Greenberg, Clint E. Bruess, Sarah C. Conklin, 2010-03-01 **Exploring the Dimensions of Human Sexuality**, **Naked Truth** Judith Lynne Hanna, 2012-05-01 Across America strip clubs have come under attack by a politically aggressive segment of the Christian Right Using plausible sounding but factually untrue arguments about the harmful effects of strip clubs on their communities the Christian Right has stoked public outrage and incited local and state governments to impose onerous restrictions on the clubs with the intent of dismantling the exotic dance industry But an even larger agenda is at work according to Judith Lynne Hanna In *Naked Truth* she builds a convincing case that the attack on exotic dance is part of the activist Christian Right's grand design to supplant constitutional democracy in America with a Bible based theocracy Hanna takes readers onstage backstage and into the community and courts to reveal the conflicts charges and realities that are playing out at the intersection of erotic fantasy religion politics and law She explains why exotic dance is a legitimate form of artistic communication and debunks the many myths and untruths that the Christian Right uses to fight strip clubs Hanna also demonstrates that while the fight happens at the local level it is part of a national campaign to regulate sexuality and punish those who do not adhere to Scripture based moral values Ultimately she argues the naked truth is that the separation of church and state is under siege and our civil liberties free speech women's rights and free enterprise are at stake Things Your Mother Never Told You Kim Gaines Eckert, 2014-01-10 Why aren't Christian women talking about sex In this frank exploration of all aspects of what it means to be a sexual being created by God Kim Gaines Eckert explores myths about female sexuality that we have absorbed from both popular culture and distorted religious teaching **Aunt Epp's Guide for Life** Elspeth Marr, 2011-09-30 In this delightful and engagingly eccentric treasury of life lessons redoubtable Victorian Elspeth Marr 1871-1947 reflects on the fundamental topics of life as well as the nuts and bolts of everyday living The Working Woman's Guide to Balancing Kids, Career, House and Spouse, Or, If There is a Light at the End of the Tunnel It's Probably a Fire Mimi O'Bara, 2002 *Through the Artist's Eyes* Scott J. about and acted on what a woman's body gives us rather than what it can cause us to do And what it should cause us to do is to worship the God of the universe For many men the struggle with lust is not a struggle It is a war It is a war we seem to be losing Many men give up the fight altogether In *Through the Artist's Eyes* author Scott J Einig shares the trials of his own years long war with lust and how when all seemed lost God set him free Einig goes on to share all the things God taught him about what it truly means to be pure in this world what changes we need to make and that lasting victory over lust is possible This book is a message of hope for the hopeless We can be free We can have victory We can be men It is for freedom that Christ has set us free Stand firm then and do not let yourselves be burdened again by a yoke of slavery Galatians 5:1

Her World, Women and Fashion in Singapore 1974-1989 Nadya Wang,2025-07-24 Between 1974 and 1989 significant changes were taking place in the lives of Singaporean women and in their local fashion industry These shifts were not only reflected in but actively shaped by the magazine *Her World* In *Her World Women and Fashion in Singapore* Nadya Wang uses dress as a lens through which to view fragments of the magazine over 15 years Advocating for a new and decentred understanding of the evolution of the

Singapore woman Wang's writing also traces the creation of a fashion industry that pivoted from seeking validation from global fashion cities to establishing itself as the lead of a Southeast Asian fashion community. Visual analysis of archival materials is combined with oral history interviews to demonstrate how the women of Singapore engaged with local and global ideas, fashion and beauty commodities and imagery of models and beauty queens in their self-fashioning. Challenging existing understandings of their agency, this book attests to the creativity and adaptability of Singapore women and Singapore fashion designers.

Women in Beckett Linda Ben-Zvi, 1992. Twelve actresses from seven countries are interviewed about their experience of performing in plays by Samuel Beckett, including their physical and psychological preparation. An additional 19 essays explore critical themes relating to the plays as fiction, as fiction becoming drama, and as drama on stage, radio and television. Annotation copyrighted by Book News Inc. Portland, OR. **Faking It** Lux

Alptraum, 2018-11-06. From *Out of the Binders*, co-founder Lux Alptraum's controversial look at women, sex and lying: why myths about women's deceit persist, how they came to be, and ultimately why we must trust women. When we talk about sex, we talk about women as mysterious, deceptive, and above all, untrustworthy. Women lie about orgasms. Women lie about being virgins. Women lie about who got them pregnant, about whether they were raped, about how many people they've had sex with, and what sort of experiences they've had. The list goes on and on. Over and over we're reminded that on dates, in relationships, and especially in the bedroom, women just aren't telling the truth. But where does this assumption come from? Are women actually lying about sex, or does society just think we are? In *Faking It*, Lux Alptraum tackles the topic of seemingly dishonest women, investigating whether women actually lie and what social situations might encourage deceptions, both great and small. Using her experience as a sex educator and former CEO of *Fleshbot*, the foremost blog on sexuality, first-hand interviews with sexuality experts and everyday women, Alptraum raises important questions: are lying women all that common, or is the idea of the dishonest woman a symptom of male paranoia? Are women trying to please men, or just avoid their anger? And what affect does all this dishonesty, whether real or imagined, have on women's self-images, social status, and safety? Through it all, Alptraum posits that even if women are lying, we're doing it for very good reason: to protect ourselves. My boyfriend will be here any minute, to a creep who won't go away for one, and in situations where society has given us no other choice.
