

Brainstorm your list.

In each hexagon above, complete the sentence with a different activity.

Now whittle it down.

Ask yourself, *If I had to choose between the first activity and the second, which is more appealing to me?* Once you have your answer, put your finger on the winner and compare that choice with the third activity. Repeat this exercise all the way around the loop, moving your finger to the winning activity after each comparison; when you complete the loop, your finger will be on your number one passion. Write that activity at the top of the list below, and draw an X over the activity in the loop. Now repeat this process four more times (always starting from the top), and each time, skip the X-ed out activities. You've just found your top five passions.
