 returns once again to haunt Matthew and his family as they try to get on with their daily lives Matthew his girlfriend Melissa
 along with several other young people have found sanctuary within loving adoptive families after fleeing from a vile religious
 cult But two recent cult refugees are horrified to learn that the cult has intentions to reclaim both of them by whatever
 means Out of an irrational fear of being spirited away they search the house for a secure hiding place and in the process they
 unwittingly uncover a dark secret about the house that they now call home After a hidden chamber in the family home is
 discovered Matthew and other family members are haunted by strange sounds visions and cryptic messages Melissa receives
 a mystical warning about her kinfolk being in grave danger But Melissa has no knowledge of having kinfolk as she had been
 forcibly taken from her biological mother at birth Melissa doesn t know whether or not her real mother is still living so does
 she indeed have kinfolk and if so where might they be found The answer to that question comes without warning after
 Matthew and Melissa are catapulted several months back in time into an alternate reality that timewise is parallel to their
 own Within this parallel passage through time Matthew begins to have intimations that their lives as well as the lives of many
 others are in jeopardy In response he takes on a leadership role to forestall what he is convinced will be a disastrous outcome
