Nameless Blameless And Without Shame:

Nameless, Blameless, and Without Shame Gina Hens-Piazza, 2003 *Nameless Blameless and Without Shame* is a character study of two obscure women before a king 2 Kings 6 24 33 It explores the violence encoded in the texts by the privileged powerful The character study connects these cannibal mothers to portraits of other pairs of biblical mothers and their plight the two mothers before Solomon Sarah and Hagar Rachel and Leah This prompts us to search for counter stories in the biblical tradition and in our own lives opposing the violence embedded there The text and the tradition of interpretation would urge us to disregard scorn or even indict these two women and all they represent However the character analysis emerging out of this literary assessment argues in favor of elevating these nameless mothers as blameless Chapters are Building Character A Story Within Stories Literary Criticism and the Tale of Two Cannibal Mothers A Postmodern Literary Study of Two Cannibal Mothers Before a King Stories Speak of Other Stories and Character Counter Texts and Conclusion Gina Hens Piazza PhD is an associate professor of biblical studies at the Jesuit School of Theology at the Graduate Theological Union in Berkeley She has written and lectured extensively on topics of literary studies women and social justice in relation to biblical texts

Isn't This Bathsheba? Sara M. Koenig, 2011-11-08 Bathsheba is undeniably a minor character in the biblical plotline appearing in only four chapters in Samuel and Kings combined and even therein saying and doing very little Thus she is often ignored or mentioned merely parenthetically When Bathsheba has been considered she has been depicted in a myriad of ways on the spectrum from helpless victim to hapless seductress In fact with so many different interpretations of her throughout the centuries it is easy to find oneself asking along with the anonymous informant in 2 Sam 11 3 Isn't this Bathsheba This study argues that while she is a minor character Bathsheba is complex and positive and shows development from when she first appears in Samuel to when she fades out of the story in Kings Koenig compares close and careful reading of Bathsheba in the Masoretic Text with the story as it appears in the versions of the Septuagint the Peshitta and the Targum of Jonathan In those versions Bathsheba's characterization as a complex generally positive individual and as a character who shows development remains consistent with the Masoretic Text not in spite of the changes from the Hebrew into Greek Syriac and Aramaic but because of them This study also considers how Bathsheba is portrayed in early Jewish interpretations from Josephus the Talmud and rabbinic Midrash Even there the portrayal of Bathsheba is rich and positive Studying Bathsheba's character has implications for a broader understanding of how texts are read how meanings are gathered and how characters are built

The Shame Factor Robert Jewett, Wayne Alloway, John G. Lacey, 2010-10-15 This volume deals with the varied forms of shame reflected in biblical theological psychological and anthropological sources Although traditional theology and church practice concentrate on providing forgiveness for shameful behavior recent scholarship has discovered the crucial relevance of social shame evoked by mental status adversity slavery abuse illness grief and defeat Anthropologists sociologists and psychologists have discovered that unresolved social shame is related to racial

and social prejudice to bullying crime genocide narcissism post traumatic stress and other forms of toxic behavior Eleven leaders in this research participated in a conference on The Shame Factor sponsored by St Mark s United Methodist Church in Lincoln NE in October 2010 Their essays explore the impact and the transformation of shame in a variety of arenas comprising in this volume a unique and innovative resource for contemporary religion therapy ethics and social analysis

Mourner, Mother, Midwife L. Juliana M. Claassens, 2012-11-28 Traditional understandings of God as deliverer depict God as a mighty liberator warrior and wrathful avenger Juliana Claassens explores alternative Old Testament metaphors that portray God as mourner mother and midwife images that resist the violence and bloodshed associated with the dominant warrior imagery Claassens discusses how metaphors of God as life giver began to develop in the aftermath of the trauma of Israelite exile She offers compelling examples of how this feminine imagery still has the power to inspire hope amidst violence in today s world She demonstrates that God s delivering presence helps people of faith cope with trauma and suffering on many levels individual community national and global while bringing forth new life out of death and destruction

Reimagining Theologies of Marriage in Contexts of Domestic Violence Rachel Starr, 2018-04-17 Domestic violence is a significant threat to women s survival But Christian understandings of marriage often prevent women from resisting abusive relationships Can the Church s teaching on marriage be reshaped so that it helps women to survive rather than encourage them to submit to their husband bear their cross or sacrifice themselves for the sake of their marriage Focusing on everyday practices of marriage in two very different contexts Argentina and England Reimagining Theologies of Marriage in Contexts of Domestic Violence considers how Christian understandings of marriage as a covenant or sacrament relate to the lived experience of marriage Drawing on Augustine s notion of the goods of marriage and on belief in the saving power of marriage this book suggests that only when the wellbeing of bodies is central to a marriage can it have the power to save

Abingdon Old Testament Commentaries | 1 - 2 Kings Gina Hens-Piazza, 2006 This study of the Books of Kings unfolds with attention and sensitivity to the immense literary artistry that craft these narratives *Searching for Sarah in the Second Temple Era* Joseph McDonald, 2020-02-20 Seeking to build upon recent scholarship based on Biblical women Joseph McDonald uses a character centered literary approach to read the story of Sarah as it was told and retold in the Second Temple period McDonald offers an alternative to the usual approaches to rewritten Bible narratives which often emphasize near context synoptic comparison of retold stories and their scriptural precursors arguing that examination of retold narratives as narratives reveals important aspects of their internal literary effects that may otherwise go unnoticed Taken together McDonald suggests that such readings reveal one of Sarah s trans narrative or deep traits as a curious multifaceted resemblance to the character of Abraham The richness of her images however shows that this resemblance is not the ultimate distillation of Sarah but a symptom of the kind of restriction that she consistently faces in this literature McDonald concludes that creative readings of the narratives featuring Sarah in the Hebrew Bible the Septuagint the Genesis

Apocryphon and the Jewish Antiquities of Josephus illuminate Sarah as a complex and sometimes contradictory figure whose individuality and agency often struggle to escape limitations placed upon her both by other characters such as Abraham and God and by the narrators of her tales **Elisha's Profile in the Book of Kings** Keith Bodner, 2013-07-25 Elisha's Profile in the Book of Kings uses the tools of literary criticism to read the Elisha narrative as an integral component of the Deuteronomistic History compiled in the aftermath of the Babylonian invasion and destruction of Jerusalem in 586 BCE From his investiture in 1 Kings 19 to his final cameo in 2 Kings 13 Elisha the prophet has one of the most extensively narrated careers in Israel's royal history During a particularly dark and contested era where the corrupt northern kings hold sway Elisha enters the ideological battleground and boldly raises his voice and performs remarkable signs to stem the tide of injustice and religious inconstancy Empowered by a double portion of his master Elijah's spirit Elisha is a double agent who continues the task of dismantling the Omride dynasty Moving between the international stage and more domestic locales Elisha travels widely and interacts with a host of characters from virtually every socio economic category visiting foreign capitals and cities under siege as well as wealthy homes and obscure villages With actions that range from feeding a multitude to mind reading and raising the dead Elisha's performance eclipses that of his master and ensures a lasting place in ancient Israel's prophetic heritage **Violence against Women and Children in the Hebrew Bible** Kristine Henriksen Garroway, Hyun Chul Paul

Kim, John W. Martens, 2024-09-19 What did violence against women and children mean for ancient audiences and how do modern audiences hear and process the meaning of violence in the texts of the Hebrew Bible The rape of Tamar the sacrifice of Jephthah's daughter babes ripped from the womb during war texts such as these are hardly fodder for Sunday School classes yet we are left with the reality that the Bible is a violent text full of war murder genocide and destruction often carried out at the behest of God The essays in this volume explore ways in which the Hebrew Bible uses and abuses women and children to make indelible points concerning the people of Israel the lived realities of the Israelite society and God's relationship to His people Where other works turn to the study of the violence itself or to the divine nature of violence this volume focuses in on the human component As a result these studies are reminders that women and children born out of trauma are at once vulnerable and valuable fragile and resilient **Towards a Critical White Theology** Al Barrett, Jill

Marsh, Anthony G. Reddie, 2025-03-11 Towards a Critical White Theology is a landmark text bringing together contributions from scholars and practitioners Black Postcolonial theologians and critical White theologians from the UK the USA and New Zealand exposing the dynamics of whiteness in the history and the present of the Christian church and setting an agenda for the future especially for White racialised theologians committed to dismantling whiteness With sections addressing whiteness in relation to the Bible church history education and mission congregational life the contemporary USA and public theology this book tracks the emerging of a new theological discipline of Critical White Theology that consciously follows in the wake of the long established discipline of Black liberation theology It acknowledges that so much that has passed for theology over

the centuries has been White Theology without naming it as such and reaches out to its Black and Postcolonial theologian siblings in repentant receptive humility and hopeful solidarity for a future liberated from the toxic sin of racism The chapters in this book were originally published in Practical Theology and Black Theology

Embark on a transformative journey with Written by is captivating work, **Nameless Blameless And Without Shame** . This enlightening ebook, available for download in a convenient PDF format PDF Size: , invites you to explore a world of boundless knowledge.
