Beau Ideal Percival Christopher Wren, 2022-08-16 In *Beau Ideal* Percival Christopher Wren crafts a captivating narrative that intertwines themes of honor camaraderie and the complexities of soldiering amid the backdrop of colonial exploits The novel originally published in 1925 features a rich and immersive literary style characterized by vivid descriptions and dynamic dialogue which serve to evoke the visceral realities of military life Set against exotic landscapes and heroic ideals Wren's work reflects the zeitgeist of the early 20th century exploring notions of masculinity and the moral dilemmas faced by individuals in a rapidly changing world Wren a British author and former soldier draws from his own experiences serving in the military which deeply influenced his storytelling His background in the British Army and firsthand encounters with the intricacies of human relationships during wartime lend authenticity and emotional depth to his characters Wren's unique perspective as both an observer and participant in the colonial conflicts of his time animates his narratives allowing readers to grapple with the harsh realities of honor and sacrifice *Beau Ideal* is a compelling read for those interested in military fiction and the exploration of idealistic heroism Wren's deft storytelling and rich character development make this novel not only an engaging adventure but also a poignant commentary on the human condition indeed

a must read for anyone who appreciates literature that probes the depths of bravery and moral ambiguity **Modern Hungers** Alice Weinreb, 2017-05-01 During World War I and II modern states for the first time experimented with feeding and starving entire populations Within the new globalizing economy food became intimately intertwined with waging war and starvation claimed more lives than any other weapon As Alice Weinreb shows in *Modern Hungers* nowhere was this new reality more significant than in Germany which struggled through food blockades agricultural crises economic depressions and wartime destruction and occupation at the same time that it asserted itself as a military cultural and economic powerhouse of Europe The end of armed conflict in 1945 did not mean the end of these military strategies involving food Fears of hunger and fantasies of abundance were instead reframed within a new Cold War world During the postwar decades Europeans lived longer possessed more goods and were healthier than ever before This shift was signaled most clearly by the disappearance of famine from the continent So powerful was the experience of post 1945 abundance that it is hard today to imagine a time when the specter of hunger haunted Europe demographers feared that malnutrition would mean the end of whole nations and the primary targets for American food aid were Belgium and Germany rather than Africa Yet under both capitalism and communism economic growth as well as social and political priorities proved inseparable from the modern food system Drawing on sources ranging from military records to cookbooks to economic and nutritional studies from a multitude of archives *Modern Hungers* reveals similarities and striking ruptures in popular experience and state policy relating to the industrial food economy In so doing it offers historical perspective on contemporary concerns ranging from humanitarian food aid to the gender wage gap to the obesity epidemic **The Universal Anthology** Richard Garnett, Leon Vallée, Alois Brandl, 1899 *Dead of Night* Randy Wayne White, 2006-03-07 New York Times bestselling author Randy Wayne White spins another terrific Florida tale in this thriller of bio terror and extreme revenge It starts with a simple request check up on the mysteriously reclusive biologist brother of an old friend But what Doc Ford stumbles upon in the doctor's secluded island home is a nightmare He has hanged himself and his body is host to a rare strain of feeding breathing parasites It's not an accident Neither is the fact that the flesh eaters are multiplying in the infested Florida waters A biological catastrophe has arrived And only Doc Ford can find out why and stop it from spreading further *The Notorious Ian Grant* Mark R Hunter, 2014-08-01 When infamous party boy and b list celebrity Ian Grant learns his sister is marrying a cop he abandons Hollywood and drives to Indiana His plan to make up for all those times he embarrassed his family by taking charge of the wedding planning So Ian's never planned a wedding how hard could it be The tornado ravaged town of Hurricane is like another world a world he'd like to be part of if only people would stop judging him by his previous antics He might even have a chance at romance with his future brother in law's coworker detective Fran Vargas But for Fran everything's gone wrong since the moment Ian arrived including their confrontation with a bullying politician and an influx of nosy reporters and angry ex girlfriends Not to mention Ian's wedding planning keeps getting interrupted by someone trying to kill him No one

ever said redemption is easy Stranger to the Moon Evelio Rosero, 2022-03-03 A chilling allegorical novella by the masterful Colombian writer who poses timeless questions about violence and subjugation power and freedom Imagining the darkest of power imbalances in a dystopian world in which the most vulnerable are held captive and wherein survival depends on the ability to remain anonymous identity is a threat Those who have everything would revel in the humiliation of others and identification brings with it the ultimate punishment When hiding is no longer possible the only choice may be to rebel More frightening than the dystopia of Ishiguro's *Never Let Me Go* and with elements of the surreal to rival Kafka's *Metamorphosis* Rosero's hypnotic tale builds in tension to deliver a crippling emotional punch **Solar Warden** Peter Fuller, 2020-02-29 US Air Force combat pilot Colonel Steve Richardson suffers a severe head injury when his F 35 crashes in the mountains of northern Afghanistan With help too far away death appears imminent When an unusual craft appears and rescues him Richardson is convinced he's hallucinating It conveys him to a massive spaceship in orbit where he is treated for his wounds Once he recovers from his injuries Richardson is introduced to a covert space force called Solar Warden This secret space program utilizes futuristic technology to defend earth against a paranormal alien threat intent on destroying earth's inhabitants When Richardson joins the program he learns that his new comrades are losing the conflict Can he learn to operate technology half a century ahead of what he has been trained for in time to be an asset Or will he become just another casualty in an interstellar war *Everything is Now* Michelle Cliff, 2009 *Everything is Now* brings together in one volume all of the short fiction of Jamaican born author Michelle Cliff The stories examine the dualities of the modern world black and white America and the third world past and present femininity and masculinity and colonialism and revolution

Site Reading David J. Alworth, 2018-11-20 *Site Reading* offers a new method of literary and cultural interpretation and a new theory of narrative setting by examining five sites supermarkets dumps roads ruins and asylums that have been crucial to American literature and visual art since the mid twentieth century Against the traditional understanding of setting as a static background for narrative action and character development David Alworth argues that sites figure in novels as social agents Engaging a wide range of social and cultural theorists especially Bruno Latour and Erving Goffman *Site Reading* examines how the literary figuration of real material environments reorients our sense of social relations To read the sites of fiction Alworth demonstrates is to reveal literature as a profound sociological resource one that simultaneously models and theorizes collective life Each chapter identifies a particular site as a point of contact for writers and artists the supermarket for Don DeLillo and Andy Warhol the dump for William Burroughs and Mierle Laderman Ukeles the road for Jack Kerouac Joan Didion and John Chamberlain the ruin for Thomas Pynchon and Robert Smithson and the asylum for Ralph Ellison Gordon Parks and Jeff Wall and shows how this site mediates complex interactions among humans and nonhumans The result is an interdisciplinary study of American culture that brings together literature visual art and social theory to develop a new sociology of literature that emphasizes the sociology in literature **Encyclopedia of the Novel** Paul
