Body Language Michael Craft, 2013-07-23 A gay Chicago reporter returns to his Wisconsin hometown and a morass of lust lies and lethal family secrets in this neatly twisted mystery Booklist An unexpected windfall has given burned out Chicago journalist Mark Manning the chance to reconnect with his boyhood roots With the blessing of his lover Neil he leaves the Windy City to return to Dumont Wisconsin to take over the town paper His long awaited family reunion is cut short when his cousin Suzanne is bludgeoned to death just before Christmas dinner Before she dies she whispers something to Manning the name of her son Was she expressing a mother's dying wish for the future welfare of her child Or revealing the identity of her murderer When Manning ends up in the local law's sights he's suddenly racing against time to clear his own name and smoke out a killer With no lack of suspects from a troubled homophobe to a lesbian activist to a housekeeper the

clock is ticking on a story that could be the biggest of Manning's career if he lives long enough to write it *Body Language* is the third book in Michael Craft's Mark Manning series which begins with *Flight Dreams* and *Eye Contact* *Boy Toy* Michael Craft, 2002-06 Mark Manning gave up a career as a prominent journalist at a major daily newspaper in Chicago to take over as the owner and publisher of the Dumont Daily Register the daily newspaper in a small Wisconsin town Living there with his lover architect Neil Waite and his nephew and ward Thad Quatrain Mark's life in Dumont is usually quiet At the moment the biggest news is the forthcoming production of a new play by the local community theater group Two local teenage boys are alternating in the lead role one is Jason Thrush a gregarious and somewhat egotistical athlete and the other is Thad Quatrain When Jason and Thad have a verbal clash during rehearsal it is quickly forgotten by almost everyone involved But when Jason turns up dead on opening night leaving Thad to take over the lead role the local gossip turns against Thad Jason's death is soon proved to be murder and even though he has not been charged opinion about town has all but convicted Thad of the crime Sure that Thad is innocent Mark with the help of his lover and friends is determined to publicly clear Thad's name But that means finding out exactly what happened to Jason Thrush on that fatal day and Manning's investigation may place him and his loved ones in mortal danger **Hot Spot** Michael Craft, 2025-09-23 During his distinguished career as a journalist Mark Manning has seen it all riots murder political corruption and every manifestation of the dark heart of the human species But even his proven emotional resources will be stretched when the home he shares with his lover architect Neil Waite and his ward and nephew Thad Quatrain becomes the site of one of the most daunting taxing and potentially dangerous of all human rituals a wedding Roxanne Exner best friend to both Mark and Neil is having her nuptial ceremony at their house in the normally bucolic Dumont Wisconsin partly because Carl Creighton her husband to be is in the final weeks of his campaign for lieutenant governor of Illinois For Roxanne Dumont will afford some needed distance from the campaign and for the city of Dumont it will be the social event of the season The wedding despite everyone's fears comes off with nary a hitch The reception however takes a disastrous turn when a local matron who happens to be a major donor to the campaign of Creighton's rival is killed in what appears to be a freak electrical mishap Authorities soon discover that the electrocution was no accident Then another shocker Roxanne herself becomes the prime suspect If Roxanne is ever to enjoy her honeymoon and if Carl and his running mate are to stand a chance of election Mark finds himself in a race against the clock to solve a most perplexing murder *Bitch Slap* Michael Craft, 2025-09-23 Journalist Mark Manning has been successfully running his family's newspaper The Dumont Daily Register for several years now and he sits on the board of two local companies Quatro Press and Ashton Mills So when the respective CEOs of these companies discuss a merger it is only natural that Manning be interested in the proceedings What's more Manning's lover Neil an architect is designing a new house for Ashton's CEO Gillian Reece Reece is a business friend of Manning but not a friend to many else she is generally considered overly aggressive and fastidious When Manning assigns Glee Savage the newspaper's society reporter to cover

Reece's new home the subsequent meeting between the two does not end well Savage huffs off in a fury but not before ferociously bitch-slapping Reece in front of everyone With Reece's cheek still smarting more bad news comes as the accountant performing due diligence for the merger reports some very questionable items regarding Ashton's books It seems as though things couldn't go much worse for the unpleasant Reece That is until she is murdered The discovery of her body is greeted with great surprise but perhaps not much regret on the part of most who knew her Still with Manning's friend and employee Glee Savage as the obvious and primary suspect he cannot resist wading in to this most unsound of business dealings **Lambda Book Report**, 1999 **The Gay Detective Novel** Judith A. Markowitz, 2015-02-16 Gertrude Stein called it the only really modern novel form that has come into existence yet the mystery genre was a century old before it featured its first gay main character in a novel Since then gay and lesbian detective fiction has been one of the fastest growing segments of the genre It incorporates gay and lesbian cultural elements and offers crossover appeal Its authors call upon a century of development in the mystery genre while providing new more accurate images of lesbians and gay men than generally found in mainstream literature and popular media This groundbreaking study of gay and lesbian detective fiction examines mystery series and historically significant stand-alone novels published since the early 1960s Part I is an overview that describes how these novels make gay and lesbian life visible and forge new powerful images It also examines how they fit into the larger history of mystery fiction The series analyses in Part II are grouped according to the type of main character: police officer, private investigator, amateur sleuth, etc Each section discusses main and secondary characters of that type, characteristic themes for the group, and more The analyses of individual series cover main characters, themes, plot points, and other elements Comments from authors interviewed for this book play a central role in those analyses Part III lists series spanning themes, e.g. homophobia, the closet, gay marriage, and the novels and series that address each of those themes
