NANTUCKET GENESIS • Mary Barnard

NEWBURY GENESIS • *Mary Barnard*

This study has its roots in the work Mr. Barnard did in the 'sixties as assistant Carl van Dusen on the papers of Benjamin Franklin. His interest in the Barnard clan had been aroused, and she was pleased to find a manuscript thread that led to Thomas Barnard, born in England around 1800, one of Newbury's First Parishians. *Newbury Genesis* will offer general readers a cross-section of early American history as experienced by one family.

The narrative is dominated by one family line. The poetry shares the stage with the prose, and the reader is given a sense of the life of the family over several generations.

—*Book Review Editor*

The narrative is expounded by two characters: the First Parthenon and the Second Parthenon. The First Parthenon is a young man, a member of the family of the First Parthenon. The Second Parthenon is a young woman, a member of the family of the Second Parthenon. The narrative is a story of love and passion, of the struggle between the two families, and of the ultimate triumph of the First Parthenon.

The book is a collection of historical photographs of the city of San Francisco, California, from 1846 to 1906. It is published by the City of San Francisco, Department of Cultural Heritage, and is available for purchase at the City's Gift Shop.
