Devotion to the Name of Jesus in Medieval English Literature, c. 1100 - c. 1530 Denis Renevey, 2022-08-01 *Devotion to the Name of Jesus in Medieval English Literature c 1100 c 1530* offers a broad but detailed study of the practice of devotion to the Name of Jesus in late medieval England It focuses on key texts written in Latin Anglo Norman and Middle English that demonstrate the way in which devotion moved from monastic circles to a lay public in the late medieval period It argues that devotion to the Name is a core element of Richard Rolle's contemplative practice although devotion to the Name circulated in trilingual England at an earlier stage The volume investigates to what extent the 1274 Second Lyon Council had an impact in the spread of the devotion in England and beyond It also offers illuminating evidence about how Margery Kempe and her scribes used devotion how Eleanor Hull made it an essential component of her meditative sequence seven days of the week and how Lady Margaret Beaufort worked towards its instigation as an official feast

The Cross in the New Testament Leon Morris, 2006-11-01 From time to time in the study of theology it becomes necessary to evaluate what Scripture has to say on certain crucial doctrines of the faith Leon Morris one of this generation's most respected evangelical scholars here offers a survey of the vast subject of atonement as it is presented in the New Testament *THE CROSS IN THE NEW TESTAMENT* explores in turn Matthew and Mark the Lukan writings John the Pauline epistles Hebrews the catholic epistles and Revelation showing what each New Testament scripture contributes to our understanding of atonement While Morris emphasizes the need to appreciate the many strands woven into this doctrine he criticizes the views of modern scholars that do not square with the biblical teaching At the heart of the doctrine of atonement

is the idea of substitution Morris believes and his thorough examination and defense of substitutionary atonement make this volume a theological apologetic of great significance Trusted as an exhaustive and reliable work of scholarship for over forty years The Cross in the New Testament remains an invaluable text for serious students of the Bible **My Name is Jesus** Elmer Towns,2019-02-19 Jesus the name above every other name The Bible has over 700 names for Jesus because no one name can fully describe who He is In this book written in first person you are invited to deepen your relationship with Jesus through the study of His names As you read you will expand your understanding of Jesus nature **The Lord Bless You (Touchstone Texts)** Stephen B. Chapman,2025-08-26 The Priestly Blessing in Numbers 6 The Lord bless you is one of the most familiar and widely used liturgical texts in Christianity Although often recited it is not usually a subject of in depth study In this addition to the Touchstone Texts series highly regarded Old Testament scholar Stephen Chapman provides a detailed engagingly written exposition of the Priestly Blessing as well as a broader exploration of blessing in the Old Testament He explores the historical and liturgical use of the Priestly Blessing in the Jewish and Christian traditions and discusses key issues related to the practice of blessing within contemporary Christianity His interpretation of the Priestly Blessing highlights the importance of the divine name and the way the blessing offers a vision of religious faith as name bearing Chapman s volume will be a helpful resource for pastors and seminarians and an important reminder to all Christians of the centrality of blessing to the life of faith The Touchstone Texts series addresses key Bible passages making high quality biblical scholarship accessible to the church The series editor is Stephen B Chapman *In the Shadow of the Cross* Billy Roberts,2012-07-16 The Shadow of the Cross dispels one of the greatest myths of all time that Jesus did not die on the cross and in fact lived on to continue his ministry The author makes a detailed analysis of the secret life of Jesus that was known to the early Christians and which was suppressed later by the Church of Rome Did Jesus really travel incognito under the name of Yuz Asaph Did he really marry Mary Magdalene and father her children Many religious scholars and historians believe that a 2000 year old tomb in Srinagar Kashmir known as the Rozabal was the final resting place of Jesus The Prophet of the Book In the Shadow of the Cross explores the scientific as well as the historic facts bringing to light a truth that has lain buried beneath 2000 years of falsehood and which culminates in the greatest conspiracy of all time **The Walk of the Cross** Robert Makrush,2020-01-14 The Walk of the Cross is a Lenten study designed to help Christians search their hearts and souls as well as rededicate themselves to be faithful Disciples of Christ It is a daily devotional which examines fundamental Biblical beliefs in context with several scriptures each day Daily readings are followed by questions for reflection and journaling Jesus used this method of rabbinic teaching when he asked questions of His disciples such as Who do you say believe I am Why do you call me good or To what shall I compare the Kingdom of God Journaling scripture reading and Spirit led prayers form the foundation of this personal study as we consider what we really believe concerning issues such as God s calling grace salvation sanctification and regeneration The process allows the Holy Spirit to confront false beliefs as well as

alleviate areas of doubt in our faith As for those that may be asking what difference it makes how one believes professionals have long known that our beliefs especially those concerning morals ethics and religion control how we think feel and behave Our beliefs do this by coming together to form attitudes and prejudices concerning who we are and the world around us Because our belief systems work with a high degree of automation they can be easily influenced and even corrupted by the culture of the world Therefore we should always actively consider what and how we believe under the guidance of the Spirit Christians have traditionally used the forty days prior to Easter known as Lent as a time to rededicate ourselves to the imitation of Christ Some of us abstain from pleasurable things such as chocolate or TV in an attempt to purify ourselves from worldly desires Others prefer to add some additional religious aspect to our lives like a Lenten devotional additional prayer time or some worthy church social function Whether we abstain or add there is a conscious effort to revive our Christian discipleship by identifying with Christ s teaching and journey of passion for our salvation Doing these activities in small groups makes this also a time to renew fellowship within church

Deliverance from the Kingdom of Darkness Dr. Solomon Hailu, Deliverance is to be set free from spiritual physical and emotional infirmities and afflictions by God s divine interventions Every one of us needs deliverance The book outlines different ways and examples God delivered His people in the past and delivering them today The author shares his personal experiences of many years of deliverance ministry The scriptures tell us that God delivers us from the kingdom of darkness in many ways God delivers whoever cries out to him for help All you have to do is to recognize him as your deliverer and reach out to him no matter how difficult your problem might be There is nothing too difficult to God About the Author Solomon Hailu Ph D is a full Professor of Political Science at Oral Roberts University in Tulsa Oklahoma Dr Hailu published numerous academic books and journal articles in the area of politics and international relations In addition Dr Hailu published books entitled Experiencing the Gifts of the Holy Spirit The Kingdom of God Unveiling the Kingdom of God Insights Into the Kingdom of God and The Power of the Anointing Dr Hailu and his wife Mulu who is a professor of Electrical Engineering and a senior Electrical Engineer founded the Unshaken Kingdom Ministry in Tulsa
