it looks like and why we need to take it seriously. This book draws attention to the second sexism, where it exists, how it works, and what it looks like, and responds to those who would deny that it exists. Challenging conventional ways of thinking, it examines controversial issues such as sex-based affirmative action, gender roles, and charges of anti-feminism. The book offers an academically rigorous argument in an accessible style, including the careful use of empirical data and includes examples and engages in a discussion of how sex discrimination against men and boys also undermines the cause for female equality. **When They Fade** Jeyn Roberts, 2016-09-13 In the tradition of *The Lovely Bones* and Neal Shusterman's *Everlost* comes a haunting tale of two girls, one dead, one alive, and high school bullying that's about to turn deadly. Now a 2016 Bram Stoker Awards Finalist. When Tatum has a falling out with a popular girl at school, she isn't prepared for the vicious backlash that follows. One foggy night, Tatum sneaks out for a drive. The teenage hitchhiker she picks up doesn't talk much until she suddenly turns to Tatum and says, "You're going to die. It will hurt, and you'll be alone. And no one will help you. And then she disappears. Is the girl a ghost? Or is this just another sick game the bullies at school are playing? As the two girls' stories converge, they will discover that the only way to help themselves is to first save each other. A satisfying read that tackles heavy issues and is never weighed down by them.
