Namibia The Ravages Of War South Africa's Onslaught On The Namibian People:

Namibia, the Ravages of War Barbara König, 1983 This factually detailed account of the devastating consequences of the South African war for the civilian population is compulsory reading for an understanding of the present situation in Namibia While most other current publications on Namibia address themselves to the international dispute and the prospects for an independent Namibia this booklet focuses on the conditions of life for black Namibians under military occupation forced removals the machinery of repression and the destruction of social infrastructure It shows how the pervasive military presence serves to underpin the exploitative economic structures and racial policies and how the military apparatus has increasingly become the dominant force in Namibia The author concludes that the South Africans have not achieved their aim of subduing the population and that support for SWAPO has grown despite the sufferings inflicted on all sections of the Namibian population The evidence presented is drawn largely from church reports and Namibian newspapers Eriksen Moorsom 1989 *Namibia's Independence Struggle* Cleophas Johannes Tsokodayi, 2011-01-01 **A Far-Away War** Ian Liebenberg, Jorge Risquet, Vladimir Shubin, 2016-01-31 South Africa's armed forces invaded Angola in 1975 setting off a war that had consequences for the whole region that are still felt today A Far Away War contributes to a wider understanding of this war in Angola and Namibia The book does not only look at the war from an old South African Defence Force perspective but also gives a voice to participants on the other side emphasising the role of the Cubans and Russians This focus is supplemented by the inclusion of many never before published photographs from Cuban and Russian archives and a comprehensive bibliography *Regional Guide to International Conflict and Management from 1945 to 2003* Jacob Bercovitch, Judith Fretter, 2004-11-23 Regional Guide to International Conflict Management from 1945 to 2003 provides global regional and specific information on the over 350 international conflicts that have occurred since World War II At the heart of the book are comprehensive regional sections each of which includes An essay providing regional context and highlighting the interrelation of countries and conflict in that area Summaries of each conflict in the region arranged chronologically and covering history circumstances players management and outcome References for further research Introductory chapters examine global patterns and trends in international conflict and how conflict is managed including ethnic conflict and the expanded role of the United Nations Tables figures maps and a comprehensive index round out this valuable resource Regional Guide to International Conflict and Management from 1945 to 2003 gives readers the tools and content necessary for understanding and analyzing international conflict in today's world Perfect for political science comparative government politics international relations and world history programs **Posters in Action** Giorgio Miescher, Lorena Rizzo, Jeremy Silvester, 2009 **Namibia Abstracts**, 1981 *South Africa's Intra-regional Security* Marie C.
