Kellow,2022-03-21 The Wisdom of the Commons examines the history and philosophy of civic education as the essential political part of liberal education This study distinguishes itself from other works on liberal and civic education by focusing explicitly on the civic and liberal education of those citizens who are not destined for prominent positions within politics and government but are still a part of and relevant to political society It considers this strand of liberal and civic education in both its ancient and modern iterations by focusing on the philosophies of Plato Cicero Locke Rousseau and Adam Smith **The Record of an Adventurous Life** Henry

Mayers Hyndman,1911 **300 Years of Robinsonades** Emmanuelle Peraldo,2020-03-10 Daniel Defoe's Robinson Crusoe 1719 has had an enduring and widespread impact becoming a universal myth This volume offers various approaches to the rewriting of the deserted island myth of the novel Its originality comes from the time range covered as its focus ranges from medieval proto Robinsonades to twentieth century cinematic adaptations It begins with an exploration of Robinsonades

written before Robinson Crusoe prompting discussion about the label Robinsonade and why critics have seen Defoe's narrative as the hypotext of the genre Robinson Crusoe can only be understood in the context of the imperial expansion of Britain in the 18th century and the rise of capitalism but Robinsonades adapt to the audiences they address At the turn of the 19th century despite the changing context and the increasingly unrealistic claim that one could be stranded on a desert island fertile enough for rebuilding a new life and civilization the myth of Robinson resurfaced in R L Stevenson's and Joseph Conrad's fictions The 19th century was also marked by industrial revolution progress and scientism and the authors who wrote Robinsonades at that period witnessed how those developments changed the world The volume includes a discussion of Jules Verne's work as a critical perspective on colonial narratives and deals with transmedial and transgeneric approaches analysing the bridges and comparisons between the depictions of such narratives in literature cinema and television Finally the volume proposes a topical approach to the genre by focusing on the link between literature and the environment and how the Robinsonade can awaken people's consciences and help make a difference in the world Bearing in mind the idea that Robinsonades can be wake up calls the epilogue of this volume offers a very original comparison between the Robinsonade and the political situation in Great Britain regarding Europe *Borderland* William Thomas Stead, 1896

A Concise History of Australia Stuart Macintyre, 2009-06-29 Australia is the last continent to be settled by Europeans but it also sustains a people and a culture tens of thousands years old For much of the past 200 years the newcomers have sought to replace the old with the new This book tells how they imposed themselves on the land and brought technology institutions and ideas to make it their own It relates the advance from penal colony to a prosperous free nation and illustrates how as a nation created by waves of newcomers the search for binding traditions was long frustrated by the feeling of rootlessness until it came to terms with its origins The third edition of this acclaimed book recounts the key factors social economic and political that have shaped modern day Australia It covers the rise and fall of the Howard government the 2007 election and the apology to the stolen generation More than ever before Australians draw on the past to understand their future
