The names of God that reveal His character and what He desires to be for us Throughout the Bible we read of many names being attributed to God Each is designed to reveal to us a different aspect of His character and communicates something of how God desires to interact with us Above all the name of God show us that He wants to meet our needs in every area of life When we call for help He has an answer and that answer is Himself It we are stressed out by life He is our Peace If we are embattled and oppressed He is our Banner the One who not only watches over us but goes into battle on our behalf Stuart Bell takes us on a journey through a number of God s names allowing the truths contained in each to reveal all that God desires to be and do for us A crafted prayer at the end of each chapter helps readers to apply these truths to their own lives About the author Stuart Bell is the Senior Pastor of New Life Church with multiple locations in the north of England and the leader of the Groundlevel network of churches He is an internationally respected speaker and teacher and has written several books **Lectures on important doctrines of the true Christian religion** Samuel Noble,1872 **Making**

Sense of the Divine Name in the Book of Exodus Austin Surls,2017-05-08 The obvious riddles and difficulties in Exod 3 13 15 and Exod 6 2 8 have attracted an overwhelming amount of attention and comment These texts make important theological statements about the divine name YHWH and the contours of the divine character From the enigmatic statements in Exod 3 13 15 most scholars reconstruct the original form of the name as Yahweh which is thought to describe YHWH s creative power or self existence Similarly Exod 6 3 has become a classic proof text for the Documentary Hypothesis and an indication of different aspects of God s character as shown in history Despite their seeming importance for defining the divine name these texts are ancillary to and preparatory for the true revelation of the divine name in the book of Exodus This book attempts to move beyond atomistic readings of individual texts and etymological studies of the divine name toward a holistic reading of the book of Exodus Surls centers his argument around in depth analyses of Exod 3 13 15 6 2 8 and Exod 33 12 23 and 34 5 8 Consequently the definitive proclamation of YHWH s character is not given at the burning bush but in response to Moses later intercession Exod 33 12 23 YHWH proclaimed his name in a formulaic manner that Israel could appropriate Exod 34 6 7 and the Hebrew Bible quotes or alludes to this text in many genres This demonstrates the centrality of Exod 34 6 7 to Old Testament Theology The character of God cannot be discerned from an etymological analysis of the word yhwh but from a close study of YHWH s deliberate ascriptions made progressively in the book of Exodus **A Layman Looks at the Lord's Prayer** W. Phillip Keller,2017-05-02 A fresh look at a famous prayer There is inherent in this prayer all the strength and compassion of our Father in heaven There moves through it a beauty and a serenity which no mortal man can fully explain It reassures our hearts strengthens our resolve and leads us into personal contact with God our Father In this moving book by an ordinary man and a child of God Phillip Keller takes each phrase of the Lord s Prayer one by one

unfolding it in wonderful detail and sharing insights he's gained and experiences he's enjoyed Next to Psalm 23 the Lord's Prayer is perhaps the most universally beloved passage in Scripture It has been repeated millions of times by countless individuals for nearly 20 centuries Yet in spite of so much use and familiarity it has never lost its luster A Layman's Look at the Lord's Prayer presents that luster in a fresh way to help you rediscover its incredible power Winner of the ECPA's Top Shelf Cover Award 2017
